5. FINANCIAL REPORTS: MAY 2020 AND JUNE 2020

A. Agency Financial Statements

May 2020:

Steve Warnes, Assistant Finance Director, presented the Statement of Activities for the five-month period ending May 31, 2020. Warnes reported Grant Revenue of \$28,530,698 is at 35% of the annual budget with 42% of the year complete. Total Cash Revenue is at \$39,270,377 is 38% of the annual budget; In-kind revenue is at \$13,730,115 is 42% of annual budget; Personnel costs are the largest expense at \$25,895,411; and Total Cash Expenditures are at \$38,483,118 which is 37% of the annual budget. Warnes noted that COVID-19 and new grant funding are impacting where we stand financially in annual budget as some grants have reduced activities while we have received new funding in other areas. Warnes also notes in-kind continues to hold, primarily coming from WIC and LiHeap vouchers.

Warnes presented the Statement of Financial Position as of May 31, 2020 which reported Cash and investments of \$12,420,668; Accounts Receivable \$7,026,752; Property, Plant, and Equipment of

\$14,088,741 (slight decrease from \$15 million from previous year); Notes Receivable of \$15,743,227 (mostly Access Plus Capital receivables from borrowers); Notes Payable of \$12,813,861 (primarily used to fund Access Plus Capital's notes receivables)

JUNE 2020:

Warnes presented the Statement of Activities for the six-month period ending June 30, 2020. Warnes reported Grant Revenue of \$33,216,608 is at 40% of annual budget; Total Cash Revenue of \$45,736,165; In-Kind revenue of \$17,064,160 is at 52% annual budget (In-Kind revenue is higher than budgeted due to serving WIC clients in excess of our awarded caseload); Total Revenue and Support is \$62,800,325; Personnel Costs are \$30,389,390 is 46% annual budget (In June personnel costs typically experience a drop due to Head Start Summer break); Total Cash Expenditures \$44,935,192 is 43% budget. Appropriately, in-kind expenses and revenues match. Head Start is eligible for a waiver of non-federal share (in-kind) as HHS recognizes COVID-19 restricts the ability to attain the non-federal share requirements. Upon inquiry by Commissioner Reyna, discussion took place about the impact of COVID-19 related projects, funding, and general operations.

Heinricy responded to Reyna's inquiry about the \$1.2 million drop in grant revenue from the prior year, that this decrease is a cumulative impact to grant revenue from multiple sources. CEO, Emilia Reyes noted that additional revenue has been awarded but will not be reflected in the financials until later in the years as the projects begin in July and August (i.e. Fresno County Equity Project).

Warnes presented the Statement of Financial Position as of June 30, 2020 which reported Cash and Investments of \$11,465,804; Accounts Receivable of \$7,853,438; Property, Plant, and Equipment of \$13,953,120; Notes Receivable of \$16,306,002; and Notes Payable of \$12,813,861.

Warnes notes the Notes Receivable and Notes Payable are monitored for COVID-19 impact. Access Plus Capital offered clients a one-month waiver of payment for April. Other sources of payments and grant funding were also received by SBA, City, County to help business to sustain their operations.

M/S/C – Reyna/Robles to approve the Agency financial reports presented. All in favor.

B. Head Start Financial Status Report

Darlene Trujillo, Accounting Manager, presented the May 31, 2020 Head Start and Early Head Start Financial Status Reports:

HS/EHS	Annual Budget	Expenses	% of Budget
Head Start Basic	\$34,916,151	\$14,395,658	41%
Head Start T&TA	\$390,276	\$26,346	7%
Early Head Start Basic	\$4,651,280	\$1,789,126	38%
Early Head Start T&TA	\$106,922	\$1,009	1%

Expenses paid for via credit card were presented which include staff training, program supplies, office supplies, and/or contract services.

Trujillo also presented the June 30, 2020 Head Start and Early Head Start Financial Status Reports:

<u>HS/EHS</u>	Annual Budget	Expenses	% of Budget
Head Start Basic	\$34,916,151	\$16,292,149	47%
Head Start T&TA	\$390,276	\$28,476	7%
Early Head Start Basic	\$4,651,280	\$2,128,276	46%
Early Head Start T&TA	\$106,922	\$2,623	2%

Expenses paid for via credit card were presented including supplies and fleet tracking software.

Heinricy noted that HHS has been supportive of program operations during COVID-19 and has continued funding the program as well as the program is making all efforts to continue providing services to our children and families to the greatest extent possible within the current environment. Additional funding was received from HHS as of June 29, 2020 which are not yet reflected in these budget amounts. These funds are for cost-of-living increase, quality improvement, and one-time supplemental COVID-19 funding which included funds for summer operations. Funds recently released total \$4,322,970. The Head Start financials as of June 2020 align with the SF-429 semi-annual fiscal report submitted to Head Start at the end of July.

M/S/C - Reyna/Robles to approve the Head Start financial reports presented. All in favor.

6. WIC FURNITURE PROCUREMENT 0:21:55

A. WIC Furniture Procurement

Jim Rodriguez, Chief Financial Officer, presented the Tangram furniture order of \$183,125 for the Women, Infant, and Children's office located on Kings Canyon Road in Fresno. Relocation is needed due to the need for additional space to serve the increasing client demand at this center. Since the order is over \$150,000 board ratification is needed to proceed with this procurement. Reyna requested a line-item break-out for the WIC office furniture purchases to provide more understanding of what furniture will be acquired.

M/S/C – Reyna/Robles to approve the purchase of office furniture. All in favor.

7. HHS HEAD START 0-5 MONITORING STATUS 0:26:27

1. HHS Head Start 0-5 Monitoring Status

Rodriguez presented status updates for the three areas of concern cited by HHS: internal controls, budget, and facility reporting. Rodriguez states progress continues to be made. The following actions have occurred since the QIP was presented in June 2020:

- Staff met with Head Start Region IX representatives on June 11 to discuss progress, review findings from external auditor, and determine next steps.
- Staff applied for and was granted an extension to the corrective period from July 20, 2020 to December 31, 2020.
- Staff extended the agreement for services with the independent auditor, Hudson, Henderson, and Company (HHC).
- Staff meet with HHC's staff on a weekly basis. Work is expected to be completed by the end of August.
- Staff met with Region IX representatives on July 30, 2020 to discuss the new QIP timeline and progress.
- Staff submitted the final Head Start Financial Status Report (SF-425) for 2019 on August 3, 2020. A request to carryover \$3,532,786 of funding in the 2019 unobligated balance in to the 2020 program year has been submitted.
- Rodriguez notes policies and procedures will once again be updated in October, as needed, based on HHC's recommendations and findings. He noted HHC is expected to present their recommendations for Fresno EOC in September to the Finance Committee and full Board on September 23, 2020. HHS will also be providing a training session for staff and commissioners at a date to be determined in September.

Reyna sought clarification on the continued engagement of the auditors. Rodriguez clarified that the engagement of HHC has been expanded to fully resolve all three areas of deficiency cited in the HHS report. CEO Reyes stated the external auditors will ensure that there is no conflict of interest with the auditing process and the proposed corrective actions, the auditors are the ones doing the work, not Fresno EOC staff. Also, their work will ensure that there is complete information available for HHS to review.

Reyna asks whether policies have been implemented yet. Emilia Reyes and Jim Rodriguez stated some policies have been updated and some will be updated following the review from HHC. Rodriguez said the goal is to have HHC's work finished so there is ample time to share it with HHS for review and discussion. Everything should be complete by December 31, 2020.

8. FUNDING LIST

A. Funding List

Heinricy presented the funding list of \$169.3 million as of July 1, 2020 in comparison to the report as of April 2020 at \$167 million and the report as of July 1, 2019 of \$169.6 million. Heinricy reminds committee these amounts do reflect full grant periods and do not represent funding for a 12-month period. The contract list includes 32 programs, 61 funding sources, 140 contracts, and 59 funding projects.

Changes from in award funding from previous quarter include:

- 1. Increases in funding for Head Start 0-5 \$4,322,970; CSBG (CARES, Discretionary) \$2,682,242; FMAAA COVID-19 \$1,319,790; Health (County funding Sealant; Home visitor) \$1,070,000; Transit meal delivery \$536,720; GLOW! \$550,000; LCC Proposition 68 \$465,357; Rural tobacco \$336,054.
- 2. Funding expiration from LIHEAP 2019 funding cycle of \$8,695,020.

Heinricy notes that the LIHEAP 2020 funding is still available and the LIHEAP 2021 funding is expected to be received in October. The LIHEAP CARES ACT funding of \$2.5 million will also be included in the next report. It is noted that the loan funding for Access Plus Capital is now at the \$20 million mark.

Discussion took place regarding Fresno Street Saints operations as well as regarding newly awarded funding from the County of Fresno.

9. HEALTH INSURANCE REPORT

B. Health Insurance Report

Warnes presented the Health Insurance Report as if June 30, 2020. There is a positive growth in the fund reserve with contributions from programs and employees totaling \$6,262,567. There is a significant decrease in health claims from April to May from \$937,674 to \$283,515 due to the impact of one significant claim in April 2020. Total expenses for June are \$791,748. Total number of employees enrolled holds steady at 906.

Warnes notes changes in health and dental claims paid could be due to timing issues, such as health claim delays, from the health insurance company or Covid-19-related issues, such as closed offices and limited services. Warnes noted July health claims paid were around \$600,000 and the dental claims increased to approximately \$69,000 as more dental offices are resuming services.

10. INVESTMENT REPORT

C. Investment Report

Warnes presented the Investment Report as of June 30, 2020 which reported Total Cash and & Cash Equivalents of \$295,133 of which \$261,127 was within the Citibank (pledged) account due to a CD which was called early. Total Investments of \$4,143,411 less unrealized gains of \$126,102 equal the General Ledger balance of \$4,017,310.

The Agency holds these investments to 1) maintain cash funding items such as the health

insurance reserve and accrued vacation liability and 2) provide pledged collateral from Fresno EOC for Access Plus Capital's \$700,000 loan from Citibank.

Warnes notes that CDs may be called early. Due to the current economic conditions, Fresno EOC should expect to see lower rates available. As a result, CDs with shorter terms, are being utilized so that funds can be re-invested once interest rates begin to increase.

Discussion took place regarding the process of CDs being called by the bank, the utilization of CDs to obtain insurance on these funds to protect the agency funds from loss, and the current investment policy's restrictions on investment options available. Garabedian suggested reviewing the investment policy to potentially allow for increased earnings potential on these funds.

11. VARIANCE REPORT

D. Variance Report

Heinricy presented the Variance Report for Health and Dental Services for June 2020. Heinricy notes this is one of the first years that Health and Dental will not be utilizing CSBG funding. There is some impact on the budget variances due to COVID-19 such as travel and conferences utilization being low as well as some noted savings from personnel vacancies.

12. OTHER BUSINESS

Garabedian noted a concern about having sufficient internet infrastructure within all our communities to handle all the remote learning such as what is being done in Head Start. He noted this may not be within Fresno EOC's control as it is more of a county and local matter.

Next meeting: Wednesday, September 9, 2020 at 12:00 PM.

13. ADJOURNMENT

Meeting adjourned at 1:06 PM.

Respectfully submitted,

Charles Garabedian, Chair

M/S/C – Reyna/Robles to adjourn the meeting. All in favor.

FINANCE COMMITTEE MEETING

Date: September 9, 2020	Program: Finance
Agenda Item #: 5	Officer: Rebecca Heinricy
Subject: Financial Reports	Officer: Jim Rodriguez

Recommended Action

Staff recommends Committee acceptance for full Board consideration of the unaudited consolidated Financial Statements as of July 2020 as well as acceptance of the unaudited Financial Status Report for the Head Start 0-5 program as of July 2020.

Background

In accordance with the Agency's bylaws, the Finance Committee shall advise in the preparation and administration of the operating budget and oversee the administration, collection, and disbursement of the financial resources of the organization. Additionally, the Treasurer is to ensure the commissioners understand the financial situation of the organization, which includes ensuring that financial statements for each month are available for each meeting of the Board of Commissioners. As such, the monthly financials for Fresno EOC (consolidated) and for Head Start are provided for review and acceptance.

Fiscal Impact

(A) Agency Statement of Activities and Statement of Financial Position:

As of July 31, 2020, the Agency had preliminary revenue of \$70.5 million, including \$18.3 million of in-kind contributions, and net operating surplus of \$999,659 which is primarily due to the use of grant funding in the amount of \$924,559 to issue loans through affiliate agencies. In comparison, the Agency had revenue of \$72.6 million including in-kind of \$20.5 million as of the corresponding period of the preceding year.

- (B) Head Start 0-5 Financial Status Report for the following areas:
 - Head Start Basic;
 - Head Start Training & Technical Assistance (T&TA)
 - Early Head Start Basic;
 - Early Head Start Training & Technical Assistance (T&TA)

A request to carryover funding from 2019 into 2020 has been submitted to HHS and is pending approval. The inclusion and separation of the Duration budget will occur following approval of the carryover request.

FINANCE COMMITTEE MEETING

Date: September 9, 2020	Program: Head Start
Agenda Item #: 6	Director: Kathleen Shivaprasad
Subject: Head Start Attestation Report	Officer: Jim Rodriguez

Recommended Action

Staff recommends Committee acceptance for full Board consideration of the following Attestation Report from Hudson, Henderson & Company, Inc. for the agreed upon procedures associated with the Head Start 0-5 Quality Improvement Plan.

Background

The U.S. Department of Health and Human Services (HHS) – Administration for Children and Families (ACF) Head Start (HS) conducted monitoring in October 2019 that resulted in deficiencies in three areas: internal control, budget, and facility reporting. In response, Fresno EOC submitted a quality improvement plan (QIP) to address those items. As part of the QIP – which was accepted by HHS – an external auditor, Hudson, Henderson & Company (HHC), was contracted to provide an independent assessment of areas of deficiencies, provide verification of the financial impact, and to identify opportunities for improvement.

Following completion of the original procedures, Fresno EOC staff met with HHS Region IX representatives to discuss the findings. Resulting to extend the QIP corrective action period through December 31st to allow for the completion of additional procedures to determine the final dollar amount of the proposed questioned costs and to compute the amount of generated federal interest. Staff entered into a new agreement with HHC to conduct the procedures in accordance with attestation standards. The full Attest Report is included for the committee's review and representative(s) from Hudson, Henderson & Company will provide a presentation of the work performed, their findings, and recommendations.

Additionally, the external auditor(s) will also provide training to applicable staff on the findings and recommendations contained within their report. Commissioners are encouraged to participate in this training as well.

Fiscal Impact

Based on the external auditor's findings, several areas for potential questioned costs have been identified and quantified. The total claimed questioned costs, excluding any potential questioned cost associated with the generation of Federal Interest in building A (1900), is computed to be \$568,761.

The analysis on the potential for any additional Federal Interest to have been generated by other federally funded programs within this space was found to be immaterial.

Recommendations & Training

As part of their procedures, HHC identified several areas for improving Fresno EOC processes. Staff will receive training on these recommendations and methods for implementation in the second half of September. They include:

- Reperforming the calculation for federal interest using the true purchase/acquisition cost plus any and all improvements, less any suite specific improvements (note: this has been completed as described in the report);
- Updating and enhancing internal controls and monitoring procedures over the fixed asset listing to ensure that fixed assets, and their resulting benefit, are charged appropriately; and,
- Updating and enhancing internal controls and monitoring procedures to assign a federal ownership percentage to assets when they are purchased to properly identify associated depreciation.

A member of the Board of Commissioners, preferably from the Finance Committee, will also be included in the staff training as requested by the Office of Head Start.

Conclusion

Acceptance and implementation of the external auditors' report regarding the areas of deficiency identified within the HHS Head Start monitoring report is a critical step in closing out the monitoring cycle. Staff intend to use these findings to consult with the Board of Commissioners regarding the potential for seeking retroactive approval of the costs associated with the FEP.

INDEPENDENT ACCOUNTANTS' REPORT

To the CFO and Board of Commissioners
Fresno Economic Opportunities Commission

We have examined the schedules of operating expenses applicable to the Head Start Program of the Fresno Economic Opportunities Commission (the Fresno EOC) for the years ended December 31, 1999 through 2019. The Fresno EOC's management is responsible for presenting the schedule of operating expenses applicable to the Head Start Program in accordance with the Federal statutes, regulations and the terms and conditions of the Head Start and Early Head Start grants. Our responsibility is to express an opinion on schedule of operating expenses applicable to the Head Start Program based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the schedule of operating expenses applicable to the Head Start Program are in accordance with the Federal statutes, regulations and the terms and conditions of the Head Start and Early Head Start grants, in all material respects. An examination involves performing procedures to obtain evidence about the schedules of operating expenses applicable to the Head Start Program. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of schedule of operating expenses applicable to the Head Start Program, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Because of the inherent limitations of an examination engagement, together with the inherent limitations of internal control, an unavoidable risk exists that some material misstatements may not be detected, even though the examination is properly planned and performed in accordance with the attestation standards.

In our opinion, schedule of operating expenses applicable to the Head Start Program of the Fresno EOC for the years ended December 31, 199 through 2019 is presented in accordance with Federal statutes, regulations and the terms and conditions of the Head Start and Early Head Start grants, in all material respects.

As discussed in Note 1, the grant schedule of the Fresno EOC are designated to present the financial position and transactions of the grant as previously noted, for the years ended December 31, 1999 through 2019. They do not purport to, and do not present fairly, the financial position of the Fresno EOC as of December 31, 1999 through 2019, the changes in its financial position, or, where applicable, its cash flows for the years then ended in conformity with account principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Our examination was conducted for the purpose of forming an opinion on the grant schedule as a whole. The supplementary information presented on page 5 is presented for purposes of additional analysis and is not a required part of the grant schedules. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the grant schedule.

The supplementary information has been subjected to the examination procedures applied in the examination of the grant schedule and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the grant schedule or to the grant schedule itself, and other additional procedures in accordance with attestation standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the grant schedule as a whole.

FRESNO ECONOMIC OPPORTUNITIES COMMISSION NOTES TO GRANT SCHEDULE

NOTE 1 – BASIS OF ACCOUNTING AND PRESENTATION

Basis of Accounting: The Fresno Economic Opportunities Commission (the Fresno EOC) Head Start Program grant is accounted for as governmental fund type, in which the current financial resources measurement focus and the modified accrual basis of accounting is used. Accounting for grant proceeds and expenditures using the modified accrual basis of accounting are recorded wherein revenues are recorded as received in cash, except that revenues, which are both measurable and available as a resource to operations of the current period, are accrued. These include amounts spent and not yet reimbursed. Expenditures are recognized when the liability is incurred.

<u>Basis of Presentation</u>: The accompanying grant schedule has been prepared from the latest contracts approved by the Office of Head Start, the annual federal financial reports and the Fresno EOC grant records in accordance with the Office of Head Start. This report represents only the Head Start Program and is not intended to present fairly the financial position and results of operation of the Fresno EOC, as a whole, or in conformity with accounting principles generally accepted in the United States of America.

NOTE 2 – CONTINGENCIES

The Freson EOC has received federal and state funds for specific purposes that are subject to review and audit by the granting agencies. Although such audits and reviews could generate expenditure disallowances under terms of the grants, management believes that any required reimbursement will not be material.

NOTE 3 – SUBSEQUENT EVENTS

In compliance with accounting standards, management has evaluated events that have occurred after year-end to determine if these events are required to be disclosed in the grant schedules. Management has determined the events regarding the Novel Coronavirus require disclosure in accordance with accounting standards. On March 4, 2020, Governor Newsom issued an emergency proclamation declaring a State of Emergency in California due to the Novel Coronavirus (COVID-19). The COVID-19 outbreak is ongoing, and the ultimate geographic spread of the virus, the duration and severity of the outbreak and the economic and other actions that may be taken by governmental authorities to contain the outbreak or to treat its impact are uncertain. The ultimate impact of COVID-19 on the operations and finances of the Fresno EOC Head Start program is unknown.

FRESNO ECONOMIC OPPORTUNITIES COMMISSION SCHEDULE OF FINDINGS AND RECOMMENDATIONS FOR THE YEARS ENDED DECEMBER 31, 1999 THROUGH 2019

Finding 2019-001: Federal Interest Calculation

Criteria:

Per the instructions in completing the SF-429 Federal Interest reporting form, line 41f, Real Property Cost, the total cost of the real property acquired is to include the purchase or acquisition price, plus any applicable improvements.

Condition:

It was noted that initial submissions and filings of the SF-429 Form, total costs for the calculation were based on total depreciation over the Federal Executive Plaza (FEP) properties charged as the basis, along with interest and bond amortization charges. In addition, per our review of the calculation as performed by the Fresno EOC, not all improvements of the property were properly included in the calculation, including those paid for by the Fresno EOC and/or the Head Start program.

Cause of Condition:

In review of the Fresno Economic Opportunities Commission (the Fresno EOC) procedures of the computation of the federal interest at the FEP, the calculation was to be based on total depreciation, along with interest and bond amortization charges.

Effect of Condition:

The Fresno EOC was deficient in performing the calculation in using the total depreciation expense cumulatively at the corresponding year-end and not the original purchase/acquisition price of the properties as well not including all applicable improvements for the calculation of the federal interest.

Recommendation:

We recommend that management reperform the calculation, using the true purchase/acquisition costs plus any and all improvements, less any suite specific improvements as per Head Start program guidelines, made on the property to properly calculate the federal interest percentage applicable to the Head Start program. This was performed in conjunction with a prior agreed-upon-procedures agreement with us, and was done without exception

Management Response and Corrective Action Plan:

Pending...

Finding 2019-002: FEP Fixed Asset Listing

Criteria:

Federal awards require compliance with allowable activities and costs to ensure that only costs charged to the Head Start program actually benefit the program.

Condition:

It was noted in the FEP fixed asset listing from which depreciation was charged to the Head Start program, certain fixed assets were included in the listing for which a direct or indirect benefit was not present to the Head Start program.

FRESNO ECONOMIC OPPORTUNITIES COMMISSION SCHEDULE OF FINDINGS AND RECOMMENDATIONS (CONTINUED) FOR THE YEARS ENDED DECEMBER 31, 1999 THROUGH 2019

Finding 2019-002: FEP Fixed Asset Listing (continued)

Cause of Condition:

The Fresno EOC lacked proper internal controls and monitoring procedures to ensure that fixed assets being charged in the FEP fixed asset listing only included assets that can be allocated to all tenants, including Head Start, and not suite specific fixed assets that can't allocated accordingly.

Effect of Condition:

As a result, depreciation and costs were overcharged to the Head Start program, resulting in unallowed costs being charged to the program.

Recommendation:

We recommend that management implement enhanced internal controls and monitoring procedures over the FEP fixed asset listing to ensure that only fixed assets with a benefit to the Head Start program are being charged to the Head Start program. Controls should include prevention measures as well as detection measures when assets are being purchased and recorded to properly identify fixed assets that will benefit the program, and only those fixed assets are being charged depreciation to the Head Start program.

Management Response and Corrective Action Plan: Pending...

Finding 2019-003: Allocation Charges

Criteria:

Federal awards require compliance with allowable activities and costs to ensure that only costs charged to the Head Start program actually benefit the program.

Condition:

It was noted during our examination that fixes assets that have a federal interest ownership percentage associated with them were not having depreciation reduced by that federal interest ownership percentage, resulting in excess depreciation and costs being charged to the Head Start program. It was also noted Fresno EOC was not properly allocating square footage to the Head Start Program, resulting in higher allocation of indirect costs associated with the Head Start program. Lastly, the Fresno EOC does not have proper documentation of approval with the Head Start program to be charging FEP expenses associated with Building A of the FEP.

Cause of Condition:

The Fresno EOC lacked proper internal controls and monitoring procedures to ensure that depreciation and the associated federal interest being charged from FEP fixed asset listing, along with indirect cost allocations were properly charged to the Head Start program.

Effect of Condition:

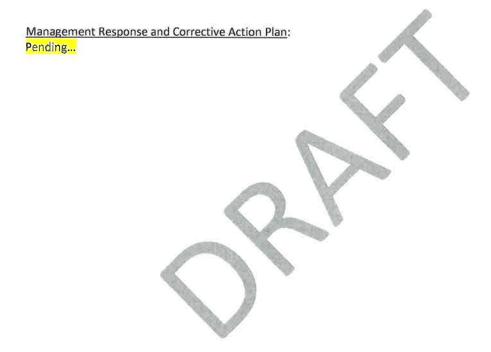

As a result, depreciation and costs were overcharged to the Head Start program, resulting in unallowed costs being charged to the program. Also, without proper approval from the Head Start program for allocation of indirect expenses from Building A of the FEP, all prior expenses charged associated with Building A could be disallowed.

FRESNO ECONOMIC OPPORTUNITIES COMMISSION SCHEDULE OF FINDINGS AND RECOMMENDATIONS (CONTINUED) FOR THE YEARS ENDED DECEMBER 31, 1999 THROUGH 2019

Finding 2019-003: Allocation Charges (continued)

Recommendation:

We recommend that management implement enhanced internal controls and monitoring procedures over the federal interest and depreciation charges to ensure that correct expenses are being charged to the Head Start program. Controls should include prevention measures as well as detection measures when assets are being purchased, have a federal ownership percentage associated with them and recorded to properly identify depreciation and indirect charges that are properly allocated to the Head Start program. We also recommend that management work with the Head Start program to get proper retroactive approval of Building A of the FEP for allocation of indirect expenses associated with that portion of the FEP.

FINANCE COMMITTEE MEETING

Date: September 9, 2020	Program: Head Start
Agenda Item #: 7	Director: Kathleen Shivaprasad
Subject: HHS Head Start 0-5 Monitoring Update	Officer: Jim Rodriguez

Background

The information presented below is intended to keep the Board apprised on the status of the work performed for the Quality Improvement Plan in response to the receipt of the Focus Area 2 monitoring review report for the Head Start 0-5 program.

U.S. Department of Health and Human Services (HHS) – Administration for Children and Families (ACF) Head Start conducted a follow-up review on the Focus Area 2 monitoring during the week of October 15-18, 2019. A quality improvement plan (QIP) was submitted to HHS for the three noted deficiencies involving the facilities cost associated with the 1900/1920 Mariposa Mall property, commonly referred to as Fresno Executive Plaza (FEP), and the reporting of Federal Interest therein. The three areas cited are internal control, budget, and facility reporting.

Approval of the QIP dated February 14, 2020 was received from the Regional Office in their letter dated February 24, 2020. The initial corrective action period was approved for extension to December 31, 2020.

The following actions have occurred since the QIP was presented in August 2020:

- Staff met with the external auditor Hudson, Henderson & Company on a weekly basis to ensure timely completion of the agreed upon procedures.
- The external auditor completed their procedures and submitted a draft Attest Report. Staff met with the audit team to discuss the report and the recommendations on September 2nd. The contents of the report are included as a separate agenda item.

Summary of progress towards outcome:

Fresno EOC Head Start staff met with the external auditor to discuss their draft report and recommendations. The report was presented to the Finance Committee on September 9 and will go to the Board of Commissioners on September 23 for acceptance and guidance. Staff will incorporate the auditor's recommendations upon completion of training in second half of September. Staff will also proceed to resolve the issue of disallowed costs and updated federal interest in accordance with guidance provided by the Board of Commissioners.

FINANCE COMMITTEE MEETING

Date: September 9, 2020	Program: Finance
Agenda Item #: 8	Officer: Rebecca Heinricy
Subject: Health Insurance Report	Officer: Jim Rodriguez

Background

The information presented below is intended to keep the Board appraised on the financial status of the Agency's health insurance plan.

As of July 31, 2020, the health insurance reserve is at \$3.3 million, which covers approximately 3.5 months of average expenditures. To date, contributions from programs and employees for 2020 total \$6,940,783 while the Fund paid out \$6,438,413 in expenses. The health insurance report is included for reference.

Changes to the health insurance plan in 2018 through 2020 include:

- Effective January 2018: 10% increase in Employer and Employee premiums, increase in select co-pays, and a discount for completion of a wellness visit.
- Effective January 2019: 5% increases in Employer and Employee premiums, and increase the coverage of preventive dental procedures from 80% to 100%.
- Effective January 2020: 4% overall increase in Employer premiums and 22% overall increase in Employee premiums. Wellness plan now has the same annual deductible but will have a 25% discounted employee premium. The employee + child and employee + children tiers were consolidated.

The following presents a sample of the 2020 monthly health insurance premium tier rates. There are additional tiers depending on type of coverage selected.

		Employee

SUBJECT: TRANSIT SYSTEMS FINANCIAL ANALYSIS - JULY 2019 - JUNE 2020

Revenue:

Transit Systems operates with a fiscal year of July 2019 to June 2020. Revenue is from a diversity of funding including contractual (or fee-for-service) agreements, services to other Fresno EOC programs (billed at cost), and grant revenue. Budgeted revenue for the period was \$9,090,815. Actual revenue is \$8,586,630 that is 94% of budget. Revenue includes \$299,591 of CSBG revenue. At the completion of the 2019-2020 year, a total of \$560,987 of local transportation fund (LTF) revenue was carried over to future periods for utilization within consolidated transportation services agency (CTSA) eligible projects. This amount is not reflected in current period revenue. The fiscal period is complete.

Expenditures:

Actual expenses are \$9,055,866, which is 99.6% of budget. Expenses for Transit are primarily personnel (65%), fuel (9%) and vehicle maintenance (10%).

Observations:

Transit Systems has been challenged by having numerous years of flat or declining funding from the majority of its funding sources. Several contracts received funding increases late in the 2019-2020 funding year due to efforts to negotiate these contracts. During the year, expenses have increased due to the impact of minimum wage increases on personnel wages, an increase in health insurance premium rates, and increased fleet maintenance needs due to an aging fleet. Several one-time costs were incurred during the year to enhance computer technology (\$15,000), and electric car chargers (\$29,120). Pricing and cost allocation methodologies associated with providing meal delivery services continues to be reviewed as this is a primary source for the program's deficit. Transit Systems continues to review its routes and operations to maximize efficient operations and identify new entrepreneurial opportunities.
