FOR INFORMATION ON COVID-19 VACCINES VISIT: www.tcdph.org/covid19vax Updated 3/15/2021
Layoffs
Local jurisdictions in Fresno County could face layoffs due to COVID-19 and the ensuing economic consequences if additional help from State and Federal sources is not forthcoming. Fresno Mayor Jerry Dyer has estimated 250 positions could be affected due to the $31 million shortfall.

Schools
Vaccines are being prioritized for educators and with declining case rates, schools are beginning to reopen in phases. This has broader implications as more people are returning to work, relying on schools for childcare and other needs.

State
After hearing from Fresno EOC and other local partners in the State’s Housing for the Harvest program, $24 million was set aside to fund local wrap around services and financial assistance for participating farm and food workers. These funds should ease the hesitancy many had in utilizing the hotel quarantine service. Fresno EOC will receive some of these funds as a pass through from the County.

Budget
Governor Gavin Newsom, Senate President pro Tempore Toni G. Atkins and Assembly Speaker Anthony Rendon reached an agreement on immediate actions to address the pandemic and accompanying economic implications. The agreement provides for:

Direct Relief to Individuals and Families: Dubbed the Governor’s Golden State Stimulus, depending on income people can expect to receive either $600 or $1,200. This includes people who were excluded from federal relief due to filing taxes with an ITIN. In addition to direct cash assistance, there will be a total of $35 million for food banks and diapers.

Relief for Small Businesses and Cultural Institution: Increased funding – from $500 million to more than $2 billion – grants of up to $25,000 for small businesses affected by the pandemic. For the industries that have been more heavily hit - restaurants, bars, barbering and cosmetology - there will be 2 years of state license fee relief. The deal also allows for tax deductions on PPE loan expenses. There is also an allocation of $50 million for cultural institutions.

More Resources for Childcare: The just over $400 million will be used for stipends for state-subsidized childcare and preschool to care for the children of essential workers not currently served in a program. The program will be funded through federal dollars and will run through June of 2022.

Wildfire Prevention Bills
Fresno EOC has consistently advocated for financial resources to address wildfire prevention and training activities. Our corps members have done this work in the past and there is great
need in our Sierra communities to avoid the tragedies we see year after year. We are supporting two bills that could help in this area:

Assemblymember E. Garcia: AB 1500, the Safe Drinking Water, Wildfire Prevention, Drought Preparation, Flood Protection, Extreme Heat Mitigation, and Workforce Development Bond Act of 2022 would, if approved by the voters, allow for the issuance of $6,700,000,000 in bonds to finance projects as described in the name.

Assemblymember Bloom: AB 1255, a Department of Forestry and Fire Protection grant program to facilitate local approaches to fire risk reduction and prevention, and includes habitat restoration for areas already affected.

**Federal**

On February 22, staff met with Congressman Costa and his staff to go over our federal legislative priorities and the work Fresno EOC has been doing to address the effects of the pandemic.

One of our legislative priorities, the Equality Act, passed the house and is on to the senate where it needs 60 votes to pass the filibuster. The LGBTQ rights bill prohibits discrimination based on sexual orientation and gender identity in employment, housing, education, public accommodations, credit and jury service. It is expected to be heard on March 17th.

On February 26th House Appropriations Committee Chair Rosa DeLauro put forth an announcement indicating requests by individual congress members will be considered for FY22 funding. The requests would be labeled under “Community Project Funding” with for-profit entities not being eligible. This has been interpreted to be a guised return of earmarks. Fresno EOC will work with our congressional representatives to put forth projects of interest to our community.

Using the power of his office to oversee vaccination efforts throughout the nation, on March 1st President Biden directed states to prioritize education workers, including Head Start and Early Head Start staff. The directive was accompanied by a challenge to administer at least the first shot of the vaccine to educators by the end of this month.

**Immigration**

President Biden’s immigration plan is expected to move slowly through committees. Several less comprehensive bills, with broader support, are moving forward. It seems, similar to the immigration reform effort in President Obama’s first term, political support has waned after a major bill.

**Executive Orders**

President Biden has signed dozens of Executive Orders on topics ranging from climate change to immigration. Below is a table with the recent executive orders taken from data available by
the Federal Register. More information can be found here:

Recommended Action

Staff recommends approval of a Board Resolution and to ratify the Community Development Block Grant (CDBG) consolidated application in the amount of $440,000 submitted to the City of Fresno on March 5, 2021.

Background

The City of Fresno Planning and Development Department provides CDBG annual funding for home repairs and for community service programs. Energy Services and Street Saints submitted applications to the City of Fresno for CDBG funding. The application for Energy Services requests funding in the amount of $360,000 to help households located in southwest Fresno with repairing or replacing deteriorating roofs and upgrading outdated electrical panels. The Street Saints program is requesting funding in the amount of $80,000 to provide educational and development services for youth residing in southwest Fresno through a combination of virtual and in-person after-school activities.

A resolution is required as a supporting document for the application. The City of Fresno has granted an extension to allow Fresno EOC to submit a Resolution after the application deadline as the Board meetings are held monthly, the fourth week of the month.

The need for these program services have escalated over the past year as the impact of COVID-19 has exacerbated a County with already one of the highest poverty rates in the state and the loss of thousands of jobs.

Fiscal Impact

The requested funding by Energy Services will help support the Transform Fresno project. Due to the condition of the existing roofs and electrical panels, many homes do not qualify for the installation of solar systems. In order to install solar systems, home’s
roof and electrical panels must be in a certain condition to allow for the installation. This funding in the amount of $360,000 will provide resources for improving 25-30 low-income homes and allow for the installation of solar systems to help reduce the homeowners’ electrical bills.

This application will provide additional funding in the amount of $80,000 for the Street Saints program to expand services to low-income families and youth residing in southwest Fresno. The after-school mentoring and program activities have improved students’ grades, strengthened families, and encouraged leadership in Southwest Fresno.

**Conclusion**

If funding is awarded, Energy Services will provide roof repairs and electrical panel upgrades to approximately 25 - 30 homes located in 93706, and the Street Saints will be able to expand additional after-school program services to youth in the 93706-target area.
RESOLUTION

WHEREAS, Fresno Economic Opportunities Commissioners (EOC), not for profit 501 (c) 3 organization, was founded in 1965 as a Community Action Agency and is the designated anti-poverty agency for Fresno County;

WHEREAS, Fresno EOC is dedicated to fighting poverty in the midst of plenty and helps over 120,000 Fresno County resident each year with more than 35 programs, including the Community Services Block Grant (CSBG);

WHEREAS, Fresno County has been severely harmed by the COVID-19 cases and the local economy has shed tens of thousands of jobs over the past year and a County with one of the highest poverty rates in the state before the pandemic hit has seen community needs soar astronomically in 2020-2021;

WHEREAS, Fresno EOC programs, Energy Services, and Street Saints, have successfully operated Community Development Block Grant (CDBG) program funds for the City of Fresno for many years;

WHEREAS Fresno EOC programs, Energy Services seeks to apply for $360,000 in CDBG funds for roof replacement and electrical repair services, and Street Saints seeks to apply for $80,000 in CDBG funds for youth enrichment services;

WHEREAS, Fresno EOC is governed by a tri-partite 24 member Board of Commissioners that includes 1/3 from the low income or their duly elected representatives, 1/3 from elected officials in the community, and up to 1/3 from other groups in the community that share Fresno EOC’s values and mission; therefore

BE IT RESOLVED that the Fresno EOC Board of Commissioners resolves to authorize Fresno EOC to apply for up to $440,000 in funding from Community Development Block Grant funds from the City of Fresno.

This resolution is in full force and effect as of March 24, 2021

MEMORANDUM

ATTORNEY WORK-PRODUCT
PRIVILEGED AND CONFIDENTIAL

TO: Public Agency Clients

FROM: Lauren D. Layne
Kenneth J. Price
Gabriel A. Delgado
BAKER MANOCK & JENSEN, PC

DATE: March 19, 2021

RE: New Social Media Requirements Under the Brown Act (AB 992)

PUBLIC AGENCY NOTIFICATION

The purpose of this memorandum is to inform our public agency clients of Assembly Bill ("AB") 992, a new law that went into effect on January 1, 2021. AB 992 is the first amendment of the Ralph M. Brown Act (the "Brown Act") that addresses public officials’ social media use.

A. Brown Act Requirements on Communications; Serial Meetings

Under the Brown Act, meetings of governing bodies of public agencies are generally required to be open and public. A meeting may be held by “a majority of the members of a legislative body at the same time and location … to hear, discuss, deliberate, or take action on any item within the subject matter jurisdiction of the legislative body.”⁵ It also provides that such meetings must be properly noticed so that the public has an opportunity to “directly address the governing body on any item of interest to the public.”²

The Brown Act prohibits public officials from taking action outside of a properly noticed, public meeting. More specifically, it provides that a majority of a legislative body may not use “a series of communications of any kind, directly or through intermediaries” among a majority of the members of the same legislative body (a quorum) concerning a matter within the subject matter jurisdiction of the agency.³ Such serial meetings of the governing body typically occur

---

¹ Govt. Code § 54952.2(a) (emphasis added).
² Govt. Code § 54954.3(a).
³ Govt. Code § 54952.2(b)(1).
where one member communicates with all other members of the legislative body individually, or when there is a chain of communication from one member to another, then to another.

B. **AB 992 - New Requirements Regarding Social Media Use**

Social media offers a variety of social media platforms (e.g., Facebook, Twitter, Instagram) as a means for public officials to communicate their thoughts and opinions concerning agency business. AB 992 applies to any “internet-based social media platform” that is “open and accessible to the public.” The new law amends the Brown Act to clarify the types of communications a public official may have online. Subject to the public agency's social media policy, a public official *may* communicate on social media to answer questions, provide information to the public, and solicit information from the public with respect to matters within the subject matter jurisdiction of the local agency. However, public officials and members of the governing body of a local agency may not use social media to “discuss among themselves” official agency business. This includes “communications made, posted or shared” between members of the governing body, including comments or use of digital icons that express reactions (i.e., emojis). Further, members of the governing body are prohibited from responding “directly to any communication on internet-based social media platform regarding a matter within their subject matter jurisdiction” that is made by another member of the same governing body. Such direct communication could result in a violation of the Brown Act as a serial meeting.

CONCLUSION

While each of our public agency clients differs in terms of social media presence and online communications with the public, our firm recommends that all of our clients follow their adopted social media policies and, if applicable, limit online communications to (1) answering questions, (2) providing information to the public, or (3) soliciting information from the public. Members of the governing body should refrain from communications concerning official agency business on social media; however, if a member of your governing body comments, posts, shares or otherwise communicates any agency-related business on social media, the remaining members must not respond. A simple reply comment, posting an emoji, or even clicking the like button could be a violation of the Brown Act. Baker Manock & Jensen is available to provide you with further guidance on AB 992, as well as assist your agency with preparation of policies to ensure compliance with the new law. Please do not hesitate to contact our office with any questions or to seek further guidance.

---

4 “Open and accessible to the public” means “that members of the general public have the ability to access and participate, free of charge, in the social media platform without the approval by the social media platform ..., and cannot be blocked from doing so, except when [the platform] determines that an individual violated its protocols or rules.” (Govt. Code § 54952.2(b)(3)(B)(iii).)

5 Govt. Code § 54952.2(b)(2)

7 Govt. Code § 54952.2(b)(3)(B)(i).

Charles Garabedian, Chair, called the meeting to order at 12:03 PM.

4. FINANCIAL REPORTS: NOVEMBER AND DECEMBER 2020
A. Agency Financial Statements

Jim Rodriguez, Chief Financial Officer, presented the unaudited Statement of Activities and Statement of Financial Position for the eleventh and twelfth-month period ending November 30, 2020 and December 31, 2020. As of November 30, 2020, the Agency had preliminary revenue of $117 million, including $27.8 million of in-kind contributions, and net surplus of $3,205,888. As of December 31, 2020, the Agency had preliminary revenue of $127.7 million, including $29.8 million of in-kind contributions, and net surplus of $4,119,974. Rodriguez noted that the surplus is primarily from the receipt of grant funds by Access Plus Capital that were issued to borrowers. Rodriguez also stated respectively that cash &
investments were $15 million, total assets $59.8 million, total liabilities $27 million, and total fund balance $32.7 million.

Rodriguez notes programs are behind budget due to COVID-19 related reasons. This also includes the numbers being lower for personnel costs, for instance in Head Start as presented next, and contract services due to a decrease in services provided to clients’ homes by the Weatherization and Solar contractors.

B. Head Start Financial Status Report

Rodriguez presented the December 31, 2020 Head Start and Early Head Start Financial Status Reports:

</tbody>
</table>

The December 2020 credit card balance was $9,740 for Head Start and $3,347 for Early Head Start. Rodriguez notes there are savings in personnel costs for HS and EHS and duration expenditures due to COVID-19 related reasons.

Garabedian inquired about the pending COVID-19 related stimulus and if legislation may have an impact on funding allocated to Fresno EOC for our clients. Jonasson explained the legislation is still pending so the full outcome of these funds are still pending and that we are monitoring them for opportunities. She noted that a contract with the County was signed today for us to being assisting with processing utility payments.

Public comment: None heard.

*Motion/Second*: Robles/Garabedian to accept the Agency and Head Start financial reports presented.

*Ayes*: Garabedian, Bonner, Martinez, Robles

*Nayes*: None heard

5. 2021 HEALTH SERVICES SLIDING FEE SCALE

A. 2021 Health Services Sliding Fee Scale

Heinricy presented the annual update to the sliding fee used to determine client payments within the health clinic. The majority of our patients are eligible for F-PACT and do not have to pay for services. Discussion took place on how minimum wage effects families based on differences between the federal and state guidelines. Due to the higher minimum wage within the State of California, individuals and families living in poverty may not qualify for vital services due to the lower restrictions of the Federal poverty guidelines. Jonasson noted that obtaining a separate poverty guideline for California or working to increase the Federal guidelines is a legislative priority for the Agency. It was noted that Health Services is following the federal poverty guidelines, as required by our funding.

Public comment: None heard.

*Motion/Second*: Robles/Martinez to approve the Health Services sliding fee scale.
6. HHS HEAD START 0-5 MONITORING STATUS UPDATE
   A. HHS Head Start 0-5 Monitoring Status Update

Recap on improvement plan to correct three deficiencies in Fresno EOC’s Head Start program with HHS. Three actions have happened since the QIP status was last shared: 1) A letter was sent confirming Fresno EOC will provide payment of $1,941,814 to eliminate any and all federal interest within the FEP facility, 2) The technical training assistance sessions provided by Head Start in four sessions completed, and 3) New policies and procedures are being implemented and monitored.

7. FUNDING LIST
   A. Funding List

Heinricy presented the funding list as of January 1, 2021 reflecting all funding currently awarded rather than a twelve-month amount. The current listing shows $211.9 million with significant changes in awarded funding from prior periods including:
   Increases from Head Start 0-5 going from 12 months to 18 months - $30,478,612; Energy Services additional 2021 LIHEAP and CARES funds - $9,407,079; new COVID Equity - $2,560,671; new 2021 CSBG - $1,911,934; new Advance Peace - $1,141,000; new DAWN - $1,000,000; new LGBTQ Sierra Health Foundation - $1,000,000

8. NON-COMPETITIVE PROCUREMENT
   A. Non-Competitive Procurement

Rodriguez presented the Non-Competitive Procurement. A school bus was purchased through Creative Bus Sales using funding received from the No Kids Hungry Campaign “Share Our Strength”. The bus is being retrofitted and not yet in operation, but will be used to deliver meals to low-income youth ages 18 and under in rural communities of Fresno County. An art contest to decorate the bus will be held.

Public comment: None heard

9. HEALTH INSURANCE REPORT
   A. Health Insurance Report

Warnes, Assistant Finance Director, presented the Health Insurance Report as of December 31, 2020. Warnes reported the ending fund balance is $3,912,474, which is an increase of $1 million. Premium increases are generally made annually of around 4-5% due to rising health care costs. Expenses include $6.2 million in health claims and almost $2.0 million in prescription claims. Garabedian noted that the reserve has now stabilized at the desired level.
10. **INVESTMENT REPORT**
   A. Investment Report

Warnes presented the Investment Report as of December 31, 2020. Total investments are $4.1 million with the majority being invested in CDs. We are investing in short-term CDs due to the lower investment rates of return currently available. By keeping shorter investment terms, we will be better positioned to invest in higher rates as they become available.

Background

The information presented below is intended to keep the Board apprised on the status of the work performed for the Quality Improvement Plan in response to the receipt of the Focus Area 2 monitoring review report for the Head Start 0-5 program.

U.S. Department of Health and Human Services (HHS) – Administration for Children and Families (ACF) Head Start conducted a follow-up review on the Focus Area 2 monitoring during the week of October 15-18, 2019. A quality improvement plan (QIP) was submitted to HHS for the three noted deficiencies involving the facilities cost associated with the 1900/1920 Mariposa Mall property, commonly referred to as Fresno Executive Plaza (FEP), and the reporting of Federal Interest therein. The three areas cited are internal control, budget, and facility reporting.

The corrective action period for the QIP ended February 28, 2021.

The following actions have occurred since the QIP was presented:

- Payment of $1,941,814 was remitted to HHS to remove the Federal Interest within the 1920 FEP building.
- Based on additional guidance received from Region IX, additional updates were made to the Accounting Policies & Procedures manual, as approved at the February executive committee and board meetings.
- Training has been provided on the newly approved policy and procedures which have also been implemented and monitored.
- HHS notified us on February 25, 2021 that they will perform a virtual follow-up monitoring review to assess correction of the deficiencies. This review took place from Wednesday, March 3, 2021 to Thursday, March 4, 2021.
Background

The information presented below is intended to keep the Committee appraised on any procurements made through a non-competitive procurement process.

In accordance with the Accounting Policies and Procedures Manual, Noncompetitive Procurements are “special purchasing circumstances, in which competitive bids are not obtained. Noncompetitive procurement (purchases and contracts) are only permissible in the following circumstances (2 CFR 200.320 [f]):

- An emergency exists that does not permit delay,
- Only one source of supply is available,
- If the awarding agency expressly authorizes noncompetitive proposals in response to a written request from the Agency,
- Or after solicitation of a number of sources, competition is determined to be inadequate.

The key requirement for the use of noncompetitive procurement is that the other methods of procurement are not feasible and one of the above circumstances exists.” A report on the non-competitive procurement awards is to be made to the Board of Commissioners.

Recommended Action

Audit Committee recommends approval for full Board consideration the updated Internal Audit Policies and Procedures.

Background

Periodic updates to the Internal Audit Policies and Procedures manual are required to reflect changes in requirements, regulations, and best practices. This document was drafted in accordance with The Institute of Internal Auditors’ (IIA) International Professional Practices Framework (IPPF) Performance Standard 2040, which states that the “chief audit executive must establish policies and procedures to guide the internal audit activity.”

The Internal Audit Policies and Procedures manual is updated as needed. The current changes to the manual reflect the change of daily supervision from Chief Executive Officer to Chief Financial Officer.

Fiscal Impact

None

Conclusion

If approved by the Board, Internal Audit will finalize the Internal Audit Policies and Procedures Manual.

1. ORGANIZATION AND POLICY

1.1 PURPOSE

This document establishes the official policies and procedures for the Internal Audit Office within the Fresno Economic Opportunities Commission (Fresno EOC). It explains the purpose, authority and responsibility of the internal audit function, and the duties of the Internal Audit Office.

1.2 MISSION

The mission of the Internal Audit Office is to provide quality audit services in an independent, objective manner to assure financial and operational integrity, accountability, efficiency, effectiveness, and compliance with laws and regulations and agency policies and procedures.

1.3 INDEPENDENCE

Independence is an essential element of objectivity. It is imperative that Internal Auditors maintain independence in appearance as well as in fact. Independence could be compromised if Internal Auditors participate directly in the development, installation, preparation or reconstruction of accounting systems, data, or records, or by engaging in activities that would normally be reviewed by Internal Auditors. Thus, Internal Auditors will serve only in an advisory capacity in performing their engagements.

To provide for independence, the Internal Audit Director will communicate and interact directly with the Chief Financial Executive Officer for daily supervision and the Audit Committee, a sub-committee of the Board of Commissioners for direction. The Internal Audit Director will confirm to the Board, at least annually, the organizational independence of the internal audit activity.

1.4 RESPONSIBILITY

The Internal Audit Office has responsibility to:

- Develop a flexible, risk-based annual plan of Internal Audit Office work.
- Implement the approved annual audit plan.
- Evaluate governance and risk management related to operations at Fresno EOC consistent with Internal Audit Policies and Procedures and with the approved Annual Audit Plan. This may include evaluating significant new or changing services, processes, operations, and control processes coincident with their development, implementation, and/or expansion.
- Report significant issues related to governance and risk management related to operations at Fresno EOC, including potential improvements, and provide information concerning such issues all the way through to resolution.
- Maintain a professional Internal Audit staff with sufficient knowledge, skills, and other competencies to meet the requirements of the policies and procedures stated in this document.
- Periodically provide information to the Chief Financial Executive Officer and Audit Committee on Internal Audit Office activities and results relative to the Annual Audit Plan, as well as the sufficiency of the Internal Audit Office resources.
- Inform the Chief Financial Executive Officer and Audit Committee of significant emerging trends and successful practices in Internal Auditing.
• Report the most critical issues to the Audit Committee, along with management’s progress toward resolving them. Critical issues typically have a reasonable likelihood of causing substantial financial or reputation damage to Fresno EOC. For complex issues, the responsible manager may participate in the discussion. Such reporting is critical to ensure the function is respected, that the proper “tone at the top” exists in the organization, and to expedite resolution of such issues.

Opportunities for improving Fresno EOC operations may be identified by the Internal Audit Office. They will be communicated to the appropriate levels of management.

Internal Audit has no direct responsibility or any authority over any of the activities or operations it reviews. Internal Audit is a managerial control that functions by measuring and evaluating the effectiveness of other controls. Management is not relieved of any assigned responsibilities because Internal Auditors perform the evaluative reviews with which they have been charged.

1.5 AUDIT PLAN

The Internal Audit Office has responsibility to develop a flexible, risk-based annual plan of work, considering the input of management, and submit that plan and significant interim changes to the Chief Executive Officer and Audit Committee for review and approval. The plan should include but not be limited to the following items:

• Compliance audits
• Performance reviews
• Unannounced audits
• External audit assistance
• Fraud, waste, and abuse investigations

In order to determine a list of appropriate audits for the year, the Internal Audit Office begins by identifying possible audits. These items are then evaluated for the risks and possible benefits that are associated with each one. Priority is then given to higher-risk and higher-benefit projects, required audits, and Board requests, subject to the skills and resources of the Internal Audit Office.

1.6 SCOPE

The scope of internal auditing encompasses the examination and evaluation of the adequacy and effectiveness of the organization's system of internal control and the quality of performance in carrying out assigned responsibilities. This enables the Internal Audit Office to determine whether the agency’s risk management, control, and governance processes, as designed and represented by management, are adequate and functioning in a manner to ensure:

• Risks are appropriately identified and managed.
• Financial, managerial, and operating information is accurate, reliable, and timely.
• Employee’s actions are in compliance with policies, standards, procedures, and applicable laws and regulations.
• Agency assets are acquired economically, used efficiently, and adequately protected.
• Programs, plans, and objectives are achieved.
• Recommendations for improving management control, accountability shall be made to the appropriate level of management.

Internal Audit functions in an advisory capacity; it does not have authority to make operating decisions or to direct anyone to take action.
1.7 AUTHORITY

Management of the Internal Audit Office is authorized to:

- Have unrestricted access to all programs, records, property, and personnel as needed.
- Allocate resources, set frequencies, select subjects, determine scopes of work, and apply the techniques required to fulfill its mission and responsibilities.
- Obtain the necessary assistance of personnel in Fresno EOC programs when needed.

Management and staff of the Internal Audit Office are NOT authorized to:

- Perform any operational duties for Fresno EOC.
- Make management decisions external to the Internal Audit Office. Fresno EOC Directors and management have primary responsibility for control of Fresno EOC.
- Initiate or approve fiscal transactions external to the Internal Audit Office.
- Direct the activities of any Fresno EOC employee not employed by the Internal Audit Office, except to the extent such employees have been appropriately assigned to auditing teams or to otherwise assist the Internal Auditors.

1.8 STANDARDS OF AUDIT PRACTICE

The Internal Audit Office is guided by Fresno EOC’s Code of Ethics and upholds the Code of Ethics promulgated by the Institute of Internal Auditors. A code of ethics is necessary and appropriate for the profession of internal auditing as it is founded on the trust placed in its objective assurance about risk management, control, and governance.

A. CODE OF ETHICS - PRINCIPLES

Internal Auditors are expected to apply and uphold the following principles:

1. **Integrity**

   The integrity of internal auditors establishes trust and thus provides the basis for reliance on their judgment.

2. **Objectivity**

   Internal auditors exhibit the highest level of professional objectivity in gathering, evaluating, and communicating information about the activity or process being examine. Internal auditors make a balanced assessment of all the relevant circumstances and are not unduly influenced by their own interest or by other in forming judgments.

3. **Confidentiality**

   Internal auditors respect the value and ownership of information they receive and do not disclose information without appropriate authority unless there is a legal or professional obligation to do so.

4. **Competency**
Internal auditors apply the knowledge, skills, and experience needed in the performance of internal audit services.

B. RULES OF CONDUCT

1. Integrity

Internal Auditors shall:

   a. Perform their work with honesty, diligence, and responsibility.
   b. Observe the law and make disclosures expected by the law and the profession.
   c. Not knowingly be a party to any illegal activity, or engage in acts that are discreditable to the profession of internal auditing or to the organization.

   e. Respect and contribute to the legitimate and ethical objectives of the organization.

2. Objectivity

   b. Not accept anything that may impair or be presumed to impair their professional judgment.
   c. Disclose all material facts known to them that, if not disclosed, may distort the reporting of activities under review.

3. Confidentiality

Internal Auditors shall:

   a. Be prudent in the use and protection of information acquired in the course of their duties.
   b. Not use information for any personal gain or in any manner that would be contrary to the law or detrimental to the legitimate and ethical objectives of the organization.

4. Competency

Internal Auditors shall:

   a. Engage only in those services for which they have the necessary knowledge, skills, and experience.
   b. Perform internal audit services in accordance with the International Standards for the Professional Practice of Internal Auditing (Standards).
   c. Continually improve their proficiency and the effectiveness and quality of their services.
2. TYPES OF AUDIT SERVICES

The following are general descriptions of the types of services provided by the Internal Audit Office. The annual audit plan can include any combination of these types.

2.1 COMPLIANCE AUDITS

The Internal Audit Office may conduct compliance audits, which are generally performed to ensure compliance with Federal or State laws and/or requirements of grant agreements. These can include reviews of management practices and financial data to determine the extent to which a unit complies with applicable laws, government regulations and standards, contracts, and policies and procedures.

2.2 PERFORMANCE REVIEWS

The Internal Audit Office may conduct performance audits in order to provide an independent assessment of the performance of the organization, a program, or activity. Performance audits provide information to improve risk management and control systems within the various areas by evaluating compliance with policies and procedures. Performance audits include, but are not limited to, reviews of program procedures and operations to determine whether:

- Duties and responsibilities are being performed in the most efficient and economical (cost effective) manner.
- Activities are properly authorized by appropriate personnel.
- Management has the capacity to ensure compliance with applicable laws, regulations, contracts, and policies.
- Operations actually conform in all material respects to applicable laws, government regulations and standards, contracts, and policies and procedures.

2.3 UNANNOUNCED AUDITS

The Internal Audit Office may conduct unannounced audits, which are an effective way to prevent or detect fraud. These audits could include reviews of petty cash, incentive and bus tokens, cash receipts/deposits, fixed asset additions/deletions, employee verification, and operating parts and supplies inventory.

2.4 EXTERNAL AUDIT ASSISTANCE

The Internal Audit Office may provide audit assistance to the external auditors/monitors and Fresno EOC's Finance Office during any Fresno EOC external audits/monitoring visits. Internal Audit will review all resulting management letter comments to determine if there is any impact upon the annual Internal Audit Plan.

2.5 FRAUD, WASTE AND ABUSE INVESTIGATIONS

The Internal Audit Office will investigate all credible fraud, waste, and abuse tips that could affect the organization and that can be handled within the expertise of the Internal Audit staff. However, allegations of a serious criminal act (e.g., theft, robbery, assault, etc.) should be promptly reported to the appropriate officials and proper law enforcement agency. Refer to Policies and Procedures #4 Whistleblower Policy for further information.
2.6 SPECIAL REVIEWS

The Internal Audit Office may conduct special reviews, which are audit activities that result from requests to Internal Audit from the Audit Committee, the Chief Executive Financial Officer, or other management. Special reviews are carried out in conformance with the specifications and concerns of the requestor. These include reviews and analyses of particular areas of a program's operation to provide an independent appraisal of its effectiveness, efficiency, adequacy of internal control and compliance with appropriate regulations. For example, special reviews might be undertaken to consult with management on specific financial or performance questions.

2.7 REQUESTS FOR INTERNAL AUDIT SERVICES

Program Directors or Managers requiring the services of the Internal Audit Office should direct all such requests, preferably in writing, to the Chief Executive Financial Officer or Audit Committee and it will be determined whether the requested assistance can be provided and when it can be scheduled.

2.8 NON-AUDIT SERVICES

Internal audit will provide non-audit services upon request. Non-audit services are services other than audits or attestation engagements, including but not limited to providing analysis, research, and review. In order to maintain independence, non-audit services to the extent practicable will not include operational duties.
3. METHOD OF OPERATION AND DOCUMENTATION

The Internal Audit Office plans to use the following procedures when conducting most reviews/audits. However, performing all steps for every review/audit would be impractical; for instance, audit reports will not be issued for reviews that are performed weekly. The practicality of performing all steps will be determined by the Internal Audit Director.

3.1 WORKING PAPERS

The Internal Audit Office must document relevant information (on paper or in electronic format) to support the conclusions and results of engagements; therefore, Internal Auditors will prepare working papers whenever an engagement is being conducted. Working papers document the information obtained, the analyses made, and the support for the conclusion and engagement results. Internal Audit management reviews the prepared working papers. Engagement working papers generally:

- Aid in the planning, performance, and review of engagements.
- Provide the principal support for engagement results.
- Document whether engagement objectives were achieved.
- Support the accuracy and completeness of the work performed.
- Provide a basis for the Internal Audit activity's quality assurance and improvement program.
- Facilitate third-party reviews.

The organization, design, and content of engagement working papers depend on the engagement's nature and objectives and the organization's needs. The Internal Audit Office must maintain a good system of filing/indexing for working papers, so that they can be easily located if needed.

3.2 AUDIT REPORT

Upon completion of fieldwork, Internal Audit will prepare an original draft of the audit report. The report will communicate to management of the program audited, in a clear and concise manner, the results of the audit or review. The format of the report will depend upon the type of audit performed. When preparing and completing the Audit Report, the Internal Audit Office will follow the steps listed below:

- The Internal Audit Office will review the original draft and make any changes deemed appropriate.
- A copy of the resulting draft normally will be submitted to appropriate management (usually management of the program that was audited).
- Internal Audit and appropriate management may hold a conference to discuss the draft report. Changes to the draft report may result from this "exit" conference. In some instances, holding an "exit" conference may not be possible or may not be an efficient use of time. In these cases, management will be responsible for contacting the Internal Audit Office with any questions, comments, or concerns that they may have.
- Official written responses to specific audit report recommendations will be requested from appropriate management to be included in the final and issued version of the report. The responses should include the degree of agreement or acceptance of each recommendation. The preferred responses are:
  - "We concur." Management is in full agreement with the recommendation;
  - "We partially concur." Management is in agreement with a portion of the recommendation;
“We concur with reservations.” Management is in agreement with the recommendation, but there are circumstances that could affect its implementation which have to be resolved; and
“We do not concur.” Management is in total disagreement with the recommendation.
- Management is encouraged to provide an explanation in support of the positions taken, if considered necessary.
- Responses should be accompanied by a target implementation date and the individual or position responsible for implementation.

Two weeks are usually allowed for management to provide written responses to the recommendations. If management does not appear to make a good faith effort to provide responses, the final version of the report may be issued without responses at the discretion of the Internal Audit Office.

3.3 AUDIT REPORT DISTRIBUTION

The normal report distribution will be to the Audit Committee (at the next meeting), the Chief Executive Financial Officer, and senior program management. Any other programs or other entities identified in the report may be included in the distribution.

3.4 AUDIT FOLLOW-UP

Within twelve months after the issuance of an audit report, the Internal Audit Office shall initiate a follow-up review to determine the extent of actions subsequently taken by management in response to the findings and recommendations included in the report. The distribution of the follow-up report shall be the same as that of the original report.

3.5 RECORDS DISPOSITION

The Internal Audit Office shall retain for the required number of years a complete file of each audit report and each report of other examinations, investigations, surveys, and reviews made under its authority in accordance with any applicable Federal and/or contract regulations. The file should include audit working papers and other supportive material directly pertaining to the report. Files which contain confidential personnel information will be kept secure.
4. WHISTLEBLOWER POLICY

This policy governs reporting and investigation of allegations of suspected improper activities. Acts of fraud, waste, and abuse are considered a deliberate act or failure to act with the intention of obtaining an unauthorized benefit. Examples of such conduct include, but are not limited to:

- Forgery or alteration of documents;
- Unauthorized alteration or manipulation of computer files;
- Fraudulent financial reporting;
- Pursuit of a benefit or advantage in violation of Fresno EOC’s Policies and Procedures;
- Misappropriation or misuse of Fresno EOC’s resources, such as funds, supplies, or other assets;
- Authorizing or receiving compensation for goods not received or services not performed; and
- Authorizing or receiving compensation for hours not worked

4.1 OBJECTIVE

Fresno Economic Opportunities Commission (Fresno EOC) is committed to operating in compliance with all applicable laws, rules, and regulations, including those concerning accounting and auditing, and prohibits fraudulent practices by any of its board members, officers, or employees. This policy serves to outline procedures for employees to report actions that an employee reasonably believes violate a law or regulation or that constitutes fraud. This policy applies to any matter which is related to Fresno EOC’s business. In addition, it is the objective of Fresno EOC to establish a policy that protects any person reporting organizational wrongdoing, from retaliation, harassment, or adverse employment consequences.

4.2 REPORTING AND RESPONSIBILITY

Each employee of Fresno EOC has an obligation to report in accordance with this Whistleblower Policy any act believed to violate a law or regulation or constitute fraud.

4.3 ACTING IN GOOD FAITH

Anyone reporting a concern must act in good faith and have reasonable grounds for believing the information reported indicates a violation of the law, or constitutes an inappropriate accounting or financial practice. The act of making allegations that prove to be unsubstantiated, and that prove to have been made maliciously, recklessly, or with the foreknowledge that the allegations are false, will be viewed as a serious disciplinary offense and may result in discipline, up to and including termination of employment.

4.4 REPORTING CONCERNS

Fresno EOC employees with any concerns or information pertaining to fraud, waste, or abuse are encouraged to speak with someone who can address their concerns properly. In most cases, their supervisor is in the best position to address a concern. However, if the employee is not comfortable speaking with the supervisor about the concern, the employee is encouraged to speak with someone in Internal Audit, Human Resources, or anyone in management with whom they are comfortable approaching. Supervisors and managers MUST report suspected concerns to any/all of the following: Audit Committee Chair, Chief Executive Officer, Chief Financial Officer, or the Internal Audit Office. However, allegations of a serious criminal nature or allegations determined to be beyond the scope of Internal Audit will be forwarded to the proper law enforcement agencies or appropriate Fresno EOC
authority for investigation. The California State Attorney General’s Whistleblower Hotline is also available to employees who may not feel comfortable contacting Internal Audit or a member of management directly.

4.6 NO RETALIATION

This Whistleblower Policy is intended to encourage and enable employees to raise concerns within the organization for investigation and appropriate action. With this goal in mind, no employee who, in good faith, reports a concern shall be subject to retaliation or adverse employment consequences related to whistleblower complaints.

Moreover, an employee who retaliates against someone who has reported a concern in good faith is subject to discipline, up to and including termination of employment.

4.7 CONFIDENTIALITY

All reports on concerns, and investigations pertaining thereto, shall be kept confidential to the extent practical. Fixed Assets Inventory

**Frequency:** Biennially

Once every two years, all fixed assets should be observed. The observation ensures that recorded assets exist, that fixed assets which have been disposed of get removed from the fixed asset system, and that any unrecorded assets get entered into the fixed asset system.

The Internal Audit Office will obtain the fixed asset inventory listing from Financial Edge prior to observing fixed assets. The fixed asset inventory list includes information about the fixed assets such as location, description, tag number, date of acquisition, cost, and last date of observation. The location, description, and tag number on the inventory list is then matched to the physical asset, and any differences are noted.

After an asset is observed, the fixed asset system is updated to reflect this. The Internal Auditor will note the date and location where the asset was observed and provide that information to the Finance Office who will then update the information in Financial Edge. Additionally, any changes to fixed assets will also be updated in Financial Edge at this time, such as a change in location. For any assets that cannot be observed/located, a follow-up review and inquiry should be performed to determine if there is a reasonable explanation for the lack of observation, such as disposal of the asset. Any findings will be reported in a memo to the Internal Audit Director, Financial OfficerFinance Director, or Chief ExecutiveFinancial Officer.

Accounts Payable Review

**Frequency:** Annually or as needed

A review of accounts payable should be completed annually, provided that there is adequate staffing, time, and resources. Formal steps listed in Policy and Procedures 3.1-3.5 are followed.

Working papers are completed in order to record the processes and documents that are reviewed.

**Information Systems Audits**

**Frequency:** As needed

The Internal Audit Office may conduct information systems audits, which determine whether existing or new computer applications and hardware function in an accurate and efficient manner, and include adequate internal controls. These audits could include reviews of general controls which affect all computer applications. Examples include: computer security, disaster recovery, program change controls, and quality control procedures.

**5.3 UNANNOUNCED AUDITS**

The petty cash review consists of counting cash and ensuring that receipts are retained and expenditures are appropriate. In addition to counting and documenting the amount of petty cash, the Internal Auditor will keep a record of all receipts on hand making sure to include the amount, date, and location where the petty cash was spent. After the petty cash form is filled out completely, signatures from both the Internal Auditor and custodian are required.

After all petty cash counts are completed, the petty cash forms are reviewed for any significant findings. Findings include a large variance between the cash counted and the amount recorded in the general ledger, missing receipts, cash not being kept in a secure location, or any other item the Internal Auditor deems significant. The ballots for each target area will be counted twice; the second count will be performed by someone other than the person who performed the first count. Once ballots for all target areas have been counted twice, the results of the two counts will be compared to ensure that they match. - Once all ballots have been separated, the ballots will be tallied by hand. The count will be recorded on tally sheets.
- A ballot will be voided if the voter intent is not clear or if too many candidates have been selected for an office.

**Recommended Action**

Audit Committee recommends approval for full Board consideration of the 2021 Annual Internal Audit Plan.

**Background**

Article X, Sec.3 of Fresno EOC Bylaws states “… the Audit Committee shall oversee the internal audit department and have such other powers and perform such other duties as the Board may specify from time to time.” The Internal Audit office has drafted the Fiscal Year 2021 Audit Plan. This Plan is drafted in accordance with The Institute of Internal Auditors’ (IIA) International Professional Practices Framework (IPPF) Performance Standard 2010, which states that the “chief audit executive must establish risk-based plans to determine the priorities of the internal audit activity, consistent with the organization’s goals.” Additionally, Performance Standard 2020 states that the “chief audit executive must communicate the internal audit activity’s plans and resource requirements, including significant interim changes, to senior management and the board for review and approval. The chief audit executive must also communicate the impact of resource limitations.”

Audit management has the responsibility of determining where to best use our limited audit resources. An audit plan is a means to identify activities that have a higher risk and should be audited more intensely. The attached document reflects the plans of internal audit for fiscal year 2021 based on the current risk assessment, staffing, and goals. These plans may be adjusted for any changes in these criteria as they arise.

Key highlights include implementing Internal Audit Procedures and Reviews presented by Hudson Henderson & Company, Inc. regarding areas of noncompliance identified by the Office of Head Start Program Performance Report issued in January 2020. The internal audit plan will include review of new Internal Audit procedures, focusing compliance on Facility Cost Allocation, Federal Interest Calculations, and FEP Fixed Asset Listing review. There is also a follow-up review scheduled for Transit Services. Additionally, the Internal Audit plan will conduct spot checks on: Space utilization on federally-funded programs, cash handling and deposits, and petty cash monitoring.
Fiscal Impact

Indirect cost/administrative funding supports the mission of internal audit offices to provide operational and administrative assurances for the agency.

Conclusion

If approved by the Board, Internal Audit will follow the Internal Audit Plan for 2021.

RE: Single Audit Act Requirement for Program Year Ending 2019

Dear Mr. Rodriguez:

On January 8, 2021, the Fresno Regional Workforce Development Board received the Audit Report issued by Kaku & Mersino, LLP Certified Public Accountants for Fresno Economic Opportunities Commission covering the period of January 1, 2019 through December 31, 2019.

Because we subcontracted federal funds to your agency, we have the responsibility to review and resolve audit reports and resolve findings that relate to our funds.

This audit meets the requirements of the Office of Management and Budget under Title II US Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Costs Principles, and Audit Requirements for Federal Awards.

There were no findings pertaining to our Workforce Innovation Opportunity Act (WIOA) agreements.

This audit is closed with respect to our WIOA agreements. It will not be necessary for you to respond to this letter, however, you should retain it in your files as supporting documentation.

Any issues raised through program or fiscal monitoring, special reviews or other means will be resolved separately from this audit.

Furthermore, your agency is required to retain all records for a period of three (3) years from the date of final payments under our WIOA agreements, including this letter, and until all audits are complete and findings on all claims have been satisfactorily resolved.
If you have any questions, please call Homer O. Sales, Auditor/Monitor, at (559) 490-7170.

MEMORANDUM

TO: Emilia Reyes, CEO
   Fresno EOC Bylaws Committee

FROM: Kenneth J. Price

DATE: March 16, 2021

RE: Updated Bylaws Draft

On February 17, 2021, the Fresno EOC Bylaws Committee met to discuss the latest version of the draft agency Bylaws. Based upon this discussion, I made several revisions to the document (in redline) for your consideration.

I am also attaching with this memorandum, a significantly revised version of the agency's Articles of Incorporation. As you may recall, the Articles had not been revised in 1965. This version contains the various elements that modern Articles typically have. Please note that I revised the specific purposes of the agency exactly the same way in both the Articles and Bylaws and would like for the committee to spend some time addressing these purposes for possible additional revision.

For our discussion, I am calling out a few of the more significant revisions in the Bylaws:

Article II – Purposes: As mentioned, I made several revisions to the agency's purposes without the benefit of input from the Committee. This language can be revised to better capture the purposes of the agency.

Article VI – Selection of Commissioners:

- This draft requires that prior to appointment, all Public Sector Commissioners complete an application adopted by the Board of Commissioners. There are certain new very general qualifications specified under Section A that appointees should meet. However, EOC might think about only seating applicants who complete an application detailing the EOC's appointment requirements. The statute is silent on whether or not a CAA has authority to reject a Public Sector appointment. Note that guidance merely states, that local agency officials should ensure that the nature and number of public officials serving on each agency board supports and promotes the goals of addressing poverty and fostering close coordination and partnerships between the CAA and appointing agencies.
- The statute is silent on term limits. I would like some guidance on whether or not such an idea has support. CSBG guidance states that many agencies find term limits helpful to keep boards "revitalized and current."

- Note change to Community Sector appointments. These appointments must be of an employee of the Community Sector organization or someone with a current and sustained relationship with the organization.

Article VII – Please review the language regarding excessive absences. Also, please note the one-year moratorium on employment of commissioners.

Article X – Please note the consolidation of standing committees per our discussions.

I am happy to discuss any additional questions that you might have during the ad hoc committee meeting.

However, guidance says that many CAAs “find term limits helpful to keep boards revitalized and current.” Should the bylaws impose such a requirement. Current board members could be grandfathered in for the purposes of term commencement.

B. Grounds for Removal by the Board. The Board may remove a Commissioner from the Board or, can be removed from the Board, any Committee and from any office for the following reasons:

Commented [KJP3]: this would trigger mandatory Brown Act compliance – just a note.
1. Incapacity. The Board may remove a Commissioner, if in the opinion of the Board, the Commissioner is incapacitated or otherwise unable to carry out the duties of his or her office. The term incapacity shall also include a declaration of unsound mind by a final court order or conviction of a felony.

i. violation of the Corporation’s articles of incorporation, or bylaws, or conflict of interest policy, or Board resolutions or other policies,
   
ii. repeated disruptions of Board or Committee meetings,
   
iii. false statements on documents completed in connection with service as a Commissioner or Officer of the Corporation,
   
iv. fraudulent or dishonest acts or gross abuse of authority or gross abuse of discretion with reference to or negatively reflecting upon the Corporation’s programs or mission,
   
v. a Target Area Commissioner moving outside of their Target Area, or
   
vi. a Community Sector Organization that nominated the Commissioner ceases to exist or operate within Fresno County.

Section 5. Conflicts of Interest

Subject to the articles of incorporation, bylaws and any applicable law, the Board shall adopt and implement a conflict of interest policy covering the Corporation’s Commissioners, Officers and such employees and other persons as may be specified in the policy. The conflict of interest policy shall comply with California Government Code sections 1090 and 87100 et seq., and Head Start regulations.
Start or Early Head Start programs. For this purpose, the term “immediate family member” means: a spouse, parents and grandparents, children and grandchildren, brothers and sisters, mother-in-law.
and father-in-law, brothers-in-law and sisters-in-law, and adopted and step family members. Commissioners who are federal employees are prohibited from serving in any capacity that would require them to act as an agent of or attorney for the organization in its dealings with any federal government departments or agencies.

Commissioners shall disclose in writing to the Secretary all relationships described in this section, not later than ten (10) days after becoming aware of any relevant conflict of interest.

Section 6. Compensation of Commissioners

Commissioners may not receive compensation for serving on the Board or for providing services to the organization Corporation. However, they may receive reimbursement (or advances, in the case of low-income sector Commissioners) from the organization Corporation for reasonable and documented expenses incurred in the course of performing services as Commissioners. To the extent the organization Corporation makes any such reimbursements or advances, it shall do so only in accordance with financial policies established from time-to-time by the Board.

Section 7. Employment of Commissioners

Likewise, no person who was a Commissioner, as an individual or executive of another organization, may contract with the Agency for a period of one year after term or period of services as a Commissioner has terminated. A member of an advisory board of the Commission shall be ineligible to accept employment until three (3) months after terminating the term or period of service on any advisory board. However, any individual falling below the California or federal poverty guideline is automatically exempt from the above "waiting period" requirement, but must resign from the Commission or advisory board at the time of acceptance of employment and such employment does not violate California or federal conflicts of interest law.

ARTICLE VIII. MEETINGS

Section 1. Annual Meeting

The annual meeting of the Board shall be held during the month of January each year, subject to postponement by the Board. The purposes of the annual meeting are to elect officers and to transact such other business as may come before the meeting. If the annual meeting is postponed, a special meeting may be held in its place, and any business transacted shall have the same force and effect as if transacted at the annual meeting.

Section 2. Regular Meetings

Meetings shall be scheduled for the convenience of Commission members and the public. The regular meeting schedule will be adopted periodically by the Board but not less than once per year. Regular meetings of the Board shall be held at least ten (10) times per year, generally on the fourth Wednesday of each month. At any regular meeting the agenda shall provide an opportunity for any person to present discussion regarding any matter of public interest that is within the subject matter jurisdiction of the Agency.

Section 3. Open Meetings Closed Session

All Board and standing committee meetings will comply with the Ralph M. Brown Act (Government Code section 54950 *et seq.*). As part of such Brown Act compliance, the Board at all meetings shall provide an opportunity for the public to comment on any action or information item before the Board as well as public comment period for matters properly within the subject matter jurisdiction of the Corporation that is not otherwise on the agenda. Additionally, the Board may from time-to-time convene and take action in closed session so long as expressly authorized under the Brown Act.

As permitted by law, upon an approved motion of the Board, the Board may enter closed session to discuss and vote on issues that are considered confidential.
Section 4. Notice

Written notice of the time, date, location and agenda of each meeting of the Board shall be given to each Commissioner and made available to the public at least 72 hours before regular meetings or 24 hours before a special meeting. Commissioners must protest the lack of notice before the beginning of the meeting. Lack of notice does not preclude the Board from bringing up and/or taking action on items during the meeting, except as provided by law.

Section 5. Quorum

A majority of the number of Commissioners authorized pursuant to these bylaws constitutes a quorum of the Board for the transaction of business. A quorum or its absence shall be determined at the beginning of all meetings. For Board committee meetings, a quorum shall be 50% of the members of the Committee. The Board Chair’s presence shall count towards the establishment of a quorum. Should a meeting not meet quorum requirements or lose the quorum at some point during the meeting, the meeting may proceed with informational items, however no action other than adjournment may be taken.

Section 6. Voting and Action by the Board

Unless a greater number is required by the organization’s articles of incorporation, these bylaws, policies and procedures or by law, the act of a majority of the Commissioners at any meeting at which a quorum is present shall be an act of the Board. Each Commissioner shall have one vote (provided that he or she is not prohibited from voting on a particular matter due to a conflict of interest). Votes by proxy are prohibited.

Section 7. Parliamentary Procedure

Where necessary and in matters not covered by these bylaws, Robert’s Rules of Order, Newly Revised, shall serve as a guide to proper procedure (but need not be followed strictly for valid action) at meetings of the Board and its Committees.

Section 8. Participation by Conference Telephone, Electronic Video Screen Communication or Electronic Transmission

Any Board member’s participation in any meeting via electronic means shall comply with the Brown Act’s limitations on technological conferences, as may be modified by Executive Order.

Members of the Board may participate in a meeting through use of conference telephone, electronic video screen communication or electronic transmission. Participation in a meeting through use of conference telephone or electronic video screen communication pursuant to this section constitutes presence in person at that meeting as long as all members participating in the meeting are able to hear one another, including members of the public. Participation in a meeting through use of electronic transmission by and to the organization, other than conference telephone and electronic video screen communication, pursuant to this subdivision constitutes presence in person at that meeting if both of the following apply:

A. Each member participating in the meeting can communicate with all of the other members concurrently.

2753172v1 / 22466.0002
B. Each member is provided the means of participating in all matters before the Board, including, without limitation, the capacity to propose, or to interpose an objection to, a specific action to be taken by the organization.
If the commission goes into closed session during the meeting, any Commissioner appearing by electronic communication cannot participate in said closed session, due to the inability to insure the confidentiality of the proceedings.

**Section 9. Action without a Meeting**

No action by the Board may be taken without a meeting. An action required or permitted to be taken by the Board may be taken without a meeting, if all members of the Board shall individually or collectively consent in writing to that action. The written consent or consents shall be filed with the minutes of the proceedings of the Board. The action by written consent shall have the same force and effect as a unanimous vote of the Commissioners.

**Section 10. Special Meetings**

Special meetings may be called by the Chair or upon the written and signed request of ten (10) or more Commissioners, dated and specifying the items of business. Notice of any special meeting shall be given to each Commissioner and posted to the public at least twenty four (24) hours in advance of such meeting and shall specify the purpose of the meeting. No other business shall be transacted except the agenda items described in the notification.

**Section 11. Adjourned Meeting**

Any Commission meeting, annual or special whether or not a quorum is present, may be adjourned from time to time by the vote of the majority of the Commissioners represented at the meeting; but in the absence of a quorum, no other business may be transacted at that meeting, except as provided in this Article.

**ARTICLE IX. OFFICERS**

The officers of the Commission shall consist of a Chair, First-Vice Chair, Second Vice Chair, Secretary, and Treasurer, all of whom shall be elected from the members of the Commission with the exception that the CEO shall be appointed to serve as Secretary. Such officers shall be elected to serve until the next annual meeting of the Commission or until their successors shall have been elected and qualify. No Commissioner shall hold more than one office at the same time.

**Section 1. Duties of Officers**

The duties and powers of the officers shall be as follows or as shall be set hereafter by resolution or policy of the Board of Commissioners:

The Chair may vote on any matter before the Commission. The Chair shall be counted to determine the existence of a quorum.

- **B. First-Vice Chair and Second Vice Chair.** In the absence of the Chair or the Chair’s inability or refusal to act, the First-Vice Chair and Second Vice Chair as alternate, shall perform the duties of the Chair and shall perform such other duties as the Commission may, from time to time, designate.
C. Secretary. The Commission shall appoint the Chief Executive Officer, who shall serve as the Chief Administrative Officer and as Secretary to the Commission. The secretary shall be responsible for the recording and maintenance of records of all proceedings of the Board. This shall include the attendance of Commissioners at meetings, record of votes of all motions of all meetings of the Commission, and all Commission Committees. These records shall be kept in electronic or print files which shall be kept at the principal office of the Commission. The records shall be open at all reasonable times to the inspection of any Commissioner. Such files shall also contain the Commission’s articles of incorporation and bylaws (as well as any amendments thereto) and the names of all Commissioners and the address of each. The secretary or his or her delegate shall give all notices that may be required by law or by these bylaws. The secretary shall perform such other duties and have such other powers as the commissioners shall determine from time to time.

D. Treasurer. The treasurer shall: (1) oversee the organization’s financial management practices, subject to the direction and control of the Board; (2) ensure that the Commissioners understand the financial situation of the organization (including ensuring that financial statements for each month are available for each meeting of the Board of Commissioners and are kept on file at the organization’s principal office); (3) serve as Chair of the Finance Committee; (4) serve as an Authorized Check Signatory when the Chair is unavailable; and (5) perform such other duties and have such other powers as the Board of Commissioners may determine from time to time.

Section 2. Delegation of Duties

An officer may delegate the specific duties set forth above to another individual or receive assistance from another individual in performing such duties, so long as the Officer retains oversight and review of the work of the other individual and the records and documents prepared and distributed by that individual.

Section 3. Election

The Officers shall be elected each year by the Board at the Board’s annual meeting. In the event that any or all of the Officers are not elected at the annual meeting, they may be elected at a subsequent Board meeting. Other Officers may be elected from time to time by the Board. The Board may from time to-time adopt a Board elections policy providing for the procedures and implementation of Board elections.

Section 4. Term of Office

Each Officer shall hold office until the next annual meeting and until his or her successor is elected and qualified or until the Officer sooner dies, resigns, is removed or becomes disqualified.

Section 5. Removal of Officers

Any Commissioner can bring forth to the Bylaws Committee a recommendation for removal of an Officer to be heard by the Bylaws Committee. Removal of Officers shall follow the procedure in Article VII, Section 4.

Section 5. Resignation of Officers

An Officer may resign by delivering his or her written resignation to the Chair, to a meeting of the Commissioners or to the Secretary. The Board Chair may relinquish their position as Chair by...
notifying the Board or Secretary in writing. Such resignation shall be effective upon receipt unless specified to be effective at some other time.

Section 6. Vacancies

The Board should promptly fill vacancies in the Officer positions, either at a regular meeting or at a special meeting called for that purpose. Each successor shall hold office for the unexpired term of his or her predecessor or until the successor sooner dies, resigns, is removed or becomes disqualified.

Section 8. Chief Executive Officer

The Board shall appoint and employ a Chief Executive Officer who, subject to the Board's direction and control, shall: manage the day-to-day affairs of the Corporation; implement goals and policies established by the Board; report on and advise the Board and its Committees concerning the affairs and activities of the Corporation; and prepare an annual administrative budget for the approval of the Commission.

In addition, the Chief Executive Officer shall perform such other duties and have such other powers as the Board may determine from time to time. The Chief Executive Officer shall attend meetings of the Board and may attend meetings of its Committees.

The Board shall evaluate the Chief Executive Officer and set his/her compensation on an annual basis. The Board may remove the Chief Executive Officer at any time with or without cause. Removal without cause shall be without prejudice to the Chief Executive Officer's contract rights, if any, and the appointment of the Chief Executive Officer shall not itself create contract rights.

The Chief Executive Officer and all employed staff charged with the handling of Commission funds shall post with the Commission at the Corporation's expense a fidelity bond in an amount approved by the Commission.

ARTICLE X. COMMITTEES

The Board may establish one or more Committees (standing and/or ad hoc) and may delegate to any such Committee or Committees any or all of its powers, except the powers specified in section 5212 of the California Corporations Code. Any Committee to which the powers of the Commissioners are delegated shall consist solely of Commissioners and shall, to the extent possible, reflect the Tripartite composition of the full Board. Committee members and Chairs shall be appointed by the Board Chair and be approved by the Board and shall serve at the pleasure of the Board.

Each Committee shall keep a record of its actions and proceedings and, when required by the Board, shall make a report of those actions and proceedings to the Board. Unless the commissioners otherwise designate, Committees shall conduct their affairs in the same manner as is provided in these Bylaws for the conduct of the affairs of the Board of Commissioners, with such changes in the context of such provisions as are necessary to substitute the Committee and its members for the Board and its members; provided, however, that the time of regular meetings of Committees may be determined either by resolution of the Board or by resolution of the Committee, and that special meetings of a Committee may also be called by resolution of the Board. A quorum for any meeting shall be 50 percent of that Committee. The Board may adopt rules for the governance of any Committee not inconsistent with the provisions of these bylaws. Each standing Committee shall comply with the Brown Act.

No later than the time the organization Corporation gives its annual report, if any, to the Commissioners, and in any event no later than 120 days after the close of the organization Corporation's fiscal year, the organization Corporation shall prepare and mail or deliver to each Commissioner a statement of the amount and circumstances of any transaction or indemnification of any transaction(s) in which the agency Agency, its parent or its subsidiary was a party, or in which any Commissioner or Officer had a direct or indirect financial interest.

Section 2. Fiscal Year

The fiscal year of the organization Corporation shall be fixed by resolution of the Board of Commissioners and may be changed by the Board of Commissioners.

Section 3. Execution of Instruments

Except as the Board may generally or in particular cases authorize the execution thereof in some other manner, all deeds, leases, transfers, contracts, bonds, notes, checks, drafts, and other obligations made, accepted and endorsed by the organization Corporation shall be signed by the Chair or the Chief Executive Officer and checks drawn on any account of the organization Corporation shall be signed by either the Chair, the Treasurer or the Chief Executive Officer (each an "Authorized Check Signatory") and, if in excess of any amount determined by the Board from time to time, countersigned by another Authorized Check Signatory. Unless authorized by the Board, no Officer, employee or agent shall have any power or authority to bind the organization Corporation by any contract or agreement, or to pledge its credit, or to render it liable for any purpose or for any amount.

Section 4. Agents

The Board may appoint agents who shall have such authority and shall perform such duties as may be prescribed by the Board. The Board may remove any such agent at any time with or without cause. Removal without cause shall be without prejudice to such person's contract rights, if any, and the appointment of such person shall not itself create contract rights.

ARTICLE XII. BONDING

The Board shall require all Officers of the organization Corporation charged with handling of funds, and may require any other Officer, director, employee or agent, to be bonded for performance of their duties in such amount and by such bonding company registered in the state of California as shall be satisfactory to the board at the organization Corporation's expense.
ARTICLE XIII. INDEMNIFICATION OF COMMISSIONERS, OFFICERS, EMPLOYEES, AND OTHER AGENTS

Section One. Actions Other Than By the Corporation

The Board of Commissioners shall have the power to indemnify any person who was or is a party, or is threatened to be made a party, to any proceeding (other than an action by, or in the right of, this Corporation to procure a judgment in its favor, an action brought under Section 5233 of the California Corporations Code, or an action brought by the Attorney General or a person granted relator status by the Attorney General for any breach of duty relating to assets held in charitable trust) by reason of the fact that such person is or was an agent of this Corporation, against expenses, judgments, fines, settlements and other amounts actually and reasonably incurred in connection with such proceeding if that person acted in good faith and in a manner that person reasonably believed to be in the best interests of this Corporation and, in the case of a criminal proceeding, had no reasonable cause to believe the conduct of that person was unlawful. The termination of any proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which the person reasonably believed to be in the best interests of this Corporation or that the person had reasonable cause to believe that the person's conduct was unlawful.

Section Two. Actions By the Corporation

The Board of Commissioners shall have the power to indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending or completed action by, or in the right of, this Corporation, or brought under Section 5233 of the California Corporations Code, or brought by the Attorney General or a person granted relator status by the Attorney General for breach of duty relating to assets held in charitable trust, to procure a judgment in its favor by reason of the fact that person is or was an agent of this Corporation, against expenses actually and reasonably incurred by that person in connection with the defense or settlement of that action if that person acted in good faith, in a manner that person believed to be in the best interests of this Corporation, and with such care, including reasonable inquiry, as an ordinarily prudent person in a like position would use under similar circumstances. No indemnification shall be made under this Section 8.02 for any of the following reasons:

In respect of any claim, issue or matter as to which that person shall have been adjudged to be liable to this Corporation in the performance of that person's duty to this Corporation, unless, and only to the extent that, the court in which such proceeding is or was pending shall determine upon application that, in view of all the circumstances of the case, that person is fairly and reasonably entitled to indemnity for the expenses and then only to the extent that the court shall determine;

Of amounts paid in settling or otherwise disposing of a threatened or pending action, with or without court approval; or

Of expenses incurred in defending a threatened or pending action which is settled or otherwise disposed of without court approval unless it is settled with the approval of the Attorney General.
Section Three. Successful Defense By Agent.

To the extent that an agent of this Corporation has been successful on the merits in defense of any proceeding referred to in Sections 8.01 or 8.02, or in defense of any claim, issue, or matter therein, the agent shall be indemnified against expenses actually and reasonably incurred by the agent in connection therewith.

Section Four. Required Approval

Except as provided in Section 8.03, any indemnification under this Article VIII shall be made by the Board of Commissioners only if authorized in the specific case upon a determination that indemnification of the agent is proper in the circumstances because the agent has met the applicable standard of conduct set forth in Section 8.01 or 8.02, by any of the following:

A majority vote of a quorum consisting of Board of Commissioners who are not parties to the proceeding; or

The court in which the proceeding is or was pending, upon application made by this Corporation or the agent or the attorney or other person rendering services in connection with the defense, whether or not such application by the agent, attorney, or other person is opposed by this Corporation.

Section Five. Advance of Expenses

Expenses incurred in defending any proceeding may be advanced by this Corporation before the final disposition of the proceeding upon receipt of an undertaking by, or on behalf of, the agent to repay the amount of the advance unless it shall be determined ultimately that the agent is entitled to be indemnified as authorized in this Article VIII.

Section Six. Other Contractual Rights

No provision made by the Corporation to indemnify its Commissioners or Officers for the defense of any proceeding, whether contained in the Corporation’s Articles of Incorporation or Bylaws, a resolution of the Board, an agreement or otherwise, shall be valid unless consistent with this Article VIII. Nothing contained in this Article VIII shall affect any right to indemnification to which persons other than Commissioners and Officers of this Corporation may be entitled by contract or otherwise.

Section Seven. Limitations

No indemnification or advance shall be made under this Article VIII, except as provided in Sections 8.03 or 8.04, in any circumstances where it appears:

That it would be inconsistent with a provision of the Articles of Incorporation, Bylaws, or an agreement in effect at the time of the accrual of the alleged cause of action asserted in the proceeding in which the expenses were incurred or other amounts were paid, which prohibits or otherwise limits indemnification; or

That it would be inconsistent with any condition expressly imposed by a court in approving a settlement.

Section Eight. Insurance
The Corporation shall have the right to purchase and maintain insurance to the fullest extent permitted by law on behalf of its agents, against any liability asserted against or incurred by any agent in such capacity or arising out of the agent’s status as such, regardless of whether the Corporation would have the power to indemnify the agent against the liability under the provisions of this Article VIII; provided, however, that the Corporation shall have no power to purchase and maintain such insurance to indemnify any agent of the Corporation for a violation of Section 5233 of the California Corporations Code.

The Board shall have the statutory power to indemnify the agents of the organization pursuant to the terms and conditions of section 5238 of the California Corporations Code, as amended. All provisions, definitions, powers and limitations set forth in 5238 are incorporated herein by this reference as though set forth fully and at length herein. Nothing herein shall prevent, preclude, impair or otherwise limit the power of the Board of Commissioners to obtain insurance as described in section 5238.

ARTICLE XIV. AMENDMENT OF BYLAWS

These bylaws may be altered, amended or repealed at any meeting of the Commissioners; provided that notice of the meeting must be provided to the Commissioners at least 14 days before the date of the meeting and must include the text of the proposed alteration, amendment or repeal.

ARTICLE XV. DISSOLUTION

In the event of dissolution of this Commission by act of the Commission or by operation of law, such dissolution shall be conducted in accordance with the laws of the State of California, in proceedings to which the Attorney General shall be a party.

The Head Start Program Performance Standards 1302.102 Achieving program goals we must monitor program performance use the data for continuous improvement and (d) Reporting (1) a program must submit:

(i) Status reports, determined by ongoing oversight data, to the governing body and policy council, at least semi-annually.

The Head Start Health Services Compliance Report is compiled from ChildPlus data and presented two times a year. In February and June the CWPC and Fresno EOC Board are informed of the number of children who completed a physical, dental exam and immunizations using this report.

This year with COVID-19 many doctors and dentists are not seeing patients. We are seeing a 10-30% drop from last year in the figures.

This year, the SNIP Survey was sent to parents/caregivers by mail or email in October 2020. We sent out a total of 1,808 but received a total of 1,100 completed surveys from Center Base and Home Base.

Joanna Villalobos, Early Head Start ERSEA Coordinator, informed Representatives of the Early Head Start/Head Start Eligibility, Recruitment, Selection, Enrollment and Attendance (ERSEA) Selection Criteria. This information was sent to Representatives prior to tonight’s meeting.

The Early Head Start and Head Start Selection Criteria is a process by which children are selected into the program.

According to the Head Start Program Performance Standards a program must annually establish a selection criteria that weight the prioritization of selection of participants, based on community needs identified in the Community Needs Assessment §1302.11(b), and including family income, whether the child is homeless, whether the child is in foster care, the child’s age, whether the child is eligible for special education and related services, or early intervention services, as appropriate, as determined under the Individual Disabilities Education Act (IDEA) (20) U.S.C. 1400 et seq.) and other relevant family or child risk factors (1304.14 (a)).

III. Approval of Minutes
The November 10, 2020 minutes were approved as read. M/S/C Rodgers/Davis

IV. 2020-2021 Safe School Plan
Dr. Wilson shared with the Governing Council the annual Safe School Plan and the new bell system that was installed at SOUL over the holiday break. The bell system gives SOUL the opportunity to set different alarm sounds for the various emergency drill schedules that need to be routinely practiced. The Safe School Plan provides guidance and protocols for staff to follow during times of emergency preparation or in the event of an on campus emergency. The Safe School Plan must be approved and submitted to Fresno Unified by March 1. A motion was made to approve the 2020-2021 Safe School Plan. M/S/C Allen/Rodgers

V. 2020-2021 CSI Grant Funding
The California Department of Education has reviewed and approved the 2020-2021 Every Student Succeeds Act (ESSA) Comprehensive Support and Improvement (CSI) Local Education Agency (LEA) Funding for SOUL. As a condition of funding, the LEA, must partner with stakeholders, including teachers and parents to locally develop and implement a
CSI plan in the 2021-2022 school year. In addition, CSI interventions, strategies, and activities must align to the goals, actions, and services identified in the LEA’s LCAP. All CSI goals are in full alignment of SOUL’s charter and LCAP goals, as well as Fresno EOC’s strategic goals. A motion was made to ratify the 2020-2021 CSI Grant Funding. M/S/C Petrovich/Riojas.

VI. 2019-2020 School Accountability Report Card
Dr. Wilson reported on the 2019-2020 School Accountability Report Card (SARC). Yearly, SOUL produces an annual report card that summarizes student assessment results that is disaggregated by student subgroups. The information also includes SOUL’s graduation rates, teacher qualifications, along with other indicators. Additionally, SOUL provides information about themselves to the community allowing the public to evaluate and compare schools for student achievement, environment, resources and demographics. Every California school is required by state law to publish a School Accountability Report Card by February 1 of each year. The SOUL Governing Council did not meet in January 2021, consequently, this report is presented to the Governing Council as a ratification item. A motion was made to ratify the 2019-2020 School Accountability Report Card. M/S/C Riojas/Rodgers

VII. SOUL Update
SOUL’s demographic information for the school enrollment and updates as reflected on the Principal’s report were reviewed by the council. Additional items discussed:
- Dr. Wilson presented to the Governing Council “Preparing the 2021-2024 Local Control and Accountability Plan” through a power point presentation. The LCAP multi page budget reflects how we justify expenditures, how we can increase and improve student services and the effectiveness of the plan developed. He also shared the process and timeline that will be used to accomplish the completion of this comprehensive plan.
- Rena Failla reported that WASC has formally sent a letter stating that SOUL will continue for the next three years. SOUL’s WASC Accreditation and Charter Petition will be up for renewal in 2023.
- Ezequiel Ayala shared his post-secondary plans to enlist in the United States Army.
- Patricia reported on the Christmas wreaths that were given to the residents of Rehabilitation Center of Fresno and the SOUL store that students were able to go through and pick up personal items, household products and even Christmas gifts for their families. The next student Interact meeting will be held February 22nd.
- Courtney Griffin stated that we are still distributing meals to our families that request them.

COMMUNITY WIDE EFFORTS

Zero Fare Clean Air Act - PASSED!
You may remember this story from the last CEO Connect email. This time, we are happy to report the City Council passed the Zero Fare Clean Air Act. Free FAX bus fares started March 1st and will last until the end of the COVID-19 emergency order. 70% of our Fresno FAX riders earn $20,000 or less per year. This includes single mothers, low-income residents, and women of color using these services to go to work or school. Free fares will help all of Fresno by encouraging more passengers to ride public transportation and improving our air quality in the Central Valley. Providing free rides to Fresno residents will move us one-step closer to providing equitable services in our community.

I had an opportunity to meet with our Transit Systems program and see their vision to implement new changes based on our operational assessment recommendations. These changes will create continuous improvements for Transit Systems to better serve our community. You might have noticed our Transit Systems is in the news last month for providing transportation for participants to receive COVID-19 vaccinations. This service is available to those who are 65 and older. Mentions: ABC30

COVID-19 Equity/Testing Tuesdays
Testing Tuesday is on hold while we are ramping up our vaccination clinics. More to come!

Healthy Harvest/Cosecha Sana
To date, we have received nearly 1,000 calls, and 97% of those have been for in-home quarantine support or rental assistance. On February 22, 2021, the Legislature passed Assembly Bill (AB) 85, an immediate action budget bill that included a one-time $24,020,000 General Fund allocation to the California Department of Social Services (CDSS) to expand the Housing 4 Harvest (H4H) support services program. The expansion provides state funding for counties to offer wraparound services (including financial assistance) to agricultural workers self-isolating in hotels and those who choose to self-isolate or quarantine in their homes. Based on Fresno County’s agricultural worker population size and projected number of participants, the county allocation will be in Tier One and will have the ability to request funds on a reimbursement basis to serve up to 1,200 ag workers. Fresno EOC is currently working with the Department of Public Health to develop a contract to begin these services as quickly as possible.

**Expanded Food Distributions**
The City of Fresno provided us with a grant of $250,000 to expand our food distributions on the Westside of Fresno. With these funds, we are supporting five religious and nonprofit organizations.

- Westside Church of God
- Saint Rest EDC
- Fresno United
- West Fresno Family Resource Center
- Stones of the Community

We are thankful to expand and provide food to areas of concentrated poverty and food insecurity. We are hopeful this will make a positive impact in the lives of families in our community.

---

**Thank You to Our Partners**

With our initiatives, we are making progress in discovering service gaps, and with everyone’s help, we will continue to listen and lift unheard voices in our community. By working together, we can continue the fight against injustice and poverty.
