Re: YCSC to Continue with Distance Learning in Trimester 3 of 2020/21

Students, Staff, and Community Partners,

After a complete review of the ongoing global concerns about the spread of COVID-19 and gathering extensive survey input from all stakeholders, the YouthBuild Charter School of California (YCSC) Board of Directors has decided to continue with Distance Learning for Trimester 3 of the 20/21 school year (April, May, June, 2021).

Given the many uncertainties surrounding both the spread of and vaccination against Covid-19, the YCSC Board has determined that it is in the best interest of our students, staff, and partners to continue with Distance Learning for all classes and school activities for all of Trimester 3.

YCSC Leadership and the YCSC Board of Directors will continue to monitor the ongoing situation with respect to Covid-19, follow the advice and guidance of all government officials, and continue to regularly request all stakeholder input to assess the plans for the remainder of this year.

YCSC will provide all students, staff and community partners with updates during Trimester 3, and possibly during the summer, as to the plans for the 21/22 school year.

In the meantime, all stakeholders are invited to visit www.youthbuildcharter.org to review any and all Covid-19 updates for YCSC, including information related to Covid-19 and our distance learning efforts.
