BOARD OF COMMISSIONERS MEETING

Date: September 22, 2021
Program: Food Services

Agenda Item #: 7A
Director: Jon Escobar

Subject: Transforming and Inspiring
Officer: Michelle Tutunjian

Background

The information presented during this item is intended to keep the Board apprised on various agency programs as well as highlighting clients we serve.
Background

We are embarking on a journey that includes the community, Fresno EOC staff, and the Board of Commissioners to develop a 2022-2025 Strategic Plan for Fresno EOC. The challenge is to define Fresno EOC’s role in bringing people from poverty to prosperity through a strategic vision. The stages to this journey include two parts—1. Defining the impact we want to see on poverty in Fresno County and 2. Developing the culture we need to drive impact. Attached is the roadmap for the strategic planning process.

Core Values, Mission, and Vision Series

The Board will be guided through a series of sessions to develop the Fresno EOC’s Vision, Mission, and Core Values—which will form the foundation for the strategic planning process. There will be three 3-hr sessions in which the Board will be navigated through conversations on Fresno EOC’s Core Values, Mission, and Vision. There will be meetings in between these general sessions with the Ad Hoc Strategic Planning Committee to advance work in preparation for the next meeting.

The entire strategy and identity of Fresno EOC will stem from these sessions with the Board. The Executive Team will take the Vision, Mission, and Core Values that the Board has created to develop a strategic plan for impacting the community and aligning the culture at Fresno EOC.

<td>Synopsis: Establishing core values is the foundation for the entire organization. Core values are the bedrock of the organization’s vision, mission, goals, objectives and everyday interaction with customers, our employees and the community at large. The same values that we share about our interactions with our clients have to also permeate our interactions with each other. Otherwise, our interactions with them will feel false or phony. Likewise, if employees do not feel that the values apply to their interactions with each other, it is difficult to promote those same values.</td>

Recommended Action

Staff recommends approval to adopt the 2021-2022 Independent Study Board Policy.

Background

On July 9, 2021, Governor Gavin Newsom signed Assembly Bill 130 (AB 130) into law. AB 130 addresses Local Educational Agency (LEA) responses to the COVID-19 pandemic. In order to generate apportionment for Independent Study in the 2021-2022 school year, all LEAs must have adopted and implemented board policies that meet specific criteria (EC Section 51747). AB 130 added new elements that have been included in SOUL’s board policy.

Since 1998, SOUL has offered an Independent Study Program. The additions to the Independent Study Board Policy meets the AB 130 mandate, which are highlighted to reference.

None

Conclusion

On September 14, 2021, SOUL staff presented a draft of the 2021-2022 Independent Study Board Policy in a public hearing to the SOUL Governing Council. The Council recommended the SOUL 2021-2022 Independent Study Board Policy for full Board approval.
The Fresno Economic Opportunities Commission/School of Unlimited Learning  
Board Policy: Independent Study

The Fresno EOC Board of Commissioners authorizes independent study as an optional alternative instructional strategy for eligible students at the School of Unlimited Learning Charter School whose needs may be best met through study outside of the regular classroom setting. Independent study shall offer a means of individualizing the educational plan and enabling students to reach curriculum objectives and fulfill graduation requirements. As necessary to meet student needs, independent study may be offered on a full-time basis or on a part-time basis in conjunction with part- or full-time classroom study.

(cf. 0420.4 - Charter Schools)
(cf. 6011 - Academic Standards)
(cf. 6143 - Courses of Study)
(cf. 6146.1 - High School Graduation Requirements)
(cf. 6181 - Alternative Schools/Programs of Choice)
(cf. 6200 - Adult Education)

A student’s participation in independent study shall be voluntary. Students participating in independent study shall have the right, at any time, to enter or return to the regular classroom mode of instruction. (Education Code 51747; 5 CCR 11700). If parents choose to return to classroom instruction from Independent Studies, a transition plan will be implemented no later than within five instructional days.

Coursework assigned to students in Independent Study will be standards aligned and equivalent to the quality and intellectual challenge of classroom instruction. Students will have access to all courses offered by SOUL for graduation and approved as creditable under the University of California A-G admissions criteria.

Parents/guardians of students who are interested in independent study shall contact School of Unlimited Learning Guidance Counselor Coordinator. The Fresno EOC Chief Executive Officer or designee shall approve independent study for an individual student only upon determining that the student is prepared to meet the charter school’s requirements for independent study and is likely to succeed in independent study as well as or better than he/she would in the regular classroom.

The Fresno EOC Chief Executive Office or designee shall ensure that a written independent study agreement, as prescribed by law, exists for each participating student. (Education Code 51747) The written agreement shall specify the length of time in which each independent study assignment must be completed. The maximum length of time allowed between the assignment and the date the assignment is due is one week.
Progress must be evaluated and deemed satisfactory for continued IS participation and placement. When a participating student misses two assignments, an evaluation shall be conducted to determine whether it is in the student’s best interest to remain in independent study. Supervising teachers should establish an appropriate schedule for student-teacher conferences in order to help identify students falling behind in their work or in danger of failing or dropping out of school. Except in unusual circumstances, it is expected that the supervising teacher will meet in person with each participating student at least once a week for a minimum of one hour per week for synchronous instruction and to discuss the student's progress, review the student’s work, administer and correct student assessments, and assign new work.

(cf. 5147 - Dropout Prevention)

Missing appointments with the supervising teacher without valid reasons also may trigger an evaluation to determine whether the student should remain in independent study. A multi-tiered system of support will be available to all students to address barriers in attendance, academics, social/emotional health and to provide strategies for reengagement into the school setting.

The School of Unlimited Learning Principal shall report a minimum of quarterly to the Fresno Board of Commissioners Board through the SOUL Governing Council the number of students participating in independent study, the average daily attendance generated for apportionment purposes, the quality of these students' work as measured by standard indicators, and the number and proportion of independent study students who graduate or successfully complete independent study. Based on the program evaluation, the Board and The SOUL Principal or designee shall determine areas for program improvement as needed.

3. HR METRICS
A. 2021 First Quarter Scorecard
Starting 2021 the metrics look a bit different due to meeting quarterly and data being presented in a quarterly format. There is more turnover at this time than 2020. Turnover has increased as well. However, half of them were on call or temporary assignments that ended. Rodgers asked about anticipated turnover for the next quarter and into the fall. Mike Garcia stated that we see more turnover in July (3rd quarter) due to HS 0 to 5 staff expecting to return beginning of August and deciding not to before the school year starts.

Commissioner Vang asked if there were updates on the HS 0 to 5 contract. Garcia advised that Emilia would be the best person to get those updates from but we should have more information at the next quarterly meeting.

Public comment: None heard.

No action required.
4. **LEGAL SUMMARY**
   Two lawsuits against Fresno EOC, the first one is from 2019 and depositions just finished, and the next step is coming soon. A new case was filed in February but there are no updates, the lawyer suggests if there is no communication in next few months to consider it closed.

   16 WC cases – 4 closed have closed and 3 are pending closure. If these all go through, we could be at single digit WC cases.

   Rodgers asked what programs these cases came from. Garcia advised both employment lawsuits are from Transit. The majority of the workers compensation cases are from Transit, followed closely by Head Start.

   Public comment: None heard.

   No action required.

5. **OTHER BUSINESS**
   The next scheduled meeting is August 16, 2021.

6. **PUBLIC COMMENTS**
   None heard.

7. **ADJOURNMENT**
   *The meeting was adjourned at 5:18 PM*

   Respectfully submitted,

Recommended Action

The Human Resources Committee recommends review and approval for full Board consideration the Agency’s 2022 Health Plan updates.

Background

Below is a detailed breakdown of the proposed Health Plan Updates for 2022.

1. **Flexible Spending Account (FSA) plans.**

   Currently, Fresno EOC offers FSAs, allowing staff to claim expenses, which occurred in the plan year (e.g. January 1, 2021 – December 31, 2021) by the end of the first quarter of the following year, March 31, 2021. Any unclaimed money beyond this date is forfeited by the employee.

   Staff recommends the additional feature of a rollover for the FSA plan. This will allow employees to carry-over up to $550 of unused funds into the new plan year.

2. **Tele-Health Services.**

   At this time, Telehealth services are not included in current benefit offerings and the addition of a telehealth network would allow staff to have even greater flexibility and control over their benefit services. Tele-health services are growing in popularity and provide individuals, fast, convenient ways to have an appointment with a doctor at any time.

   Staff along with its benefits broker, Alliant, reviewed three provider quotes which ranged in price from $1.25 - $4.13 PEPM, the services and fees provided by each carrier varied. Teladoc Health was determined to be the best option for Fresno EOC staff.

   These services have additional costs and are generally built around a Per Employee Per Month (PEPM) fee structure plus other additional fees.

3. **2022 Medical and Dental Plan**

   Staff recommends an increase in both employee and employer benefit plan rates to anticipate an expected 1.63% increase in benefit costs and move closer to industry standard cost shares.
The 2021 Health Plan rate updates keep up with rising health care costs and continue to gradually adopt strategies reflecting industry standards and best practices.

Fresno EOC offers the following Health Plan options to benefit eligible staff:

- Traditional PPO Plan
  - with Wellness Incentive
  - without Wellness Incentive
- High Deductible Health Plan (HDHP) with Health Savings Account (HSA)
- Sub On-Call Plan
- Vision (included with all Health Plans)
- Dental with Medical
- Dental Only

Health care costs are continually on the rise and after a detailed analysis of our plan by our insurance broker, Alliant, they are projecting a 1.63% increase in overall health care plan costs for 2022. This represents an increase in funding by approximately $165,173 as shown below.

Agency Cost Share Structure Goal for Employer/Employee

In 2019 the Board approved the strategy to gradually streamline toward the following Employer (ER) and Employee (EE) cost share structure for health plans. This goal has been factored into the review for 2022.

- Traditional PPO 80% ER – 20% EE
- Wellness Incentive 85% ER – 15% EE
- HDHP 85% ER – 15% EE

Two Year Historical Reference of Increases:

- Plan Year 2020 – ER contributions increased by 5%. EE monthly premium contribution increased from 1.2 – 5.5%
- Plan Year 2021 – ER contributions increased by 5.6%. EE monthly premium contribution increased from 0 – 23%.

Health Plan Rate Changes

Changes to Employer/Agency Health Plan 2022 monthly contributions are as follows:

<tr>

<td>$1,194.00</td>
<td>$1,206.00</td>
</tr>
</tbody>
</table>

These changes will increase Employer/Agency contributions by approximately 1.0%. Based on current enrollment, the above increases will generate an estimated $85,344 annually.

Changes to Employee Health Plan monthly premium rates for 2022 are as follows:

<table>
<thead>

</tr>
<tr>
<td>Employee + Spouse</td>
<td>$282.00</td>
<td>$300.00</td>
<td>$144.00</td>
</tr>
</tbody>
</table>

These changes would increase Employee premiums an average of 8.5%. Based on current enrollment, the above increase will generate an estimated $82,980 annually.

These proposed changes will continue to keep benefit offerings below or competitive to industry averages. Alliant has provided the following benchmark information for comparison:

![Benchmark Comparison Chart]

Page 25 of 426
These increases will set the Traditional PPO and Traditional PPO Wellness options at the target cost share of 80%/20% and 85%/15% respectively. The HDHP options will move closer to the proposed 85%/15% cost share and would now be at 87.5%/12.5%.

Dental Plan Rate Changes

The Agency is proposing rate changes to Dental Without Medical plan rates as well. Since the Dental With Medical Rates are bundled in with the medical costs, those increases are built into the proposed medical rate increases. The new rates will be as follows:

<table>
<thead>
<tr>
<th>Coverage Category</th>
<th>2022 EMPLOYER Contribution</th>
<th>2022 EMPLOYEE Contribution</th>

<tbody>
<tr>

<td>$66.00</td>
</tr>
<tr>
<td>Employee + Spouse</td>
<td>$76.00</td>
<td>$48.00</td>
</tr>
</tbody>
</table>

Fiscal Impact

1. The changes to FSA costs would be minimal with the addition of a rollover option for staff.
2. The proposed addition of the Teladoc Health option would result in a $3.55 PEPM cost, with an estimated annual cost of $30,715. Fresno EOC intends to use premiums and reserves to cover this cost. The Agency expects to see an overall savings to office visits with the addition of this plan.
3. The proposed rate changes would result in a 1% increase to employer costs resulting in an additional $85,344 annually. The employee premiums will increase by an average of 8.5% resulting in an additional $82,980 annually. Overall, this will result in an annual increase of $168,324.

Conclusion

If the full board does not approve the 2022 Health Plan Updates:

1. The FSA enrollment options will remain the same and staff will not be able to rollover funds into the next plan year.
2. The benefit offerings will not include tele-health options for staff, which will require to staff to continue to only have the option of in-person visits or seeking out their own tele-health alternatives outside of benefit coverage.
3. The medical and dental plan rates will not be able to change and there will not be sufficient funds to support the expected 1.63% increase in overall benefit costs for the next year. Failure to increase rates will require the Agency to supplement the projected increase through other means. Staff must be informed of plan changes 60-days prior to their occurrence, which would require noticed by November 1.

California prohibits sexual harassment because of a person's: gender; pregnancy; childbirth, breastfeeding (and related medical conditions); sexual orientation; gender identity; gender expression; and transgender status. This definition includes many forms of offensive behavior and includes gender-based harassment of a person of the same sex as the harasser. Prohibited unlawful sexual harassment includes, but is not limited to, the following behavior:

1. Unwanted sexual advances.
2. Offering employment benefits in exchange for sexual favors.
3. Making or threatening reprisals after a negative response to sexual advances.
4. Visual conduct: leering, making sexual gestures, displaying of sexually suggestive objects or pictures, cartoons or posters.
5. Verbal conduct: making or using derogatory comments, epithets, slurs and jokes of a sexual nature.

All such harassment is unlawful. Fresno EOC strongly disapproves of and will not tolerate harassment of employees, unpaid interns, and volunteers by any client, commissioner, co-worker, customer, manager or supervisor.

Every two years, supervisory employees must receive two (2) hours of training and non-supervisory employees must receive one (1) hour of training. New nonsupervisory employees will be provided one (1) hour of training within six months of hire. New supervisory employees will be provided two (2) hours of training within six months of assuming their supervisory position. Fresno EOC may provide this training in conjunction with other training provided to the employees.

IV. COMPLAINT PROCEDURE

An employee who believes he/she is the subject of unlawful harassment or observes another employee being unlawfully harassed shall provide a written or verbal complaint to Human Resources or a supervisor as soon as possible after the incident. If the supervisor is not available or is allegedly subjecting the employee to what the employee believes to be unlawful harassment, the employee must provide a complaint, in writing if possible, to another supervisor or the next level of management. If the supervisor or the next level of management does not resolve the matter to the employee's satisfaction, the employee should bring the matter to the attention of a Director.

If the employee is unable or reluctant to report the incident(s) to the immediate supervisor or to the succeeding management level, then the employee is required to contact the Human Resources Office to permit Fresno EOC
to appropriately respond to the complaint, including stopping the purported harassment, investigating and monitoring for retaliation.

The complaint should include details of the incident(s), name(s) of the individual(s) involved, and name(s) of any witness(es) and be provided to a supervisor and succeeding levels of management, etc., as described above. The complaint must then be forwarded to the appropriate director and Human Resources Officer to the extent the director is not the purported harasser. The Human Resources Office will be responsible for investigating the complaint with the exception of complaints filed against the Chief Executive Officer and/or Board of Commissioner(s). All complaints filed against the Chief Executive Officer and/or Board of Commissioner(s) will be investigated by outside legal counsel.

A supervisor that has been made aware of or has observed any harassment must notify the Human Resource Office immediately.

Every reported complaint of harassment will be investigated thoroughly, promptly, objectively, and in a discreet manner. The contents of the investigation will be treated confidentially to the extent possible and limited to those who need to know. The Agency will not tolerate retaliation against any employee for cooperating in an investigation or for making a complaint.

IV. REMEDIAL ACTION

If Fresno EOC determines that harassment has occurred, effective remedial action will be taken in accordance with the circumstances involved. Any employee determined to be responsible for harassment will be subject to appropriate corrective action, up to and including termination. The complainant will be advised of the results of the investigation consistent with existing employee confidentiality policies. Fresno EOC will not retaliate against any employee for filing a complaint or participating in an investigation related to the complaint. Fresno EOC will not tolerate or permit retaliation. All employees are encouraged to report any incidents of harassment forbidden by this policy. Complaints will be quickly and fairly resolved. In addition to notifying Fresno EOC about harassment or retaliation complaints, affected employees may also direct their complaints to the Federal Equal Employment Opportunity Commission or the nearest office of the California Department of Fair Employment and Housing (DFEH), which has the authority to conduct investigations of the facts.
POLICY 1040 MANAGEMENT FLOW, OPEN COMMUNICATION

PURPOSE: To describe the Agency's Management Flow and to provide an informal means of Open Communication with management.

POLICY: It is the policy of Fresno EOC to encourage employee participation in decisions affecting himself/herself, them and his/her daily professional responsibilities. An employee who has job-related interests, suggestions or questions is encouraged to initiate discussion with his/her supervisor(s). The Agency believes that employee job-related interest, suggestions or questions are best addressed through this type of informal open communication.

PROCEDURES:

I. MANAGEMENT FLOW

The work of all employees will be assigned, directed, and reviewed by supervisory personnel.

A. Supervisor/Manager: The primary role of each supervisor is to provide a link between management and non-management employees. Accordingly, supervisors are expected to communicate the goals and policies of management and the Agency to the employees that report to them. Supervisors are also expected to communicate back to management the suggestions, interests, concerns and complaints of his/her employees. This level of supervision generally reports to Program/Project Directors.

B. Program/Project Directors: Program/Project Directors are responsible for the day-to-day operation of individual programs/projects and for supervision of component personnel. Program/project decisions regarding operational, personnel, fiscal, or funding agency matters require the approval of the assigned director. This level of supervision generally reports to an Officer.

C. C-Level Positions: C-Level positions are responsible for the administration and management of assigned departments/programs and supervision of Program/Project Directors. Major decisions regarding operational, personnel, fiscal, funding agency or legal matters may require the approval of the Chief Executive Officer or the Chief Programs Officer. This level of supervision generally reports to an Officer or the Chief Executive Officer.

D. Chief Executive Officer: The Chief Executive Officer is responsible for implementing the Board of Commissioners' policies. The Chief Executive Officer is responsible for all major decisions affecting the use of Fresno EOC resources to meet its mission, purpose, and vision, including policy, fiscal, and legal matters. The Chief Executive Officer supervises agency Officers, certain program/project directors and assigned support staff.

E. Board of Commissioners: The Board of Commissioners, duly composed under the provisions set forth in the by-laws, has the corporate responsibility for the Agency. The Board of Commissioners is responsible for the employment and assignment of the Chief Executive Officer.

II. INFORMAL OPEN COMMUNICATION PROCESS

Employees are encouraged to raise work-related interests, suggestions, and questions to their immediate supervisor as soon as possible. It is anticipated that the immediate supervisor is in the best position to resolve issues, answer questions, and process suggestions. Employees are encouraged to raise and pursue discussions of work-related concerns.

If the employee does not feel comfortable discussing certain issues with the supervisor, then the employee may discuss the issue with any level of management including Human Resources (see Policy 1050, Grievance and Problem Solving).
The Agency will attempt in each instance to explain the result to the employee and maintain confidentiality. No employee will be retaliated against for raising a good-faith concern.
**PURPOSE:** This policy establishes a mechanism through which an employee may obtain prompt, serious consideration of conflicts due to differences, differences of opinion, or other causes relating to his/her employment.

**POLICY:** It is the policy of Fresno EOC to encourage employee participation in decisions affecting himself/herself and his/her daily professional responsibilities. This applies to all Fresno EOC employees.

**PROCEDURES:**

**I. DEFINITION OF GRIEVANCE**

A “basic grievance” is defined as a claim that the Agency, coworker, or third party has violated a policy regarding the manner in which an employee was treated. Basic grievances do not involve claims of:

Possible discrimination on the basis of race, color, ethnicity, national origin, ancestry, sex, pregnancy (including childbirth and related medical conditions), religion, creed, religious dress and grooming practices, age, physical or mental disability, medical condition, marital status, sexual preference, sexual orientation, gender identity, gender expression, sex stereotype, transgender, transitioning or perceived to be, genetic information, citizenship status, military or veteran’s status, primary language, activities and status as a victim of domestic violence, assault or stalking or because of a person’s relationship or association with members of a protected group or associations with organizations established for the preservation of rights protected under the law, or for any other reason prohibited by law or regulation and not work related. Employees wishing to pursue claims of such discrimination must follow the Complaint Procedures (see Policy 1030, Policy Against Harassment).

Disputes over salary range or salary/rate of pay as well as disputes over a supervisor’s judgment regarding job performance or professional competence should be brought to the next level of management. Although problems of this nature are not covered by the Grievance and Problem Solving Policy, an employee with these concerns is encouraged to discuss them with the next level of management, such as: Director, Program Chief Officer, or the appropriate contact within the Human Resources Office.

Agency decisions to terminate at-will employment are not subject to the grievance procedure.

A. Responsibility: Human Resources is responsible for implementing this policy and providing oversight during the process to ensure compliance by employees and all levels of management. Management is responsible for ensuring that employees may use this process without fear of retaliation. Management continues to have the right to institute, resolve, modify, change or elect not to follow previous practices. The grievance process is not to be used to establish new rights or abolish existing rights or duties. Policies will take precedence over past practices when these are in conflict. Employees are responsible for abiding by these policies and procedures and for bringing it to the attention of management and/or Human Resources in any significant concern regarding the treatment of staff.

Employees, for their part, should be aware of the policies and follow the steps outlined above.

B. Confidentiality: The contents of the investigation will be treated confidentially to the extent possible and limited to those who need to know. Only those with a business need to know should be told about the employee’s grievance, and the final determination.

**II. GRIEVANCE PROCEDURE**
A. **Grievance**: An employee who has a disagreement concerning an interpretation of a written policy or procedure may initiate the grievance process. The employee should exhaust all informal means to resolve the issue, such as verbal discussions with his/her direct supervisor, and/or the next level of management, and/or HR staff prior to filing a formal Grievance (see Policy 1040, Management Flow and Open Communication).

The grievance process or the informal process (see Policy 1040, Management Flow, Open Communication) must be initiated by the employee within ten (10) working days after they knew or should have known of the event causing the complaint. Should the employee pursue an informal process first, the reporting employee shall preserve their right to still file a Grievance under this policy and must file their Grievance within ten (10) working days after an informal decision has been rendered. All Grievances initiated outside of these time limitations will not be considered.

The employee initiates the Grievance by giving the supervisor or next level of management his/her written statement that includes: 1) a brief description of the incident, including date(s) and names of any witness(es); 2) the policy, practice, rule or procedure the employee believes was violated (if known); 3) date(s) and decision(s) of any informal process pursued; and 4) the specific action requested. The statement must include the employee's signature and the date the employee signed the Grievance.

The Grievance will be forwarded to the Human Resources Office. Human Resources will determine if the Grievance satisfies the elements of this policy and give instructions as to the proper investigation and written response. The written response must be sent directly to the employee within five (5) working days of its receipt by Human Resources. A copy of the response and all corresponding evidence will be forwarded to and/or kept with Human Resources.

If the employee is not satisfied with the response, he/she has five (5) working days to contact Human Resources to initiate the next step of the Grievance process – Grievance Review Panel. The request must also be submitted in writing and must include why the employee feels the response was not satisfactory. If the employee does not request a Grievance Review within the time frame, the grievance will be considered resolved.

B. **Review Panel**: When a request is made for a review of a Grievance, Human Resources will then convene an ad hoc Review Panel to give the Grievance a final review. The Panel will consist of three (3) members: two from management who were not previously involved in the Grievance and do not work in the same program, and the third member will be from Human Resources. The Review Panel will consider the document(s), investigation(s), and decision(s) of the Grievance and may conduct further investigations if needed. The Review Panel will respond in writing to the employee within ten (10) working days or will be notified in writing if additional time is needed. A copy will be forwarded to Human Resources. The decision of the Review Panel will be final.

If, at any time during the Grievance Process, either the investigating supervisor, Human Resources or the Review Panel wishes to interview any of the involved parties, they may do so.

Additional time can be authorized for any part of the process when extenuating circumstances occur.

The Agency may refuse to accept, or cease to process, a grievance if it is learned that the employee has sought remedy for the same or a similar complaint outside of the Agency.

III. **DOCUMENTATION**

The employee must use the Grievance and Problem Solving Form. As set forth above, there are a number of places where written communication is required. That communication will typically take the form of a memorandum.

The Agency believes that the Grievance and Problem Solving Policies and Procedures will be of benefit to both the Agency and to employees. Employees feel empowered by knowing there is a process by which their voice can
be heard. Supervisors or managers benefit by passing unresolved disputes to a higher management level, where they can be properly handled. In addition, built-in time limits encourage prompt resolution of problems.

No employee will be retaliated against for raising a good-faith concern.

Fresno EOC will try to fill job openings above entry level by promotion from within when a qualified internal candidate exists (see Policy 1120, Transfers and Promotions). However, when there is not a strong pool of qualified internal applicants, Fresno EOC will seek qualified external applicants. In addition, Fresno EOC will give consideration to any known qualified applicant(s) who are on layoff status before recruiting applicants from outside the organization (see Policy 7050, Layoffs). Fresno EOC maintains sole discretion of all personnel decisions. Veterans will be given preference when filling job openings with qualified external applicants. Veterans must provide documents of veteran status at time of interview to be given preference. If no documents are provided at time of interview, no preference will be given.

2. Announcements of open positions will be placed on the Fresno EOC Intranet and/or distributed and posted on Fresno EOC official boards and will include such information as job title, pay grade, job description, qualification requirements, and the application deadline. Employees who feel they are qualified for the position must apply for consideration submit a completed online employment application prior to the filing deadline (see Policy 1120, Transfers and Promotions). The employee may or may not be interviewed for the position.

3. In addition to seeking job candidates internally, external recruitment may also be required to ensure a strong pool of qualified applicants. Along with the posting of the Job Announcement on Fresno EOC’s website, in the Human Resources Office and work locations, the following referral sources may be used to obtain new employees: (a) employee referrals, (b) former employees who resigned in good standing and are eligible for rehire (c) nonprofit and state agencies, (d) government employment services, (e) schools, (f) newspaper advertising, and (g) other organizations and resources as may be deemed necessary to reach the appropriate labor market and to attract qualified applicants.

4. During the recruitment, interviewing, and hiring process, no statement should be made promising permanent or guaranteed employment; and no document should be called a contract unless, in fact, a written employment contract is to be used and authorized by the Chief Executive Officer.

D. Application Process: When applicants are considered for job openings, the following procedures should be followed:

1. Any applicant for employment must complete an employment application online in order to be considered for employment. Applications for all open positions will be accepted by the applicant tracking system until the filing deadline.

2. The Human Resources Office will consider requests for reasonable accommodation of disabilities and will determine what, if any, accommodations will be made for the application process.

3. The hiring program will screen the applications to determine whether applicants meet the minimum requirements as set forth in the job description. The Human Resources Office will assist with screening, as requested. All applicants must meet the minimum qualifications of the position to be considered for interview. The hiring program will provide the Human Resources Office with a list of candidates to be contacted for interview. The hiring program or Human Resources may conduct a phone interview. The program Human Resources will schedule interviews and may request any supporting documents required for the position at that time. Applicants may check the status of their application at any time by accessing the applicant tracking system.
If the applicant does not provide the required documentation within the time designated, he/she will be considered as an applicant who has not met the minimum qualifications of the position and will not be eligible to interview. Human Resources will notify all applicants who do not meet the minimum qualifications for the position by email.

II. SELECTION

A. Interview Process

1. Panel Interview: Selected applicants who meet the minimum requirements for an open position may be invited to meet with a designated interview panel. This panel will interview, evaluate, and rank the order of eligible candidates. One or more interviews may be conducted with applicants to determine suitability for employment, depending upon the level of the position. When applicable, subsequent interviews may consist of internal/external content area experts from a variety of fields related to services offered within the program. The program manager/director will review the results of the interview process, and make a recommendation to the designated Officer for final approval. For Director level and higher positions, the Human Resources Office must review and approve the interview panel prior to interviews.

2. Rating sheet: The rating sheets are not the sole criteria in determining the best candidate for the position. Other factors as described below may contribute to the final decision.

B. Employment Tests: Employment tests which measure the knowledge, skills, and abilities needed to perform a job may be necessary to evaluate an applicant's qualifications. For example, typing, computer skills, and physical skills tests may be used, provided they are designed for the purpose of testing the essential job functions. In most cases, these tests will be arranged or conducted by the Human Resources Office.

C. Reference Checks: All employment is subject to the receipt of acceptable references. Reference checks should be conducted prior to the final selection and should be limited to candidates who are seriously being considered. The Reference Check form will serve as a guide to those areas which generally warrant verification and investigation. The following sources of pre-employment reference will be used whenever possible and appropriate: (1) previous employers, (2) business references, (3) personal references, (4) educational institutions attended, and any other references deemed appropriate for the position. It is important that backgrounds in employment and education, if necessary, be verified. The Human Resources Office will conduct the reference checks, unless otherwise designated.

D. Background Checks: Background checks will be conducted on job applicants applying for positions involving security, confidentiality, financial responsibility or as required by law. Fresno EOC will use a third party agency to conduct background checks. The type of information that can be collected by this agency includes, but is not limited to: that pertaining to an individual's past employment, education, character, criminal records, and credit checks as permitted by law, etc. This process is conducted to verify the accuracy of the information provided by the applicant. Fresno EOC will ensure that all background checks are held in compliance with all federal and state statutes.

Fresno EOC will notify the job applicant, in writing, that it is conducting a background check, provide the name of the third party agency conducting the background check, identify the purpose of the background check, and identify that the background check may contain information on the applicant's character, general reputation, personal characteristics, and mode of living. Additionally, applicants will be given a pre-disclosure form on which they may check a box indicating a wish to receive a copy of any investigative report prepared regarding them. If the box is checked, the company performing the background check will send a copy of the report to the applicant.

The copy must contain the name, address, and telephone number of the person who issued the report and how to contact that person and, if adverse action is taken based on the report, the name of the investigative consumer reporting agency. In addition, if Fresno EOC conducts a credit check on an applicant and uses the information
obtained as the basis for an adverse employment decision (e.g. refusal to hire), Fresno EOC must disclose to the applicant that its action was based on the credit report and the information contained in that report. Fresno EOC will provide a notice to the applicant that he/she has the right to dispute the accuracy or completeness or any of the information in the report.

E. Final Selection: A review and analysis of the application form, interview, and reference check should provide sufficient information to assess and make the final selection of the best qualified applicant. If an applicant is rejected on the basis of reference information, the reference source and information provided will be kept confidential.

F. Email Notification: The hiring manager Human Resources Office will make every effort to keep the applicants informed of their status throughout the process.

G. Eligibility List: Eligibility lists may be established for positions which frequently become vacant. An eligibility list for a position will be maintained for a maximum of one year. Candidates on the eligibility list need not be interviewed for the same position for which eligibility has been established while the list remains in effect.

H. Fairness: Fresno EOC has a zero-tolerance policy against employees suspected of or showing prejudiced behaviors and/or actions contrary to Fresno EOC’s Diversity and EEO policies. Such employees will not be able to participate in the recruitment and selection process until they have attended a diversity-related training program. Fresno EOC will under no circumstances tolerate the misrepresentation of its Diversity Policy in the form of prejudiced employee behavior.

Behaviors and/or actions by employees that violate Fresno EOC policies and procedures are subject to corrective action, up to and including termination.

III. EMPLOYMENT

A. Offer of Employment: Following a decision and recommendation of the supervisor to hire the applicant, and approval of the designated Officer, the Human Resources Office hiring program will make a verbal and written offer of employment. The offer of employment will include the job title, pay rate, employment status (temporary, regular, part-time, etc.), and employment date and any other information required by law. The offer of employment and continued employment may be contingent upon the satisfactory completion of employment requirements including, but not limited to: reference checks, fingerprint clearance, criminal background checks, investigations, verifications, tuberculosis screening, physicals, and drug and alcohol testing. The Human Resources Office is responsible for generating the official written offer of employment following satisfactory completion of employment requirements.

When the offer is made to an internal applicant, the hiring program and the applicant’s supervisor are responsible for determining the start date.

Due to State licensing requirements, certain positions may require individuals offered employment to be fingerprinted and have such records filed with the State Department of Social Services before beginning work with Fresno EOC. Fresno EOC shall bear the cost of filing with the State. The fingerprinting information will be maintained in a confidential manner for use by Fresno EOC, and will not be utilized or forwarded to any other individuals, employers, or employment placement agencies.

If the background, medical, or any other subsequent investigation discloses any misrepresentation on the employment application or information indicating that the individual is not suited for employment with Fresno EOC, the applicant will be refused employment, or, if already employed, may be terminated. If the background and/or credit check of the applicant results in a refusal to hire, termination, or other adverse employment action, the applicant will be notified as identified in section II-(d) herein.

IV. SUSPENSION OF COMPETITION
In certain circumstances, competition for positions may be suspended by the Chief Executive Officer. No suspension of competition shall be general in its application. In addition, such suspension shall be sensitive to the Agency’s Equal Employment Opportunity Policy and diversity commitments.

V. PERSONNEL PROCEDURES RELATING TO HEAD START 0 TO 5/EARLY HEAD START

The following personnel procedures relate to the hiring of Head Start 0 to 5/Early Head Start personnel and are meant to supplement the Fresno EOC’s Personnel Policies & Procedure Manual. These provisions are based on Federal mandates of the Head Start Program.

A. Recruitment: The Head Start 0 to 5 County-Wide/Early Head Start Personnel Committee (CWPC) is responsible for reviewing and approving all changes to Head Start 0 to 5/Early Head Start job descriptions initiated by program staff and/or Human Resources.

Head Start 0 to 5/Early Head Start recruits for employees in a variety of ways. Job Fairs are held as needed annually and individual job positions are posted throughout the year. Recruitment efforts will be designed to reach out to all areas of our community consistent with the agency’s commitment to diversity. Initial screening of applicants is completed by Head Start 0 to 5 staff/Early Head Start staff. Those applicants meeting the minimum job requirements are eligible for an interview.

B. Selection: Once all applicants are screened, an interview is scheduled for those that meet the minimum qualifications. More than one interview may be required, when deemed necessary. Interviews are scheduled by the appropriate Head Start 0 to 5/Early Head Start program staff with assistance of the Human Resources Office. The interview panel will be conducted by parents and staff. The Program Administrative Assistant/Education Liaison or other designated staff will facilitate the interviews. The interview panel will make a recommendation to the County Wide Policy Council (CWPC) for hiring once interviews are completed. In the event that a parent cannot be present during the interview, the panel will proceed with the interviews and the recommendation for hire(s) and eligibility list(s) are will be presented to the CWPC Executive Board and/or the CWPC for approval as an informational item.

In compliance with the Head Start Act of 2007, the CWPC is responsible for decisions regarding to be informed of the employment of program staff. Once hiring recommendations have been approved, all hires must pass fingerprint clearances as outlined in California regulation and a National Sex Offender Registry check. Clearances must be obtained prior to employment. In addition, the CWPC is also responsible for approving participating in the hiring and termination of key program staff (i.e. Chief Executive Officer, Chief Financial Officer, Chief Program Officer, Chief Administrative Officer and Head Start 0 to 5 Director).

In filling the position of the Head Start 0 to 5 Director and Early Head Start Program Director, representatives from the CPWC Executive Board Office, CWPC, Fresno EOC Board and other Fresno EOC programs may participate in the interview process. When applicable, subsequent interviews may consist of internal/external content area experts from a variety of fields related to services offered in the Head Start 0 to 5 program. Upon approval of the Chief Executive Officer, the application and recruitment information will be forwarded to the Head Start Regional Office for review and recommendation.

If an acceptable applicant is not selected, the entire process, as outlined above, will start over.

PROCEDURES:

I. INTRODUCTORY PERIOD

A. New Hires: The introductory period applies to regular full- and part-time employees, commences on the date of hire, and lasts twelve (12) months. During this time, supervisors should carefully observe the performance of the employee and provide constructive feedback. Supervisors should have performance conversations with their employees on a regular basis. A formal evaluation will be conducted at the midpoint and end of the introductory period, and every 12 months thereafter. Nothing in this section changes or augments the at-will status of an employee.

B. Reinstatement: An employee that separates employment and is reinstated within 90 days will retain his/her status. An employee in introductory status at time of separation will need to work the remaining time in the original twelve (12) month introductory status to be eligible for regular status (see Policy 1070, Employment Classifications).

C. Rehire: An employee that separates employment and is rehired after 90 days will be subject to a new introductory period (see Policy 1070, Employment Classifications).

II. WRITTEN PERFORMANCE EVALUATION

Supervisors are required to complete a written evaluation of the employee's job performance in a timely manner. The evaluation will be forwarded to the Human Resources Office with appropriate signatures for recording and placement in the employee's personnel file.

III. TERMINATION

Failure of an employee to meet acceptable standards of performance and/or conduct during the introductory period may result in termination pursuant to Fresno EOC’s At-Will Policy.

A recommendation for termination should be submitted in writing to the program manager/director, and responsible Officer for review. Action to terminate must have the prior approval of responsible Officer. The Human Resources Officer shall give assurance that all procedures for termination have been followed. Employment with Fresno EOC is a voluntary one and is subject to termination by employees or Fresno EOC at will, with or without cause, and with or without notice, at any time (see Policy 1010, Employment At-Will).

A transferred or promoted employee who is unable to perform satisfactorily in his/her new job may, at the discretion of management, be returned to his/her previous position, if a vacancy exists, or may be terminated.
POLICY 1150 HOURS OF WORK, PUNCTUALITY, AND ATTENDANCE

PURPOSE: To inform employees of the requirement of reporting to work and being on time and to establish a procedure for reporting tardiness and absences.

POLICY: It is the policy of Fresno EOC that attendance and punctuality are required for the efficient operation of the Agency. Regular attendance and punctuality are essential duties of every position.

REFERENCE: CA Labor Code 233-234, 246.5, 551-552, 556; AB 1522, AB 304, SB 3

PROCEDURES:

I. HOURS OF WORK

The general working hours for Fresno EOC are from 8:30 a.m. to 5:00 p.m., Monday through Friday, except recognized holidays. The general workweek for Fresno EOC employees consists of 37.5/40 hours per week. The workweek begins on Sunday and ends on Saturday.

II. MEAL BREAK PERIODS AND REST PERIODS

Employee meal break periods are important to productivity and employee health. Employees who work at least five (5) consecutive hours will be provided an unpaid 30-minute meal break period. Employees may not take their meal break period later than the end of the fifth hour of work, or take a meal break period of less than 30 minutes without prior authorization from their supervisor. For example, an employee who begins working at 8 a.m. must begin their meal break period by 12:59 p.m. If the employee’s shift will be completed in no more than six hours, this meal break period may be waived by mutual agreement of the employee and the Agency. In such instances, the employee must stop working and clock out by the end of the sixth hour. Employees are entitled to a second unpaid 30-minute meal break period if they work 10 or more hours in one workday. The second meal break period may be waived if the employee’s shift will be completed in 12 hours and the employee did not waive the first meal break period. The second meal break period must be taken before the end of the 10th hour of work.

Non-Exempt Employees are required to clock-in and clock-out for meal break periods. The meal break period will not be included in the total hours of work per day and is not compensable. Non-exempt employees are to be completely relieved of all job duties while on meal break periods. Non-exempt employees will be paid for all such rest break periods, and do not clock out. The supervisor will advise employees of the time and duration of rest break periods, and employees are expected to return to work promptly at the end of any rest break period. Generally, an employee is entitled to a “net” 15-minute rest break period for every four (4) hours worked or major fraction thereof. If an employee works more than six (6) hours in a workday, he/she will receive one rest break period during the first half of the shift and one rest break period during the second half of the shift. The rest break periods should be taken as close to the middle of each work period.
as possible. Employees are relieved of all duties during the rest break periods and may leave the premises. If at any time an employee believes they have not been provided with a rest break period or enough time to make a net 15-minute rest break period in the designated rest area(s), they should report this to their supervisor immediately. Rest break periods may not be combined or added to an employee’s meal break period. Employees not relieved of all duties during rest break periods; not provided a timely rest break period; or who received a shortened or missed rest break period will receive one-hour penalty pay for each occurrence. Employees must notify their supervisor of any occasion when rest break periods were not provided in accordance with the above policy otherwise Fresno EOC will assume the missed, short or delayed rest break period was voluntary taken and no premium pay will be provided.

Because work schedules may vary for different locations and different classifications of employees, supervisors will be responsible for determining and informing their employees of specific hours, work-days, lunch meal and rest break periods. Additionally, the supervisor may increase or decrease an employee’s hours and may require overtime work as it deems necessary or appropriate as permitted by law and as approved by the Director. No off-the-clock or unauthorized work is permitted by Fresno EOC and employees who do so work off the clock will be compensated for their time, but subject to corrective action, up to and including termination.

A non-exempt employee who regularly works thirty (30) or more hours per week cannot be required to work seven (7) consecutive days in the defined workweek.

Non-exempt nursing mothers may take reasonable breaks to express breast milk for the employee’s infant child. Upon request, Fresno EOC will provide a separate room where such a break can be taken. The employee may use any paid breaks to which she is entitled for this purpose. Additional nursing breaks will not be paid as long as the employee is completely relieved of job duties during that time.

As part of our responsibility to our clients, the public, and to other employees, Fresno EOC requires employees to be at work as scheduled, to arrange their personal schedules to accommodate established work hours, and to notify their supervisor prior to but no later than the employee’s normal reporting time if they expect to be absent or tardy.

### III. PUNCTUALITY & ATTENDANCE

Each employee shall be responsible for being present at the assigned work-station at the correct time each day. In the event the employee will be late or absent, they are required to contact their supervisor or program manager/director prior to but no later than the normal reporting time or adhere to the location reporting procedure. When reporting an absence, i.e., due to a personal or family illness or an emergency, the expected date of return must be given. If unknown, the employee will be required to contact the supervisor or program director/manager each day prior to the normal reporting time, unless a written statement from a licensed health care provider has been provided. Absences referred to here do not include approved time off requested in advance for vacation, holiday, bereavement leave, jury duty, or leaves of absence, Paid Sick Leave, Kin Care or Fresno EOC-initiated time off.

Fresno EOC reserves the right to require a statement acceptable to the Agency from a licensed health care provider whenever an employee misses work due to an illness, injury or disability subject to any legal limitations, such as PSL requirements. Failure to follow these procedures could result in unexcused absences and resulting corrective action up to and including termination.

If it becomes necessary for an employee to leave the program, Fresno EOC premises, or work site during working hours for personal reasons, permission to leave must be obtained from the employee’s supervisor before the employee leaves.

### IV. EXCESSIVE TARDINESS AND ABSENTEEISM

A. Tardiness:
An employee is considered tardy when:

1. **He/she** is not at **their** work-station ready to begin work at **their** scheduled **rest or meal break** or **meal period**.

2. **He/she** leaves early for a **rest or meal break** period, or the end of **their** scheduled or assigned shift, without authorization from **their** direct supervisor.

Excessive tardiness not protected by an approved leave may be cause for corrective action up to and including termination.

B. Attendance

Regular attendance is important to workplace morale and the successful operations of the Agency. Absences can create a negative impact in the workplace and place strain on other employees. An employee is considered absent when **he/she** are not scheduled to be off work and/or does not work **their** scheduled or assigned shift.

C. Absenteeism

Supervisors should immediately address any patterns of abuse of unprotected sick time and/or unprotected unpaid time. Patterns can be two or more instances. Examples of abuse include, but are not limited to:

- Leaving after lunch on paydays.
- Calling in sick on days when vacation time was previously denied.
- Extending weekends by regularly calling in sick on Fridays and/or Mondays.
- Extending time off for holidays by calling in sick the day before or after a holiday.

Abserteeism not protected by an approved leave may be cause for corrective action up to and including termination.

Corrective action up to and including termination may be imposed against an employee who is absent for one or more days without proper notice or justification found satisfactory by Fresno EOC.

An employee who is absent for three consecutive days without communicating directly with **his/her** supervisor, will be considered to have abandoned the job. The employee will be considered to have voluntarily resigned unless a reasonable excuse is offered and accepted by Fresno EOC within 24 hours following the third consecutive day of unscheduled absence.

V. RESPONSIBILITY

Employees are responsible for working all of their scheduled work hours at the scheduled times. Employees are required to be at their assigned **work station/workstation** during all work hours, except for scheduled **rest and meal breaks and meal periods**. **No off-the-clock or unauthorized work is permitted by Fresno EOC.**

Employees who are not able to report to work as scheduled, and who do not have prior written authorization to be absent, will be required to contact their supervisor or program manager/director prior to but no later than the normal reporting time or adhere to the location reporting procedure.

Employees who have consecutive days of unscheduled absences must contact their direct supervisors each **work day/workday** prior to each scheduled shift they are absent.
Supervisors may authorize time away from work during scheduled work time through accrued vacation, accrued sick time or a leave of absence. An employee will not be allowed to exceed accrued sick time or vacation.

All unscheduled absences and tardies will be considered when evaluating performance.
POLICY 1155 - LACTATION POLICY

PURPOSE: To inform employees of Fresno EOC's compliance with lactation regulations.

POLICY: It is the policy of Fresno EOC that the Agency will provide sufficient time and space for employees to express breast milk.

REFERENCE: Labor Code 1030-1034, SB142, FLSA

PROCEDURES:

I. REQUEST AND APPROVAL

An employee may request an accommodation for lactation breaks by submitting a verbal or written request to employee's supervisor. The supervisor or program management will respond to the employee's request. Should the program not have resources to meet the requirements of the law as outlined below, the program will notify the Human Resources Office for assistance in accommodating the request.

II. PERIODS FOR EXPRESSING MILK

Fresno EOC provides a reasonable amount of time during a rest break period to accommodate an employee's need to express breast milk for the employee's infant child. This time should run concurrently with scheduled rest break periods if possible. Nonexempt employees must clock out for any lactation breaks that do not run concurrently with normally scheduled rest break periods. Any such rest break periods will be unpaid. The agency reserves the right to deny, in writing, an employee's request for a lactation break if the additional break time will seriously disrupt operations.

III. REST AREA

Fresno EOC will make a reasonable effort to provide the employee with the use of a room or other location in close proximity to the employee's work area for the employee to express milk in private, free from intrusion of co-workers or the public. The room or location may include an employee's private office if it otherwise meets the requirements of the lactation space. Multi-purpose rooms may be used as lactation space if they satisfy the requirements for space; however, use of the room for lactation takes priority over other uses for the time it is in use for lactation purposes. Such space will meet the requirements of the California Labor Code including a surface to place a breast pump and personal items, a place to sit, access to electricity, a sink with running water, and a refrigerator or cooling device for storing breast milk.

Fresno EOC will not tolerate discrimination or retaliation against employees who exercise their rights to lactation accommodation, including those who request time to express milk at work and/or who lodge a complaint related to the right to lactation accommodation. If you believe you have been denied reasonable break time or adequate space to express milk, or have been otherwise been denied your rights related to lactation accommodation, you have the right to file a complaint with the Labor Commissioner.
POLICY 1160 PERSONAL PHONE CALLS AND VISITORS

PURPOSE: To limit employee personal phone calls and visitors during working hours to minimize disruptions in the workplace.

POLICY: It is the policy of Fresno EOC that all personal calls (telephone or cellular), and text messaging (or similar electronic communications) are required to be limited while employees are on duty. All cellphones and other forms of communication devices are required to be kept in silent mode while employees are on duty. Visitors are discouraged during working hours.

REFERENCES: California Vehicle Code 23123.5

PROCEDURE:

The Agency recognizes that employees will occasionally need to place and receive personal phone calls during the workday. In all cases, personal calls or text messages should be minimal, whether the calls or messages are placed and/or received using Agency or personal phones. Long distance phone calls should not be made from Agency phones. Employees should therefore limit the placing or receiving of personal calls or text messages during working hours to those required only in emergency situations. Receiving and/or placing excessive calls, messages or text messages is disruptive to others. Abuse is subject to corrective action following normal Agency procedures. All personal cellular phones and other communication devices are required to be kept in silent mode. Employees should communicate with their supervisor if there are any extenuating circumstances that may need to be temporarily accommodated.

Employees who operate a vehicle during the workday may not use a cellular telephone while driving, except when using a hands-free device as permitted under California law. Text messaging, blogging, emailing, accessing social media, and/or any use of an electronic communication device is prohibited while driving. Under no circumstances are employees allowed to place themselves or others at risk to fulfill business needs. If calls must be made, Fresno EOC encourages employees to pull safely off the road, stop the vehicle and make or receive the call. Safety must come before all other concerns and special care should be taken in situations where there is traffic, inclement weather, or the employee is driving in an unfamiliar area. Employees who are charged with traffic violations resulting from the use of their phone while driving will be solely responsible for all liabilities that result from such actions.

In addition, visitors can be disruptive to the Agency’s operations. Fresno EOC strongly discourages such visits during work hours. Employees are expected to inform visitors of this policy and will be held accountable for his/her actions under the Agency’s corrective action procedure.
POLICY 1170 DRESS AND GROOMING STANDARDS

PURPOSE: To establish standards of dress and grooming appropriate for the work setting which would not be perceived as offensive to a reasonable person.

Employees are expected at all times to dress in a manner consistent with good hygiene, safety, and good taste. Employees whose jobs require them to come in contact with the public are expected to wear apparel Fresno EOC considers appropriate for interacting with the public.

PROCEDURES:

I. STANDARDS

The personal appearance of employees who have regular contact with the public is governed by the standards described below. Specific offices or programs may have further guidelines.

A. Dress: Employees are expected to dress in a manner that is normally acceptable in similar work environments. The wearing of suggestive or offensive attire is prohibited. Athletic clothing, shorts, T-shirts, tank tops, or similar items of casual attire is not permitted, as they do not present a business-like appearance. At its discretion, Fresno EOC may allow employees to dress in a more casual fashion than is normally required. On such occasions, employees are still expected to present a neat appearance and are not permitted to wear ripped or disheveled clothing, athletic wear, or similarly inappropriate clothing.

An employee is permitted to groom, dress or present themselves in a manner consistent with an individual's gender identity or gender expression while meeting the dress and grooming guidelines.

Certain employees may be required to meet special dress, grooming, and/or hygiene standards depending on the nature of their jobs.

The personal appearance of employees who do not regularly meet the public is governed by the requirements of safety and comfort, but should still be neat and business-like as working conditions permit.

B. Hair: Subject to protections for hair texture and protective hair styles, Hair should be clean, combed, and neat. Unkempt hair is not permissible regardless of length. Facial hair should be kept neatly trimmed.

C. Footwear: To reduce the possibility of injury to employees, it is necessary to ensure that all footwear provide adequate protection from hazards that can occur to anyone working at Fresno EOC. Shoes should cover the foot as applicable to the work area. Flip-flops or similar casual footwear are not acceptable.

II. RESPONSIBILITY

Each program will be responsible for their staff adhering to this policy. Specific offices or programs may have further guidelines due to the nature of the work involved. Questions concerning these guidelines should be referred to the managing supervisor to determine the appropriateness of personal appearance in the program. It will be the responsibility of the manager or supervisor to communicate such guidelines to the affected employees.
An employee reporting to work dressed inappropriately will be required to comply with the policy. An employee in violation of this policy may be subject to corrective action, up to and including termination.

III. ACCOMODATIONS

Employees requesting accommodations for medical conditions or religious dress and grooming practices should inform their immediate supervisor. Programs should consult with Human Resources to discuss any request. Every effort will be made to accommodate employee’s request in accordance with applicable State and Federal laws (see Policy 1020, Equal Employment Opportunity Policy and Policy 1030, Policy Against Harassment).

This information is used to maintain the records as required by the California Highway Patrol.

Affected drivers will be notified of specific drug/alcohol testing requirements through their respective programs.
POLICY 2010 PAY PRACTICES

PURPOSE: To establish guidelines for the payment of wages, calculation of overtime, and other types of pay.

POLICY: It is the policy of Fresno EOC to pay employees for hours worked in accordance with legal requirements and to pay employees by check or direct deposit on a regular basis and in a manner so that the amount, method, and timing of wage payments comply with any applicable laws or regulations.

PROCEDURES:

The time sheet/electronic time record must be reviewed with and approved by the employee and supervisor before it is sent to the Payroll Office.

On each payday, employees will receive their paycheck, deposit notice if enrolled in direct deposit, or an e-mail announcement to the employee’s designated e-mail account. Checks or deposit notices will be distributed by the employee’s immediate supervisor at the employee’s work location or mailed to the employee’s home so that payment is received on the designated pay date. If an employee resigns without 72 hours’ notice or fails to return to work, the final paycheck will be made available to the employee no later than 72 hours after the date when an employee is considered to have terminated. If an employee is terminated involuntarily, the final paycheck will be available at the time of discharge or layoff. The employee’s final paycheck will include payment for all wages due and not previously paid and for accrued but unused vacation time, if eligible, minus authorized deductions.

II. OVERTIME DEFINITION AND RATES OF PAY

A. Regular Overtime Arrangements: All non-exempt employees who work more than eight (8) hours in a single workday or forty (40) hours in one workweek will receive overtime pay computed in accordance with II-B.

B. Exclusions from Overtime Calculations: Only those hours that are actually worked and any nondiscretionary payments, are added together to determine an employee's regular rate of pay for overtime calculations. Paid or unpaid absences such as holidays, vacations, and personal or sick time do not count as hours worked in computing overtime payments.
1. Overtime at the rate of one and one-half times the employee's regular rate of pay will be paid for all hours worked in excess of eight (8) in a workday or forty (40) in any one workweek.

2. Overtime at the rate of two times the employee's regular rate of pay will be paid for all hours worked in excess of twelve (12) in a single workday.

C. Workweek and Workday: A workday is any consecutive twenty-four hour period beginning at the same time on each calendar day. A workweek is any seven consecutive days starting with the same calendar day and time each week.

Unless otherwise provided:

1. The workweek on which weekly overtime calculations will be based begins each Sunday at 12:01 a.m. and ends on Saturday at 12:00 midnight; and

Because unauthorized overtime is contrary to Fresno EOC policy, non-exempt employees who work unauthorized overtime may be subject to corrective action.

III. OTHER TYPES OF PAY

A. Reporting Pay: Non-exempt employees who report to work at Fresno EOC's request but are provided with less than half of his/her usual or scheduled day's work will be paid, without regard to the number of hours actually worked, for one half of the usual or scheduled day's work, but in no event less than two nor more than four hours at the regular rate of pay, unless the reasons for lack of work are beyond Fresno EOC's control. Reporting time hours are not counted as “hours worked” for overtime purposes unless work is actually performed.

B. Callback Pay: Any non-exempt employee who is called back to work for a second work period in any one workday and is furnished with less than two hours' work will be paid a minimum of two hours pay at the regular straight-time rate for the second work period, without regard to the number of hours actually worked, unless the reasons for lack of work are beyond Fresno EOC's control.

If an employee is absent on one or both of these days because of an illness or injury, Fresno EOC reserves the right to verify the reason for the absence before approving holiday pay.

Non-exempt employees who are required to work on a designated holiday will be paid his/her regular rate of pay plus holiday pay or be allowed to observe the holiday by taking off another day approved by the employee's supervisor and program manager/director.
Employees on a leave of absence are not eligible for Holiday Pay.

IV. PAYROLL DEDUCTIONS

Certain deductions required by law will be made from each employee's wages. These include state and federal income taxes, FICA (for social security and Medicare), and state disability (SDI) payments, and the state paid family leave (PFL) program. Deductions may be required for garnishments received for federal or state levies for taxes, child support orders, or other court-ordered claims for indebtedness. Other deductions may be made from an employee's paycheck with the employee's written permission. These may include voluntary deductions including, but not limited to: health and life insurance premiums, retirement contributions, long-term disability insurance, credit union, health club membership, Cafe EOC meal tickets, and other Agency approved events.

V. DIRECT DEPOSIT

Fresno EOC offers all employees the option of direct deposit of payroll checks. Employees who are interested in having all or some of his/her paycheck deposited directly into his/her bank account through electronic transfer of funds should complete the Direct Deposit Form available in Human Resources, and attach a copy of a voided check or deposit slip from the appropriate account.

Employees will continue to receive a detailed earnings statement each payday, itemizing wage, tax and deduction information, including direct deposit amounts, or Employees can choose to enroll in paperless statements to receive this same information via email sent to his/her e-mail after enrolling online.

All bank and account information must be verified prior to implementation of the direct deposit. Direct deposit will be effective approximately one pay period after the employee has submitted the required forms and information to payroll.

Employees are responsible for reporting any changes to his/her bank account. All changes, including cancellation of direct deposit, must be submitted in writing to the Payroll Office.
PURPOSE: To establish and maintain a compensation system that will attract, retain, and reward qualified employees at all levels of responsibility, reflect the difficulty and responsibility of jobs, be externally competitive and internally equitable, motivate employees to work toward achievement of Fresno EOC's goals, create an incentive for personal growth and advancement on the basis of demonstrated performance, control direct and indirect personnel costs, and comply with applicable laws.

POLICY: It is the policy of Fresno EOC, in regards to compensation, to: (1) create and maintain job descriptions which are reflective of the duties and responsibilities of all jobs in Fresno EOC; (2) establish wage and pay grades that reflect the value to Fresno EOC of the various jobs, as determined by a formal system of continuing job evaluation and review, taking into account the duties and level of responsibility of each job; (3) establish and maintain justifiable differentials between job levels; (4) adjust pay grades when warranted by changing economic and competitive factors, as determined by periodic surveys and available resources; (5) encourage quality performance by adjusting the pay rate of each employee on the basis of individual performance, as determined by a systematic program of performance evaluations and/or based on program budget requirements and guidelines; and (6) ensure that compensation is not in violation of Fresno EOC's Equal Employment Opportunity Policy (see Policy 1020, Equal Employment Opportunity Policy).

PROCEDURES:

I. JOB DESCRIPTIONS

Job descriptions, in addition to summarizing the essential functions and/or responsibilities associated with a job, also include the skills, abilities, and knowledge required for a position. Job descriptions are used for recruiting and evaluating job candidates, counseling and developing current employees, comparing positions and salaries with other employers, and providing an overview of employee job responsibilities. The Human Resources Office is responsible for maintaining Fresno EOC job descriptions used throughout Fresno EOC, and when necessary performs job analyses and assists management in the writing of job descriptions. The Human Resources Office is responsible for ensuring that the job descriptions meet the requirements set forth under the Americans with Disabilities Act and any other applicable laws. Job descriptions for Head Start positions will be reviewed and approved by the Head Start Policy Council.

II. JOB EVALUATIONS

The Human Resources Office is responsible for coordinating the continuing internal review of all compensation and for ensuring that each job is evaluated and assigned a pay grade. The Human Resources Office will, when considered appropriate, participate in or conduct compensation surveys covering other employers with similar jobs.

III. WAGE AND PAY GRADES

All jobs are assigned to a pay grade. For each pay grade, a range is assigned which provides for a spread from a minimum to a maximum rate paid for a job. All positions are assigned a pay grade and pay range that are documented and managed by the Human Resources Office.

IV. COMPENSATION REVIEW

Employee compensation within a pay grade is based on various measurable factors including, but not limited to: performance, increased responsibility without a change in job classification, length of service, meeting objective goals established in the last performance review, availability of program funds, and external market factors. Supervisors are responsible for conducting a performance evaluation with each employee. A pay increase decision will follow program guidelines and will be based on a combination of, but not limited to the following: performance, pay grade, length of service, and program budget considerations.
An employee may be eligible for an annual increase in a standard method that has been selected, and approved, by the program he/she is regularly assigned to. All increases within each program will follow a consistent method of measurement in determining salary increases and the effective dates of those increases. Recommendations for salary adjustments outside of an employee's current pay range and/or the approved program's increase structure must be submitted to the program Chief Executive Officer for final approval and include a letter of justification.

In administering this policy, salary increases are not automatic. The employee must meet the minimum requirements established by his/her program in granting salary increases. If the employee does not meet these requirements, the employee will not be eligible for a salary increase. When performance is unsatisfactory a performance improvement plan will be developed by the employee's supervisor, and the employee will be reviewed again within ninety (90) days. If no improvement is shown, the employee will be subject to corrective action up to and including termination (see Policy 5025, Counseling and Corrective Action).

Employees who are not satisfied with the results of the compensation decision or who have questions about Fresno EOC's salary administration program should direct his/her concern to his/her supervisor.

Employees who have reached the maximum of the pay range for his/her job will not be eligible for further salary increases unless the range is adjusted.

V. PROMOTIONS

A promotion is the advancement from a position in one pay grade to another position in a higher pay grade. When promoted, a fully qualified employee should receive the minimum of the pay range assigned to the new position or a 5% increase, whichever is higher.

An employee may be promoted to a higher level of the same position occupied by the employee, such as from Secretary I to Secretary II or from Teacher I to Teacher II, when certain criteria of the job description are met.

VI. RECLASSIFICATIONS

Reclassifications may be made when a major change in the position content occurs, or when the incumbent in the position relinquishes or assumes substantial responsibilities and/or requires a marketplace adjustment. When a position warrants reclassification, the job description will be reviewed, reevaluated, and assigned to the proper pay grade.

If, as a result of reevaluation, a position is changed to a higher or lower pay grade, a change in pay rate should be considered. If the employee's position is evaluated to a higher pay grade, the rate should be increased to reflect the minimum of the new grade. If the employee's position is evaluated to a lower pay grade, the rate will remain the same unless it is above the maximum of the new pay range, in which case it will be adjusted to the maximum of the pay range, subject to program funding.

When an employee is demoted, the rate will be continued, provided it does not exceed the maximum of the salary range of the new classification. If the rate does exceed the maximum of this classification, it will be adjusted to the new maximum, subject to program funding.

VII. TRANSFERS

Transfers may be from one position to another within the same pay grade, or from a position in one program to a position of equal value in another program (see Policy 1020, Transfers and Promotions).
VIII. NEW HIRE PAY

A new employee will generally be hired at the minimum of the pay range for the pay grade assigned to his/her position. A candidate may be offered a higher starting rate based on experience, skill level or other competitive considerations. Any change from the normal starting rate must be reviewed and approved by the appropriate program manager, director, and responsible Officer, and must include a letter of justification before a job offer is made.

IX. APPROVAL OF WAGE AND SALARY ADJUSTMENTS

A. Employee Form: A formal procedure has been established for recording employment status and changes to an employee's rate, classification, and/or assignment. The Employee Form is the only official method by which supervisors can be assured that his/her recommendations for changes will be recorded on all pertinent records. All requests for pay adjustments must be accompanied by appropriate documentation which may include performance evaluations to support the request.

B. Approval: The Employee Form requesting any change must be completed and signed by the supervisor, program manager, and/or director, before it is submitted to the responsible Officer for approval. The signed form will be returned to the Human Resources Office for implementation of the change and filing in the employee's personnel file. Proposed changes related to pay shall not be discussed with the employee until final approval has been received.

C. Temporary Payroll Notices: Employees who are placed in temporary assignments at a higher job level for at least ten consecutive working days will normally be compensated with a 5% salary increase.
POLICY 2030 GARNISHMENTS

PURPOSE: To establish a procedure for the proper handling of garnishments against employee wages.

POLICY: It is the policy of Fresno EOC to comply with garnishment orders. Garnishments are court orders to an employer to withhold a sum of money from an employee's wages or salary. Because both federal and state laws govern garnishments, it is the policy of Fresno EOC to process them within the requirements of state law, Title III of the Consumer Credit Protection Act, and the Child Support Enforcement Program.

PROCEDURES:

I. RESPONSIBILITY

A. Employee: Employees are responsible for managing his/her personal finances so that he/she does not adversely impact job performance. The failure of an employee to meet his/her financial obligations may impose an administrative and financial burden on Fresno EOC in terms of the expense and bookkeeping in responding to and complying with court orders.

B. Payroll: Any writ of garnishment or attachment, notice of levy by any taxing authority, or any other similar order requiring payment of a portion of an employee's compensation to someone other than the employee served on Fresno EOC is to be referred to the Payroll Office. The Payroll Office will take immediate action and ensure that the employee receives a copy of the order. The employee will be encouraged to take care of the financial obligation, if possible, and obtain a release of the garnishment prior to any deductions being taken from the employee's wages. The Payroll Office will be responsible for receiving the garnishment order and deducting the proper amount each pay period in accordance with federal and state law until the obligation is met.

II. TYPES OF GARNISHMENTS

Garnishments are legal claims against an employee's wages and may be in the form of federal or state levies for taxes, child support orders, or other court-ordered claims for indebtedness filed in a small claims court. Each of the forms of garnishments has different preferences and deduction requirements from employee disposable earnings. Disposable earnings are defined as that part of the employee's earnings after deductions required by law. These deductions include federal and state income taxes, social security taxes, state disability payments and state paid family leave.

Fresno EOC will withhold amounts required by the garnishment or wage order from the disposable earnings up to the amounts permitted by law.

III. CORRECTIVE ACTION

No employee will be terminated from employment because earnings have been subjected to garnishment for one indebtedness within one year, even if it is for more than one garnishment for the same indebtedness. However, repeated garnishments for more than one indebtedness may result in corrective action, up to and including termination, depending on the circumstances of the case and any restrictions under state and federal law.
POLICY 3010 HOLIDAYS

PURPOSE: To observe and allow time off with pay for designated holidays.

POLICY: It is the policy of Fresno EOC to designate and observe certain days each year as holidays. Eligible employees will be given a day off with pay for each holiday observed. The following holidays are observed, however, Fresno EOC reserves the right to amend this policy at its discretion:

PROCEDURES:

I. ELIGIBILITY

All regular full-time employees are eligible to receive his/her regular rate of pay for each observed holiday. Regular part-time employees are eligible to receive holiday pay only for holidays on which he/she would normally be scheduled to work, and only for his/her regularly scheduled number of hours.

Temporary and substitute on-call employees are treated the same as full-time or part-time employees for holiday purposes, depending on whether such temporary or substitute employee is working full-time or part-time.

Employees on leaves of absences, seasonal breaks, or on lay-off status will not be eligible to receive holiday pay.

To receive holiday pay, an eligible employee must be at work or taking an approved absence on the scheduled workdays immediately preceding and immediately following the day on which the holiday is observed. If an employee is absent on one or both of these days because of an illness or injury, Fresno EOC reserves the right to verify the reason for the absence before approving holiday pay.

II. HOLIDAY SCHEDULE

An approved holiday that occurs on a Saturday or Sunday will be observed on either the preceding Friday or following Monday.

Holidays that occur during an employee's vacation will not be counted as vacation days taken.

Fresno EOC may schedule work on an observed holiday, as it considers necessary. Normally, work on an observed holiday will be paid as if the day were a regularly scheduled day. The responsible Officer will determine if the
employee will receive additional pay for the day or take a paid day off at another time. However, Fresno EOC may, at its discretion, require an employee to work on scheduled holidays and provide pay in lieu of time off.

III. HOLIDAY PAY

Non-exempt employees who are required to work on a designated holiday will be paid his/her regular rate of pay plus holiday pay or be allowed to observe the holiday by taking off another day approved by the employee's supervisor and program manager/director within the same workweek. Holidays which are observed and not worked will not be considered as time worked for the purpose of calculating overtime.

IV. OTHER HOLIDAYS

Fresno EOC recognizes that some employees may wish to observe, as periods of worship or commemoration, certain days that are not included in Fresno EOC's regular holiday schedule. Accordingly, employees who would like to take a day off for those reasons may do so if it will not impose an undue hardship on the ability of Fresno EOC to conduct business, and the time off is requested and approved in advance by the employee's supervisor. Employees may use accumulated days of paid vacation for these occasions, or he/she/they may take the time off as an unpaid, excused absence.

V. HOLIDAY PROCEDURES RELATING TO SOUL TEACHERS

SOUL teachers observe holidays in alignment with Fresno Unified School District holidays.
POLICY 3020 VACATION

PURPOSE: To establish a vacation plan for the benefit of regular full-time and eligible part-time employees.

POLICY: It is the policy of Fresno EOC to provide vacation benefits to eligible employees to enable them to take paid time off.

PROCEDURES:

I. ELIGIBILITY

All regular full-time and part-time employees working thirty (30) hours or more per week are eligible to accrue vacation benefits based on his/her continuous length of service, measured from the date of hire or date from which the employee became eligible for vacation benefits. Continuous length of service is defined as service that is uninterrupted by termination of employment and subsequent rehire by Fresno EOC.

II. VACATION ACCRUAL

A. Full-time Employees: Vacation accrues according to the following schedule:

<table>
<thead>
<tr>
<th>Years of Continuous Service</th>
<th>Vacation Accrual</th>
</tr>
</thead>
<tbody>
<tr>
<td>Date of hire or eligibility through completion of second year</td>
<td>1-1/4 working days for each full month worked up to a maximum of 15 days per year.</td>
</tr>
<tr>
<td>Third year and thereafter</td>
<td>1-2/3 working days for each full month worked up to a maximum of 20 days per year.</td>
</tr>
</tbody>
</table>

Vacation accrues on a bi-weekly basis based on the number of hours worked. To receive a full accrual for the month, employees must either work the full bi-weekly period or receive paid time off. Any unpaid time off will affect the vacation accrual.

B. Part-time Employees: Regular part-time employees working a minimum of thirty (30) hours per week accrue vacation benefits on a pro rata basis which relates to the average number of hours worked to a regular full-time work week. Part-time employees who work less than thirty (30) hours per week do not accrue vacation benefits.

C. Temporary and On-Call Employees: Temporary and On-Call employees do not accrue vacation benefits.

D. Maximum Accrual: Vacation accruals may not exceed twice an employee's current annual entitlement (e.g. 30 days for an employee with less than two years of service or 40 days for an employee with more than two years of service). Once this maximum is reached, all further accruals will cease. Vacation accruals will recommence after the employee has taken vacation and accrued hours have dropped below maximum.

E. Vacation Accrual during Periods of Leaves of Absence: Vacation time does not accrue during a leave of absence. Vacation accruals recommence when the employee returns to work. Vacation accrual will be tracked on employees' itemized wage statements.

III. VACATION APPROVAL AND SCHEDULING

A. Vacation Approval: All vacations must be approved in advance by the employee's immediate supervisor, program manager/director.
B. Vacation Scheduling: Scheduling of vacations is to be done in a manner consistent with Fresno EOC's operational requirements. Vacation requests should be submitted by an employee to his/her immediate supervisor for approval at least two weeks prior to the commencement of a vacation period or as requested by the program director. Fresno EOC reserves the right to deny the employee's requested date(s) of vacation if granting such vacation time will disrupt Fresno EOC's business. In the event that two or more employees have requested vacations covering the same period and may not be absent simultaneously, preference shall be given to the employee with the greater length of service.

C. Vacation Advances: An employee is not permitted to borrow on future accrual of vacation benefits unless otherwise agreed upon by the responsible Officer who must approve any exceptions or as otherwise provided by specific program needs such as mandatory seasonal closures, such as Head Start that closes for winter break or as required for program necessities.

IV. VACATION USE

Accrued vacation must be taken in increments of at least 30 minutes not less than one half (1/2) hour.

Employees who request family or medical leave (see Policy 4010, Family, Medical, Pregnancy, and Other Disability Leaves of Absences) may apply any available accrued vacation pay to his/her family or medical leave.

No allowance will be made for sickness or other compensable type of absence occurring during a scheduled vacation.

V. VACATION PAY

Vacation pay for full-time and part-time employees will consist of the employee's base rate of pay for the vacation period and will be paid on the regular scheduled payday.

No vacation cash outs are allowed. On termination of employment, the employee will be paid all accrued but unused vacation at the employee's base rate of pay at the time of termination.

VI. VACATION PROCEDURES RELATING TO SOUL TEACHERS

C. EFFECTIVE DATE

2020 COVID-19 Paid Sick Leave This policy is in effect as of April 16, 2020 for food sector employees. It is in effect as of September 19, 2020 for all other Fresno EOC employees in compliance with state and federal law.

2020 COVID-19 Supplemental Paid Sick Leave remains in effect for food sector workers and non-food sector employees until December 31, 2020, the same date that the federal law that provides supplemental paid sick leave is set to expire. However, if the federal law is extended, then COVID-19 Supplemental Paid Sick Leave under California law will be extended to the same end date as the federal law. If the law expires while an employee is taking COVID-19 Supplemental Paid Sick Leave, the employee can finish taking the amount of leave they are entitled to receive.

D. 2020 COVID SUPPLEMENTAL PAID SICK LEAVE USABLE HOURS

Full-time employees are eligible for 80 hours of Supplemental Paid Sick Leave. Part-time, temporary and sub on-call employees are eligible to use the equivalent of two weeks’ work of time in which they are regularly scheduled or scheduled for during an assignment. For part-time, temporary, or sub on-call employees that work variable hours, the employee may take fourteen times the average number of hours the employee worked each day for or through the Agency in the six months preceding the date the employee took COVID-19 Supplemental Paid Sick Leave. If the part-time, temporary, or sub on-call employee has worked for Fresno EOC for fewer than six months,
this calculation would be done over the entire period that the employee has worked for the Agency. If the variable schedule calculation results in an average work schedule of at least 40 hours per week, the variable-scheduled employee would be considered full time and entitled to 80 hours of leave because the laws require the Agency to pay 80 hours of COVID-19 Supplemental Paid Sick Leave to an employee it properly considers full time, but does not require payment for more than 80 hours. In calculating the average number of hours worked by a part-time employee with a variable schedule over the past six months, the figure is determined based on the total number of days in the 6-month period, not just the number of days worked. An employee who is newly working for Fresno EOC (i.e., connected to the Agency for 14 days or fewer) and works variable hours will be entitled to the number of COVID-19 Supplemental Paid Sick Leave hours that they have worked in the preceding two weeks.

II. 2021 COVID-19 SUPPLEMENTAL PAID SICK LEAVE

A. DEFINITION

The employee must be unable to work or telework due to any one of the following reasons:

1) Caring for Yourself: The employee is subject to a quarantine or isolation period related to COVID-19, or has been advised by a healthcare provider to quarantine due to COVID-19, or is experiencing symptoms of COVID-19 and seeking a medical diagnosis.

2) Caring for a Family Member: The employee is caring for a family member who is either subject to a quarantine or isolation period related to COVID-19 or has been advised by a healthcare provider to quarantine due to COVID-19, or the employee is caring for a child whose school or place of care is closed or unavailable due to COVID-19 on the premises.

3) Vaccine-Related: The employee is attending a vaccine appointment or cannot work or telework due to vaccine-related symptoms.

A general stay-at-home order does not meet the definition of “quarantine” or “isolation order”.

B. ELIGIBILITY

All Fresno EOC employees are eligible for 2021 COVID-19 Supplemental Paid Sick Leave.

C. EFFECTIVE DATE

D.IV. 2021 COVID-19 SUPPLEMENTAL PAID SICK LEAVE USABLE HOURS

Full-time employees are eligible for 80 hours of Supplemental Paid Sick Leave. Part-time, temporary and sub on-call employees are eligible to use the equivalent of two weeks’ work of time in which they are regularly scheduled or scheduled for during an assignment. For part-time, temporary, or sub on-call employees that work variable hours, the employee may take fourteen times the average number of hours the employee worked each day for or through the Agency in the six months preceding the date the employee took COVID-19 Supplemental Paid Sick Leave. If the part-time, temporary, or sub on-call employee has worked for Fresno EOC for fewer than six months, this calculation would be done over the entire period that the employee has worked for the Agency. If the variable schedule calculation results in an average work schedule of at least 40 hours per week, the variable-scheduled employee would be considered full time and entitled to 80 hours of leave because the laws require the Agency to pay 80 hours of COVID-19 Supplemental Paid Sick Leave to an employee it properly considers full time, but does not require payment for more than 80 hours. In calculating the average number of hours worked by a part-time employee with a variable schedule over the past six months, the figure is determined based on the total number of days in the 6-month period, not just the number of days worked. An employee who is newly working for Fresno EOC (i.e., connected to the Agency for 14 days or fewer) and works variable hours will be entitled to the number of COVID-19 Supplemental Paid Sick Leave hours that they have worked in the preceding two weeks.
III. USE AND APPROVAL OF SUPPLEMENTAL PAID SICK LEAVE

An employee is entitled to take COVID-19 Supplemental Paid Sick Leave immediately upon the worker’s oral or written request. The leave is not conditioned on medical certification.

It is within Fresno EOC’s rights, in certain circumstances, to ask for documentation before paying the sick leave when Fresno EOC has other information indicating that the worker is not requesting COVID-19 Supplemental Paid Sick leave for a valid purpose.

Time off for Supplemental Paid Sick Leave will not count towards the Fresno EOC Attendance Policy (see Policy 1150 Hours of Work, Punctuality, and Attendance).

IV. SUPPLEMENTAL PAID SICK LEAVE PAY

Employees will be paid their regular rate of pay or minimum wage. This amount is not to exceed $511 per day and $5,110 in total.

V. NOTICE TO EMPLOYEES

A poster describing Supplemental Paid Sick Leave rights shall be located in the break room or other common area frequented by staff.

VI. FOOD SERVICE WORKERS

Any program or department that stores, prepares, packages, serves, vends, or otherwise provides food for human consumption at the retail level must permit employees working with food, food equipment or utensils, or food-contact surfaces to wash their hands every 30 minutes and additionally as needed.
POLICY 4010 FAMILY, MEDICAL, PREGNANCY AND OTHER DISABILITY LEAVES OF ABSENCE

PURPOSE: To define Fresno EOC's policy and procedures to provide (A) family care and medical leave in accordance with California's Family Rights Act and the Federal Family and Medical Leave Act of 1993; (B) pregnancy leave in accordance with the California Fair Employment and Housing Act; and (C) disability leave as required to reasonably accommodate employees with a qualified disability under the Americans with Disabilities Act (ADA) or with a workplace injury.

POLICY: It is the policy of Fresno EOC to provide family, medical, pregnancy and other disability leaves of absences in accordance with applicable law.

PROCEDURES:

I. FAMILY AND MEDICAL LEAVE

Fresno EOC recognizes that employees may need to provide care for their dependent children, elder parents and certain other family members as defined in Section I(A). Fresno EOC also recognizes that family care obligations can, at times, require an employee to be absent from the workplace for an extended period. For that reason, Fresno EOC has established the following Family and Medical Leave Policy. The intent of this policy is to enable employees to attend to serious medical conditions of certain family members, including his/her/their own serious health condition, when necessary. Fresno EOC follows the regulations set forth in the Federal Family and Medical Leave Act (FMLA) and the California Family Rights Act (CFRA). There are times when this leave runs concurrently with other forms of leave of absence.

Employee Eligibility: To be eligible for family and medical leave benefits under FMLA, you must: (1) have worked for Fresno EOC for a total of at least 12 months; (2) have worked at least 1,250 hours over the previous 12-month periods; and (3) work at a location where at least 50 employees are employed by Fresno EOC within 75 miles. For eligibility under the CFRA, you must: (1) have worked for Fresno EOC for a total of at least 12 months and (2) have worked at least 1,250 hours during the previous 12-month period.

Leave Available: Eligible employees may receive up to a total of 12 workweeks of unpaid leave during a 12-month period. A 12-month period begins on the date of the employee's first use of family and medical leave. Successive 12-month periods commence on the date of an employee’s first use of family and medical leave after the preceding 12-month period has ended. Leave may be used for one or more of the following reasons:

a. The birth of the employee’s child or placement of a child with the employee for adoption or foster care;

b. FMLA: To care for the employee’s immediate family member (spouse, registered domestic partner, child, or parent) with a serious health condition and CFRA: To care for the employee’s family member (spouse, registered domestic partner, child, parent, grandparent, grandchild or sibling) with a serious health condition;

c. To take medical leave when the employee is unable to work because of a serious health condition; or

d. For employees who need to take leave due to a “qualifying exigency” (“Qualifying Exigency Leave”) resulting from (See Section IV):

1. Their spouse, son, daughter, and/or parent is a member of the Armed Forces (“Military Member”) being deployed on covered active duty to a foreign country; or
2. Their spouse, son, daughter, and/or parent is a member of the National Guard or Reserves (“Military Member”) being deployed under a call or order to covered active duty to a foreign country.

For purposes of FMLA, a “serious health condition” entitling an employee to FMLA leave means an illness, injury, impairment, or physical or mental condition that involves:

a. Inpatient care (i.e., an overnight stay) in a hospital, hospice, or residential medical care facility, including any period of incapacity (for purposes of this section, defined to mean inability to work, attend school or perform other regular daily activities due to the serious health condition, treatment therefore, or recovery therefrom), or any subsequent treatment in connection with such inpatient care: or

b. Continuing treatment by a health care provider. A serious health condition involving continuing treatment by a health care provider includes any one or more of the following:

(i) A period of incapacity (i.e., inability to work, attend school or perform other regular daily activities due to the serious health condition, treatment therefore, or recovery therefrom) of more than three consecutive full calendar days, and any subsequent treatment or period of incapacity relating to the same condition, that also involves:

(A) Two visits to a health care provider, by a nurse or physician's assistant under direct supervision of a health care provider, or by a provider of health care services (e.g., physical therapist) under orders of, or on referral by, a health care provider within 30 days of the beginning of the period of incapacity and the first visit to the health care provider taking place within seven days of the first day of incapacity, or

(B) Treatment by a health care provider on at least one occasion which results in a regimen of continuing treatment under the supervision of the health care provider.

(ii) Any period of incapacity due to pregnancy, or for prenatal care.

(iii) Any period of incapacity or treatment for such incapacity due to a chronic serious health condition that involves at least two visits to a health care provider per year. Common ailments do not qualify for FMLA unless complications arise.

Under most circumstances, leave under federal and state law will run at the same time. However, leave because of the employee's disability for pregnancy, childbirth, or related medical condition is not counted as time used under CFRA. Time off because of pregnancy disability, childbirth, or related medical condition does count as family and medical leave under FMLA. Thus, employees who take time off for pregnancy disability and who are eligible for FMLA will also be placed on family and medical leave that runs at the same time as their pregnancy disability leave. If you are pregnant, please review the pregnancy disability leave policy below and notify the Human Resources Department if you need leave due to your pregnancy.

Leave taken for the birth, adoption, or foster care placement of a child does not have to be taken in one continuous period of time. CFRA leave taken for the birth or placement of a child will be granted in minimum amounts of two weeks. However, Fresno EOC will grant a request for a CFRA leave taken for birth/placement of a child for a period of less than two weeks' duration on any two occasions. Any leave taken must be concluded within one year of the birth or placement of the child with the employee.

The employee may take FMLA leave in 12 consecutive weeks, may use the leave intermittently (take a day periodically when needed over the year) or, under certain circumstances, may use the leave to reduce the workweek or workday, resulting in a reduced hours schedule. In all cases, the leave may not exceed a total of 12 workweeks (or 26 workweeks to care for an injured or ill service member) over a 12-month period. In order for time to be counted toward Intermittent FMLA/CFRA, an employee must record intermittent FMLA/CFRA usage.
on his/her time sheet and complete a Request for Authorized Absence form. In addition to the above-referenced family and medical leave, Fresno EOC also provides Military Caregiver Leave, which is a protected leave of absence for employees who are a spouse, son, daughter, parent or next of kin of a covered Military Member who need to take time off to care for:

The Military Member who, while on active duty with the United States Armed Forces, the National Guard, or Reserves, suffered or aggravated a “serious injury or illness” that:

a. Requires the Military Member to undergo medical treatment, recuperation, or therapy as a result of that serious injury or illness; or

b. Places the Military Member on the temporary disability retired list.

The Military Member who is a veteran of the Armed Forces, the National Guard, or Reserves (“Veteran Military Member”) who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave who suffered or aggravated a “serious injury or illness” that:

a. Requires the Veteran Military Member to undergo medical treatment, recuperation, or therapy as a result of that serious injury or illness.

Under those circumstances, an affected employee is entitled to receive up to 26 weeks of unpaid leave in a single 12-month period, which can be taken either in one large block of time or intermittently. An employee who, in the same 12-month period, previously took other family and medical leave is entitled to receive Military Caregiver Leave, but, under those circumstances, the total leave taken will not exceed 26 weeks. For Military Caregiver Leave the 12-month period begins on the date of the employee’s first use of Military Caregiver Leave. Certain restrictions on these benefits may apply.

**Notice & Certification:** If you need family and medical leave and/or Military Caregiver Leave, you may be required to provide:

i. 30-day advance-notice when the need for the leave is foreseeable—where the need for leave is unforeseeable, please inform Fresno EOC as soon as reasonably practical. Also a Request for Authorized Absence form must be completed and approved by the employee's immediate supervisor, program manager/director. If an employee fails to provide the requisite 30-day advance-notice for foreseeable events without any reasonable excuse for the delay, Fresno EOC reserves the right to deny the taking of the leave until at least 30 days after the date the employee provides notice of the need for family care or medical leave.

All requests for family care or medical leave should include the anticipated date(s) and duration of the leave.

ii. Medical certification from a health care provider (both prior to the leave and prior to reinstatement) or, for Qualifying Exigency Leave, a copy of the military member’s duty orders or other documentation issued by the military that indicates that the military member has been deployed to covered duty in a foreign country and the dates of the military member’s deployment to that foreign country or for Rest and Recuperation leave, a copy of the military member’s Rest and Recuperation leave orders, or other documentation issued by the military setting forth the dates of the military member’s leave. In addition, for Qualifying Exigency Leave, an eligible employee may be required to provide certification of the exigency necessitating leave. In providing this medical certification, Fresno EOC shall comply with the provisions of the Genetic Information Nondiscrimination Act of 2008 (GINA), which prohibits employers from requesting or requiring genetic information of an employee or family member of the employee, except as specifically allowed by law. To comply with GINA, Fresno EOC is asking that
employees not provide any genetic information when responding to this request for medical information. Fresno EOC will not discriminate against any employee on the basis of his or her genetic tests, the genetic tests of that employee’s family members, or the manifestation of a disease or disorder in family members of the employee.

The medical certification for leave for the employee's own serious health condition shall include (a) the date on which the serious health condition commenced; (b) the probable duration of the condition; and (c) a statement that, due to the serious health condition, the employee is unable to perform the functions of the position. In addition, Fresno EOC may require the employee to obtain a second opinion from a doctor of Fresno EOC's choosing at Fresno EOC's expense. If the employee's health care provider and the doctor providing the second opinion do not agree, Fresno EOC may require a third opinion, also at Fresno EOC's expense, performed by a mutually agreeable doctor who will make a final determination. Before permitting the employee to return to work, Fresno EOC requires the employee to provide medical certification that he or she is able to return to work. An employee may be denied reinstatement until certification is provided. An employee, who is denied reinstatement due to a failure to provide medical certification for return to work, may be considered to have voluntarily resigned. An employee, who does not provide a medical certification within 15 days and remains absent from work, may be considered to have voluntarily resigned.

Any request for medical leave for an employee's own serious health condition or for family care leave to care for a child, spouse, or parent with a serious health condition must be supported by medical certification from a health care provider. For foreseeable leaves, employees must provide the required medical certification before the leave begins. When this is not possible, employees must provide the required certification within 15 calendar days after Fresno EOC’s request for certification. Failure to provide the required medical certification within 15 days of being requested to do so may result in a denial of the employee's continued leave and the employee may be considered to have voluntarily resigned. Any request for an extension of the leave also must be supported by an updated medical certification by a health care provider. If a certification is incomplete or insufficient, Fresno EOC will inform the employee in writing of needed information to complete the medical certification. The employee must furnish the additional information within 7 calendar days or the request for leave may be denied, and the employee may be considered to have voluntarily resigned.

For Qualifying Exigency Leave, a copy of the military member’s duty orders or other documentation issued by the military that indicates that the military member has been deployed to covered duty in a foreign country and the dates of the military member’s deployment to that foreign country; or for Rest and Recuperation leave, a copy of the military member’s Rest and Recuperation leave orders, or other documentation issued by the military setting forth the dates of the military member’s leave. In addition, for Qualifying Exigency Leave, an eligible employee may be required to provide certification of the exigency necessitating leave.

iii. Periodic recertification when prior certification expires; and

iv. Periodic reports during the leave.

When leave is needed to care for an immediate family member or your own serious health condition, and is for planned medical treatment, you must try to schedule treatment so as not to unduly disrupt Fresno EOC’s operation. The medical certification for a child, spouse, or parent with a serious health condition shall include (a) the date on which the serious health condition commenced; (b) the probable duration of the condition; (c) the health care provider's estimate of the amount of time needed for family care: and (d) the licensed health care provider's assurance that the health care condition requires family care leave.
Upon receiving notice of your need for family and medical leave and/or Military Caregiver Leave and absent any extenuating circumstances, Fresno EOC will notify you whether the leave will be designated as family and medical leave and/or Military Caregiver Leave within five business days of learning that leave is being taken for a qualifying reason.

A “child” includes a biological, adopted or foster child, stepchild, or a legal ward. “Parent” means a biological, foster, or adoptive parent, a stepparent, or a legal guardian. Parent does not include a parent-in-law. “Spouse” means a partner in marriage or a registered domestic partner.

**Compensation During Leave:** Family and medical leave is typically unpaid. However, an employee who is granted a medical leave shall be entitled to use any accrued sick time and/or vested vacation benefits during the period of leave. Sick time benefits may be coordinated with State Disability, Paid Family Leave and/or Workers' Compensation temporary disability benefits payable under such a plan, provided the employee has sick or vacation time and elects to coordinate the two benefits. Except to the extent that other paid time is substituted for family care or medical leave, family care (and medical) leave is unpaid.

- **If the leave is under FMLA only, the employee is required to use accrued and unused vacation or sick leave during the otherwise unpaid portion of the leave, unless otherwise prohibited by the law.**

- **If the leave is under FMLA and CFRA, or CFRA only, for the employee’s own serious health condition, the employee is required to use accrued and unused vacation or sick leave during the otherwise unpaid portion of the leave, unless otherwise prohibited by the law.**

- **If the leave is under FMLA and CFRA, or FMLA and PDL, or falls under more than one leave, the laws regarding use of vacation or sick leave that are more favorable to the employee will apply.**

- **If the employee is receiving a partial wage benefit during the family and medical leave (during FMLA only, CFRA only, or FMLA and CFRA leave), the employer and employee may agree to use vacation or sick leave to supplement the partial wage replacement benefit, unless otherwise prohibited by the law.**

The substitution of paid leave for family care or medical leave does not extend the total duration of family care and medical leave to which an employee is entitled to beyond 12 weeks in a 12-month period. For example, if an employee has accrued four weeks of unused paid vacation time at the time of the request for family care or medical leave; that paid vacation time will be substituted for the first four weeks of family care or medical leave, leaving up to eight additional weeks of unpaid leave.

**Benefits During Leave:** Group health and life insurance benefits ordinarily provided by Fresno EOC, and for which the employee is otherwise eligible, will be continued during the period of the family medical and care leave, provided the employee pays the required contributory amount. The Company will maintain, for up to a maximum of 12 workweeks of family and medical leave and 26 weeks for Military Caregiver Leave, any group health insurance coverage that you were provided before the leave on the same terms as if you had continued to work. Payments must be received by the 25th of the month. If payment is more than 30 days late Fresno EOC will provide 15-day notice before loss of coverage. Upon the employee’s return, reinstatement of health benefits will occur on the 1st of the following month. In some instances, Fresno EOC may recover premiums it paid to maintain health coverage if you do not return to work following family or medical leave.

Employees on family care and medical leave accrue employment benefits, such as vacation benefits, or seniority only when paid leave is being substituted for unpaid leave and only if the employee would otherwise be entitled to such accrual.

**Job Reinstatement:** Under most circumstances, upon return from family and medical leave, you will be reinstated to your previous position, or to an equivalent job with equivalent pay, benefits, and other employment terms and conditions. However, upon return from a family and medical leave, you have no greater right to reinstatement...
than if you had been continuously employed rather than on leave. For example, if you would have been laid off had you not gone on family and medical leave, or if your position has been eliminated during the leave, then you will not be entitled to reinstatement.

Prior to returning to work after taking family and medical leave for your own serious health condition, you will be required to submit a fitness-for-duty certification from your health care professional certifying that you are able to return to work. Failure to provide the fitness-for-duty certification in a timely manner may either delay your reinstatement to your position or result in a denial of your reinstatement request if the certification is never provided.

If you are returning from family and medical leave taken for your own serious health condition, but you are unable to perform the essential functions of your job because of a physical or mental disability, Fresno EOC will engage in the interactive process with you to determine if there is a reasonable accommodation that may be provided to enable you to perform the essential functions of your position to the extent that doing so would not create an undue hardship for Fresno EOC. Your use of family and medical leave will not result in the loss of any employment benefit that you earned or were entitled to before using family and medical leave.

**Unlawful Acts:** It is unlawful for Fresno EOC to interfere with, restrain, or deny the exercise of any right provided by state or federal family and medical leave law. It is also unlawful for Fresno EOC to refuse to hire or to terminate or discriminate against any individual for being involved in any proceedings related to family and medical leave.

**Leave for Baby Bonding:** The minimum duration of leave shall be two weeks for the birth, adoption or foster care of a child, and must be taken within one year of the birth or placement of the child. However, Fresno EOC may grant a request for Baby Bonding leave of less than two (2) weeks duration on any two occasions.

Fresno EOC retains the discretion to transfer the employee temporarily to an alternative position with equivalent pay and benefits which better accommodates the leave.

II. **EXTENDED LEAVE OF ABSENCE FOR MEDICAL DISABILITY**

A. **Request:** This leave of absence will be used to extend the period of absence due to an employee's medical disability only. If an employee, who qualified for FMLA/CFRA and/or PDL has exhausted his/her leaves, and is unable to return to work after the allowable leave described in Section I and/or Section III of this policy, may request an extended medical disability leave in thirty (30) day increments or less. A Request for Authorized Absence form must be completed and approved by the employee's immediate supervisor, program manager/director. Initial requests for extended medical disability leave must be supported by a medical certification from a health care provider as defined in Section I(D)(2) of this policy. Any request(s) for extensions of this leave must be supported by a note from a health care provider. It is the employee's responsibility to provide the supervisor and/or program manager/director with a status report at least every thirty (30) days. Before returning to work following an extended medical disability leave, an employee must submit a licensed health care provider's verification stating the employee's ability to return to work with or without restrictions and the date the employee is able to return.

B. **Status of Employee Benefits during Extended Medical Disability Leave:** An employee who is granted an Extended Medical Disability Leave shall be entitled to use any accrued sick time and/or vested vacation benefits during the period of disability. Sick time benefits may be coordinated with State Disability and/or Workers' Compensation temporary disability benefits payable under such a plan, provided the employee has sick time and elects to combine the two benefits. Except to the extent that other paid leave is substituted for medical leave, the extended leave is unpaid.

Group health and life insurance benefits ordinarily provided by Fresno EOC and for which the employee is otherwise eligible may be continued during the extended disability leave but for no more than four (4) months total within a 12-month period, including benefits received during the previous twelve-week period. The employee must pay the required contributory amount. Payments must be received by the 25th of the month. If
payment is more than 30 days late Fresno EOC will provide 15-day notice before loss of coverage. Upon the employee's return, reinstatement of health benefits will occur the 1st of the following month. Employees whose total medical leaves, including the extended leave, are in excess of four (4) months and who are enrolled in the health care plan have the right to elect continuation of coverage under COBRA. If a covered person is totally disabled when coverage terminates, benefits will be provided for that totally disabling condition until maximum benefits are paid, the disability ends, or up to twelve (12) months have passed since termination of coverage.

C. Reinstatement from Extended Leave: Except as provided by applicable law, Fresno EOC will make every effort to place an employee returning from an approved Extended Medical Disability Leave in the same or comparable position. If such position ceases to exist because of legitimate business reasons or if a position is not available, employment will be terminated, and the employee will be considered for future openings (see Policy 1090 Recruitment, Selection, and Employment). Employees who do not return after the period of the approved leave expires may be considered to have voluntarily resigned, unless unusual circumstances have prevented the return and a reasonable excuse has been offered and accepted within three (3) work days after the period of the approved leave expired.

III. PREGNANCY-RELATED DISABILITY LEAVE

A. Eligibility and Duration

1. Leave of Absence: Any employee who is disabled due to pregnancy, childbirth, or related conditions may take a pregnancy-related disability leave of up to four months. At the end of the pregnancy disability leave, an employee may request family care or medical leave to which the employee may be entitled under Section I of this policy (Family Care and Medical Leaves).

2. Temporary Transfer before Childbirth: An employee who is disabled due to pregnancy, childbirth, or related conditions may be entitled to transfer temporarily to a less strenuous or hazardous position or to less strenuous or hazardous duties if the transfer is medically necessary and the transfer can be reasonably accommodated. A written statement must be provided from a licensed health care provider stating the necessity of the transfer to a less strenuous or hazardous position or to less strenuous or hazardous duties.

B. Substitution of Paid Leave for Pregnancy Related Disability Leave: An employee taking pregnancy related disability leave may, at her option, substitute accrued vacation time or unused sick time for all or a portion of the leave. The substitution of paid leave for pregnancy-related disability leave does not extend the total duration of the leave to which an employee is entitled.

The employee must provide the Agency with a certification from their health care provider. The medical certification should include:

1. The date on which the employee became disabled due to pregnancy or the date of the medical advisability for the transfer;

2. The probable duration of the period(s) of disability or the period(s) for the advisability of the transfer; and

3. A statement that, due to the disability, the employee is unable to work at all or to perform any one or more of the essential functions of their position without undue risk to themselves, the successful completion of their pregnancy or to other persons or a statement that, due to the pregnancy, a transfer is medically advisable.

C. Leave’s Effect on Benefits: Group health and life insurance benefits ordinarily provided by Fresno EOC, and for which the employee is otherwise eligible, will be continued during the period of pregnancy-related disability leave for up to four (4) months provided the employee pays the required contributory amount. Payments
must be received by the 25th of the month. If payment is more than 30 days late Fresno EOC will provide 15-day notice before loss of coverage. Upon the employee's return, reinstatement of health benefits will occur the 1st of the following month. Employees whose pregnancy-related disability leave is in excess of four (4) months and who are enrolled in the health care plan have the right to elect continuation of coverage under COBRA. Pregnancy disability leave or a transfer begins when ordered by the employee's health care provider.

D. Other Terms and Conditions of Leave: Upon return from a pregnancy disability leave, the employee is required to provide medical certification from their health care provider that they are able to return to work. Under most circumstances, upon submission of certification from a health care provider that the employee is able to return to work from a pregnancy disability leave, the employee will be reinstated to their same position held at the time the leave began or to an equivalent position, if available. An employee returning from a pregnancy disability leave has no greater right to reinstatement than if they had been continuously employed.

The provisions of Fresno EOC's Family Care and Medical Leave policy regarding the leave's effect on pay (Section I(C)), notice requirements (Section I(D)(1)), medical Certification requirements (Section I(D)(2)); and reinstatement (Section I(E)) also apply to all pregnancy-related disability leaves. However, for pregnancy-related disabilities, there is no process for obtaining more than one medical opinion. For the purpose of applying those provisions, an employee's pregnancy-related disability is considered to be a serious health condition.

IV. MILITARY FAMILY LEAVE

A. Qualifying Exigency Leave - Eligible employees with a spouse, son, daughter, parent or next of kin on active duty, called to active duty status, having veteran status and has been honorably discharged in the last five (5) years, in the National Guard or Reserves in support of a contingency operation may use 12 week leave entitlement to address certain qualifying exigencies.

“Qualifying exigencies” include:

a. Issues arising from a military member's short notice deployment (i.e., deployment on seven or less days of notice) for a period of seven days from the date of notification;

b. Military events and related activities (e.g. official ceremonies, programs, or events sponsored by the military or family support or assistance programs, and informational briefings sponsored or promoted by the military, military service organizations, or the American Red Cross) that are related to the covered active duty or call to covered active duty status of a military member;

c. Certain childcare and related activities arising from the covered active duty or call to covered active duty status of a military member (e.g. arranging for alternative childcare, providing childcare on a non-routine, urgent, immediate need basis, enrolling or transferring a child in a new school or day care facility, and attending certain meetings at school or a day care facility if they are necessary due to circumstances arising from the covered active duty or call to covered active duty of the military member);

d. Caring for a military member's parent who is incapable of self-care when the care is necessitated by the military member’s covered active duty (e.g. arranging for alternative care, providing care on an immediate need basis, admitting or transferring the parent to care facility, or attending meetings with staff at a care facility);

f. Making or updating financial and legal arrangements to address a military member's absence;

f. Attending counseling provided by someone other than a health care provider for oneself, the military member, or the child of the military member, the need for which arises from the covered active duty or call to covered active duty status of the military member;

g. Taking up to fifteen days of leave to spend time with a military member who is on short-term, temporary rest and recuperation leave during deployment;
h. Attending certain post-deployment activities, including attending arrival ceremonies, reintegration briefings and events, and other official ceremonies or programs sponsored by the military for a period of 90 days following the termination of the military member’s covered active duty status, and addressing issues arising from the death of a military member; and

i. Any other event that the employee and Fresno EOC agree is a “qualifying exigency.” or that qualifies as such under Gov. Code § 12945.2 and Unemployment Insurance Code § 3302.2 where applicable.

B. Military Caregiver Leave: Eligible employees with a spouse, child, parent, or next of kin of a covered service member, can take up to 26 weeks of leave, to care for a covered service member during a single 12-month period. A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform his or her duties for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list. If a spouse or registered domestic partner both work for Fresno EOC and each wishes to take leave to care for a covered service member, the spouse or registered domestic partner may take a combined total of 26 weeks of leave and must take the leave within the 12-month period.

V. OTHER DISABILITY LEAVES

A. Occupational Disabilities: A temporary disability leave of absence to reasonably accommodate a work-related injury will be granted to any employee who sustains a work-related disability. A disability leave under this section may run concurrently with any medical leave to which the employee is entitled under Section I of this policy. Employees taking disability leave must comply with the Family Care and Medical Leave provisions regarding substitution of paid leaves (Section I(B)), notice (Section I(D)(1)), and medical certification (Section I(D)(2)). A Request for Authorized Absence form must be completed and approved by the employee's immediate supervisor, program manager/director, and director. For the purpose of applying these provisions, an occupational disability leave will be considered to be a medical leave. The employee will be responsible for providing periodic updates to the supervisor and/or program manager/director at least every thirty (30) days during the leave concerning status, expected date of return, and continued intent to return to work upon expiration of the leave.

Subject to any limitations permitted by law, a leave of absence for a work-related disability shall be extended for the duration of the work-related disability until one of the following situations takes place:

- The employee is released with or without restrictions that can be accommodated.
- Fresno EOC receives medical evidence satisfactory to it that the employee will be unable to return to work.
- The employee resigns.
- The position which the employee occupied prior to the leave of absence ceases to exist or is filled for legitimate business reasons.

B. Status of Employee Benefits during Leave: Accrued sick time benefits or vested vacation benefits may be coordinated with Workers' Compensation temporary disability benefits payable under such a plan, provided the employee has accrued sick time and/or vested vacation benefits and elects to combine the two benefits. Except to the extent that other paid time is substituted for medical leave, the leave is unpaid.

Group health and life insurance benefits ordinarily provided by Fresno EOC, and for which the employee is otherwise eligible, will be continued during the period of disability for up to four (4) months, and provided the employee pays the required contributory amount. Payments must be received by the 25th of the month. If payment is more than 30 days late Fresno EOC will provide 15-day notice before loss of coverage. Upon the employee's return, reinstatement of health benefits will occur on the 1st of the following month. Employees
whose occupational leave is in excess of four (4) months and who are enrolled in the health care plan have the right to elect continuation of coverage under COBRA.

C. Leave’s Effect on Reinstatement: Before returning to work following a leave of absence for a work-related disability, the employee must provide a medical certification from a licensed health care provider stating the date and ability to return to work. Except as provided by applicable law, Fresno EOC will make every effort to place an employee returning from leave in the same or comparable position for which the individual is qualified unless such position is unavailable or ceases to exist because of legitimate business reasons. In such cases, the employee may be terminated and may be considered for future openings (see Policy 1090, Recruitment, Selection, and Employment).

An employee who fails to report for work at the end of the approved leave may be considered to have voluntarily resigned unless unusual circumstances have prevented the return and a reasonable excuse has been offered and accepted within three (3) work days after the employee was released to return to work.

VI. SAFE HARBOR GENETIC INFORMATION NON-DISCRIMINATION ACT (GINA)

The Genetic Information Notification Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or acquiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, Fresno EOC will not provide any genetic information when responding to a request for medical information. Genetic information, as defined by GINA, including an individual’s family medical history, the results of an individual’s or family member’s genetic tests, the fact that an individual or an individual family member sought or received genetic services, and genetic information of a fetus carried by an individual or any individual’s family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.
POLICY 4020 LEAVES OF ABSENCE

PURPOSE: To clarify and distinguish the parameters and procedures for authorized leaves for eligible Fresno EOC employees.

POLICY: It is the policy of Fresno EOC to provide authorized leaves of absences for specified periods of time to all eligible employees on a non-discriminatory basis. Leaves will be considered for personal reasons, education, bereavement, and legally required absences as set forth below.

PROCEDURES:

I. PERSONAL LEAVE

Regular full-time and part-time employees may request a personal leave of absence without pay for personal compelling reasons for a reasonable period of time, up to thirty (30) days. Extensions may be granted in up to thirty (30) day increments due to special circumstances, but may not exceed a total of four (4) months.

Personal leaves due to compelling reasons may involve circumstances such as family emergencies and family or personal disabilities for which the employee is not otherwise eligible for leave (see Policy 4010, Family, Medical, Pregnancy and Other Disability Leaves of Absences).

A. Requests: A Request for Authorized Absence form must be completed in writing, which must include the reason for the request, and approved by the employee's immediate supervisor and program manager/director. Requests for leaves of absences will be considered at the discretion of Fresno EOC and on the totality of circumstances, including, but not limited to the employee's length of service, performance, responsibility level, the reason for the request, the urgency of the situation, whether other individuals are already out on leave, and the expected impact of the leave on the employee's department. It is the employee's responsibility to report to work at the end of the approved leave.

B. Status of Employee Benefits during Personal Leave: During the leave of absence, the employee may use any accrued vacation benefits. However, the use of vacation benefits will not extend the duration of the leave. Group health and life insurance benefits ordinarily provided by Fresno EOC, and for which the employee is otherwise eligible, may be continued during the period of the leave, provided the employee pays the required contributory amount. Payments must be received by the 25th of the month. If payment is more than 30 days late Fresno EOC will provide 15-day notice before loss of coverage. Upon the employee's return, reinstatement of health benefits will occur the 1st of the following month. No vacation, sick time, or seniority will accrue during a leave without pay.

Any leave taken under this provision that qualifies as leave under the state and/or federal family/medical leave acts, will be counted as family/medical leave and charged against the entitlement of twelve (12) work weeks of family/medical leave in a twelve (12) month period.

C. Leave’s Effect on Reinstatement: An employee who fails to report to work on the day after the leave expires will be considered to have voluntarily resigned, unless unusual circumstances have prevented the employee from returning and a reasonable excuse has been offered and accepted within three (3) work days after the leave expired.

Every effort will be made to place an employee in the same or comparable position after the end of the leave unless such position is unavailable or ceases to exist because of legitimate business reasons. If a position is not
available, the employee will be laid off, and the employee may be considered for future openings (see Policy 1090 Recruitment, Selection, and Employment).

II. **EDUCATIONAL LEAVE**

Regular full-time and part-time employees may request an Educational Leave without pay for a reasonable period of time not to exceed four (4) months per rolling calendar year. Educational leaves may be granted when the educational program undertaken is likely to enhance Fresno EOC's capabilities to provide service to the public. Consequently, the training should have as its objective either an increase in the effectiveness of an employee in the current job assignment or be designed to enhance the employee's advancement possibilities within Fresno EOC.

An employee may be granted up to six (6) hours of time off during the normal work week per semester to attend an approved educational program, unless it would cause an undue hardship to the program.

This time off is unpaid; however, the employee may use existing vacation benefits, if available and approved. Fresno EOC reserves the right to request that the employee furnish written verification from the school as proof that the employee participated in school activities on the specific date at the specific time. Failure to provide written verification is grounds for corrective action. See Section I (A), (B), and (C) of this policy for the application process, status of benefits, and reinstatement.

III. **BEREAVEMENT LEAVE**

Regular full-time and part-time employees who have experienced a death or terminal illness in the immediate family will be granted an emergency paid leave of up to three (3) working days. “Immediate family” is defined as: current spouse, registered domestic partner, mother or father, step mother or father, legal guardian, son or daughter, sister or brother, grandparent, employee’s spouse, domestic partner, child, stepchild, parent, stepparent, parent-in-law, child-in-law, sibling, step-sibling or an adult who stood in loco parentis to the employee during childhood.

Active employees who have experienced a death or terminal illness in the extended family will be granted an emergency paid leave of up to one (1) working day. Extended family is defined as: brother-in-law, sister-in-law, aunt, uncle, grandparent, grandchild or spouse’s grandparent, grandparent-in-laws, great-grandparent, great-grandchild, son or daughter-in-law, mother or father-in-law, sister or brother-in-law.

The employee will be paid the regular rate for each of the scheduled work days missed and may be required to furnish satisfactory evidence to support the leave. A Request for Authorized Absence form must be completed and approved by the employee's supervisor and program manager/director. Employees under discipline for attendance issues may be required to provide documentation with regard to their bereavement leave.

Employees may use paid bereavement leave for up to one year from the date of loss.

Employees may be allowed up to four hours of bereavement leave to attend the funeral of a fellow regular employee or retiree of the company, provided such absence from duty will not interfere with normal operations of the agency.

IV. **CIVIC RESPONSIBILITIES**

Employees who do not have sufficient time outside of their regular working hours to vote in an election may request time off to vote. If possible, employees should give at least two working days' notice to their supervisor that time off for voting is desired if the employee knows or has reason to know of the need for the time off. Up to two hours of paid time off will be provided at the beginning or end of the employee's regular shift,
whichever will allow the most free time for voting and require the least amount of time off, unless otherwise mutually agreed.

It is Fresno EOC's policy to enable its employees to fulfill their civic obligations. An employee who is called for jury duty or is required by law to appear in court will be provided time off for that purpose and will be paid regular pay less amounts received for jury duty or service as a witness. This does not apply in the case of legal or criminal action brought against an employee. It is the employee's responsibility to notify the supervisor as soon as notice has been received that the employee has been requested for jury duty or required to appear. The employee must provide a copy of the jury summons or subpoena to appear in court. In order to receive pay for days of absence, the employee must complete a Request for Authorized Absence form and present a certificate or time sheet from the court verifying jury service or testimony for each day of absence to the supervisor. The employee's time sheet shall indicate jury duty for days of absence. The employee will be required at the end of the obligation to provide a copy of the jury or witness check whereby an adjustment will be made on the next paycheck, or the jury or witness check may be endorsed over to Fresno EOC. Any mileage received will be retained by the employee. The employee is expected to return to work each day that he/she is released from service during normal working hours, and must return to work at the completion of his/her obligation.

V. ALCOHOL AND DRUG REHABILITATION LEAVE

Fresno EOC will make reasonable accommodations to employees who have enrolled voluntarily in a drug or alcohol rehabilitation program. Employees who have enrolled in a rehabilitation program will be given unpaid time off to participate in the program unless it would result in an undue hardship on Fresno EOC. Fresno EOC will make reasonable efforts to keep confidential the fact that the employee is enrolled in the program.

This time off is unpaid; however, the employee may use any accrued sick time or accrued vacation benefits while on leave. This leave may run concurrently with any other medical leave to which the employee is entitled (see Section I of Policy 4010, Family, Medical, Pregnancy and Other Disability Leaves of Absences).

To qualify for a leave, the employee will be required to provide a medical certification within 15 days. An employee who does not provide a medical certification within 15 days and remains absent from work may be considered to have voluntarily resigned.

VI. LITERACY ASSISTANCE

Any employee who needs time off to attend an adult literacy education program should make the request through the supervisor. Fresno EOC will attempt to make reasonable accommodations for the employee of up to six (6) hours of time off during the normal work week, unless it would cause an undue hardship to do so. This time off is unpaid; however, the employee may use existing accrued vacation benefits, if available and approved. Fresno EOC will also attempt to safeguard the privacy of the fact that an employee is enrolled in an adult literacy education program.

VII. OTHER LEGALLY REQUIRED LEAVES

An employee who has a child enrolled in kindergarten through grade 12, or cared for by a licensed child care provider, may take time off from work, up to 40 hours each year, not exceeding 8 hours in any calendar month, for certain child-related activities. These activities are: (1) to find, enroll, or reenroll a child in a school or with a licensed child care provider; (2) to participate in activities of the school or licensed child care provider; or (3) to address a child care provider or school emergency.

“Parent” means a parent, guardian, stepparent, foster parent, grandparent, or a person who stands in loco parentis to a child. “Child care provider or school emergency” means that the child cannot remain in school or with the child care provider because: (1) the school or child care provider has requested that the child be picked up; (2) the school or child care provider has an attendance policy (excluding planned holidays) that prohibits the
child from attending or requires the child be picked up; (3) behavioral or discipline problems; (4) closure or unexpected unavailability of the school or child care provider (excluding planned holidays); or (5) a natural disaster including fire, earthquake, or flood.

To take time off under reasons (1) or (2), the employee must give reasonable notice to their supervisor. To take time off under reason (3), the employee must simply give notice to their supervisor as soon as possible. An employee may use vacation time for the visits, if available and approved. A supervisor may request the employee to provide documentation from the school or child care provider verifying the date and time of the child-related activity.

If both parents of the child work for Fresno EOC, the parent who first gives notice is eligible for the time off. The other parent may be permitted to take time off, under the conditions set forth in this policy, only if a supervisor authorizes the leave of absence. An employee requested to appear at their child’s school due to the child’s suspension, may take an unpaid leave of absence provided that the employee gives Fresno EOC reasonable notice of the request to appear.

VIII. SCHOOL APPEARANCE LEAVE

An employee that is the parent or legal guardian of a child suspended from school is entitled to take an unpaid leave to comply with the principal’s written request of the employee’s presence at the school, provided the employee gives reasonable advance notice to the Agency. Check with the Human Resources Office for eligibility and scheduling before taking any leave to attend.

IX. ORGAN AND BONE MARROW DONOR LEAVE

After completing 90 days of employment with Fresno EOC, an employee undergoing an organ donation procedure or treatment related to organ donation may take up to 30 business days of paid leave in a one-year period related to the donation. The one-year period is measured from the date the employee’s leave begins and shall consist of 12 consecutive months. Up to 10 days of an employee’s accrued but unused vacation or sick time (not PSL) available at the time of leave is to be taken and will be credited against the 30 paid business days of donor leave available for organ donation. An additional unpaid leave of absence, not exceeding 30 business days in a one-year period, will be provided to an employee who is an organ donor, for the purpose of donating the employee’s organ to another person. An employee who is donating his/her organ to another person or has a treatment related to organ donation will be granted up to 30 business days of paid leave in any one-year period based on scheduled hours worked. An employee will be required to use up to ten (10) days of accrued and unused sick time (not PSL) or vacation time for organ donations.

After completing 90 days of employment with Fresno EOC, any employee undergoing a bone marrow donation procedure or treatment related to bone marrow donation may take up to 5 business days of paid leave in a one-year period related to the donation. The one-year period is measured from the date the employee’s leave begins and shall consist of 12 consecutive months. Up to 2 days of an employee’s accrued but unused vacation or sick time (not PSL) available at the time of leave is to be taken and will be credited against the 5 business days of donor leave available for bone marrow donation. An employee who is donating his/her bone marrow will be granted up to 5 business days of paid leave for bone marrow donation in any one-year period based on scheduled hours worked. An employee will be required to use up two (2) days of accrued and unused sick time (not PSL) or vacation time for bone marrow donations.

An employee must provide written verification that they are an organ or bone marrow donor and that there is a medical necessity for the donation. An employee will be restored to the same or equivalent position upon return. This leave will not be considered as a break in continuous service for the purposes of accrued benefits, salary adjustments and health care. This leave will not run concurrently with FMLA or CFRA and can be taken in one or more periods. Donor leave taken will also not be counted against an employee’s seniority/length of service and will not affect eligibility for pay increases or other benefits. Employees who take donor leave will not be retaliated or otherwise discriminated against for doing so.
X. CIVIL AIR PATROL LEAVE

Members of the Civil Air Patrol who have been employed at least 90 days are eligible for an unpaid leave of absence of a maximum of ten (10) days per calendar year for the purpose of responding to an emergency operational mission of the California Wing of the Civil Air Patrol. Under normal circumstances, the leave for a single emergency operation mission shall not exceed three days. Employees shall give the Agency as much notice as possible of the intended dates upon which the Civil Air Patrol leave will begin and end. The Agency may require certification to verify the eligibility of the employee for the leave requested or taken. Employees taking Civil Air Patrol leave are not required to exhaust accrued leave time but may do so at their election.

XI. VOLUNTEER FIREFIGHTERS TRAINING/CIVIL SERVICE LEAVE

Employees who are A volunteer firefighter, a reserve peace officer, or emergency rescue personnel who intends to perform emergency duty during work hours, should notify should notify his/her supervisor that he/she may have to take time off to perform emergency duty. The employee should also notify his/her supervisor prior to leaving the premises in the event he/she needs to take time off for emergency duty or training.

An employee who is a volunteer firefighter, reserve peace officer or emergency rescue personnel, will be permitted to take temporary leaves of absence for the purpose of engaging in fire, law enforcement or emergency rescue training. This amount of leave permitted will not exceed an aggregate of 14 days per calendar year.
POLICY 4030 MILITARY LEAVES

PURPOSE: The purpose of this policy is to provide guidance and procedures for granting time off for military leaves to full- and part-time regular employees.

POLICY: It is the policy of Fresno EOC to grant short or long-term leaves for uniformed service in accordance with applicable federal and state law.

PROCEDURES:

I. MILITARY SERVICE

An employee inducted into military service will be granted an approved unpaid leave of absence and will have reinstatement privileges upon return to the Agency. “Service” is defined as duty on a voluntary or involuntary basis, including: active duty; active duty for training; initial active duty for training; inactive duty training; full-time National Guard duty; and absences for examinations to determine fitness for duty.

The term “service in the uniformed services” means the performance of duty on a voluntary or involuntary basis in a uniformed service and includes active duty, active duty for training, initial active duty for training, inactive duty training, full-time National Guard duty, and a period for which an employee is absent for the purpose of an examination to determine fitness to perform any such duty.

A. Long-term Tour of Duty: An employee who enters into or is called to uniformed service duty shall notify the supervisor immediately and shall be granted a leave of absence not to exceed five (5) years. A Request for Authorized Absence form must be completed and submitted with written verification from the appropriate military authority to the employee's supervisor, and program manager/director. No prior notice of the leave is required if it is precluded by military necessity or the giving of such notice is impossible or unreasonable.

B. Short-term Leave of Absence: An employee who is a member of the National Guard or of a reserve component of the Armed Forces shall, upon furnishing a copy of the official orders or instructions, be granted a military training leave. Training leaves will not, except in emergency or in the event of extenuating circumstances, exceed two weeks a year, plus reasonable travel time. A Request for Authorized Absence form must be completed and submitted with written verification from the appropriate military authority to the employee's supervisor, and program manager/director. The employee will be expected to return to work the first full regularly scheduled work period following completion of the service (with an eight-hour period for safe transportation).

C. Reinstatement from Leave: Fresno EOC will reinstate an employee returning from leave to his/her same position or one of comparable seniority, status, and pay if he/she:

1. Has a certificate of satisfactory completion of service;
2. Returns the first full regularly scheduled work period (if such first regularly scheduled work period is at least 8 hours after the arrival at the employee's place of residence) following completion of service if service is less than 30 days; apply within fourteen days after release from active duty if active duty was for 30 days but less than 181 days; apply within 90 days if absence was more than 180 days, or within such extended period, if any, as his/her rights are protected by law; and
3. Is qualified to fill his/her former position.

Reservists who are ordered to initial active duty for training of not less than twelve consecutive weeks and Selected Reservists on active duty for operational missions are required to apply for reemployment within 31 days of his/her release from training or service. Fresno EOC is not required to reemploy an employee after
military leave if the circumstances have changed as to make such reemployment impossible or unreasonable: if the employment would impose an undue hardship on the employer; or the employment held by the employee was so brief or nonrecurring that there was not reasonable expectation that the employment would continue indefinitely or for a significant period.

D. Leave and Benefits: Employees are permitted, but are not required, to use accrued vacation benefits toward short-term uniformed service time. Any unpaid time off will affect vacation and sick time accrual. Seniority, for the purpose of benefits, will accrue during short-term leaves as defined in Section B of this policy. Eligible employees who leave for a long-term leave will be paid any accrued vacation on the last day prior to the beginning of the leave. Seniority, for the purpose of benefits, will accrue for no more than five (5) years during long-term tours of duty as defined in Section A of this policy (unless otherwise required by law).

Whenever the uniformed service leave is four (4) months or less, the employee may continue group health and life insurance benefits, if eligible, by paying the required contributory amount. Payments must be received by the 25th of the month. If payment is more than 30 days late Fresno EOC will provide 15-day notice before loss of coverage. Upon the employee's return, reinstatement of health benefits will occur on the 1st of the following month. Employees whose leaves are in excess of four (4) months and who are enrolled in the health care plan have the right to elect continuation of coverage under COBRA. The maximum length of required continuation coverage is the lesser of 18 months beginning on the date the employee became eligible or the day after the date on which the employee fails to apply for or return to active employment with Fresno EOC. Employees returning to work are entitled to reinstate health coverage as if they had never left. Exclusions for pre-existing conditions, proof of good health, and waiting periods do not apply. However, exclusions for illnesses or injuries which were service connected are applied.

II. MILITARY SPOUSE LEAVE

Eligible employees may request Military Spouse Leave for up to ten (10) days when a spouse in the Armed Forces, National Guard or Reserves who has been deployed during a period of military conflict is on leave from military deployment. Employees must provide notice of intent to take Military Spouse Leave within two business days of receiving official notice that the military spouse will be on leave from deployment. A Request for Authorized Absence form must be supported by documentation certifying that the military member will be on military leave from deployment during the time of the requested leave.

To be eligible for Military Spouse Leave, an employee must work an average of 20 or more hours per week and be the spouse of a qualified member of the military. For Military Spouse Leave purposes only, the term “spouse” includes registered domestic partners. The term “qualified member of the military” is defined as (1) a member of the Armed Forces of the United States who has been deployed during a period of military conflict to an area designated as a combat theater or combat zone by the President of the United States; or (2) a member of the Armed Forces Reserve Components or the National Guard who has been deployed during a period of military conflict. Combat zones are designated by the President of the United States. “Military conflict” means a period of war declared by the United States Congress or a period of deployment for which a member of a reserve component is ordered to active duty either by the Governor or the President of the United States. Provided all the conditions of this policy are met, an employee may take a maximum of ten (10) days of Military Spouse Leave. Questions concerning eligibility should be directed to the Human Resources Office.

Leave requested pursuant to this section is unpaid. However, an employee who is granted Military Spouse Leave shall be entitled to use any accrued vacation benefits during the period of leave. Paid sick time during Military Spouse Leave may only be utilized in conformance with Policy 3030 (see Section IV of Policy 3030, Sick Time). The use of paid leave does not extend the total duration of Military Spouse Leave to which an employee is entitled. Employees on Military Spouse Leave accrue employment benefits, such as sick time, vacation benefits, or seniority only when paid leave is being substituted for unpaid leave and only if the employee would otherwise be entitled to such accrual.

Employees who fail to return to work on the first work day after the period of the approved leave expires will be considered to have voluntarily resigned, unless unusual circumstances have prevented the return and a
reasonable excuse has been offered and accepted within three (3) work days after the period of the approved leave expired.

POLICY 5010 WORKPLACE ATMOSPHERE

PURPOSE: To maintain a friendly, congenial and professional atmosphere by identifying the responsibilities of Fresno EOC and its employees.

POLICY: It is the policy of Fresno EOC that all employees maintain a working environment that encourages mutual respect, promotes civil and congenial relationships among employees and is free from all forms of harassment, discrimination, retaliation, and violence. Fresno EOC's respect and reputation in the community will be determined by the work we do, and by the employees who represent us. We are proud of those who work for us, and employees can be proud of the positions of trust they hold. It is expected that employees will maintain the highest degree of integrity and honesty. The community will judge Fresno EOC by the actions of its employees.

PROCEDURE:

I. DEFINITION

Employees are expected to conduct themselves in an appropriate manner in accordance with this policy.

Employees have the right to conduct their work without disorderly interference from other employees and be treated with respect and professionalism. The Agency prohibits employees from violating this right of their co-workers. Employees are also expected to maintain their work area in a neat and professional manner as to not disrupt another employee’s work environment or create any safety hazards.

Fresno EOC encourages a congenial work environment of respect and professionalism. Therefore, employees, co-workers, clients and/or program participants should not:

- Verbally abuse others;
- Use intimidation tactics and/or make threats;
- Sabotage another's work;
- Stalk others; or
- Make malicious, false and/or harmful statements about others.
POLICY 5020 STANDARDS OF PERFORMANCE AND CONDUCT

PURPOSE: To identify performance and conduct considered improper and unacceptable in the workplace and which may result in corrective action.

POLICY: It is the policy of Fresno EOC that employees are expected to observe certain standards of job performance and good conduct. An employee is expected to conduct themselves in a manner benefiting their status as an employee of Fresno EOC and exercise prudence and discretion in regard to all Agency business. When performance or conduct does not meet the standards of Fresno EOC standards, the Agency will endeavor, when it deems appropriate and at its sole discretion, to provide the employee a reasonable opportunity to correct the deficiency unless Fresno EOC determines such conduct is not able to be remedied or warrants immediate termination. An employee who fails to make the correction will be subject to corrective action up to and including termination.

These examples of conduct violations do not affect the at-will status of all employment whereby an employee can be terminated with or without cause or advance notice.

II. CORRECTIVE ACTION PROCEDURE

The level of corrective action used to maintain the standards of performance and conduct will be determined in light of the facts and circumstances of each individual case at the sole discretion of Fresno EOC. Each incident
will be considered in light of a variety of factors, including: (1) the seriousness of the incident and the circumstances; (2) the employee's past conduct; (3) the nature of any previous incidents; and (4) the general practice as it relates to the incident (see Policy 5025, Counseling and Corrective Action).

The Agency will not tolerate retaliation against any employee for cooperating in an investigation or for making a complaint.
POLICY 5025 COUNSELING AND CORRECTIVE ACTION

PURPOSE: To establish procedures with respect to counseling and corrective action; to assure all employees that basic corrective action procedures will be applied uniformly. To give employees who violate rules the opportunity to improve by advising what specific actions they should take to meet performance and conduct standards unless the employee's misconduct is determined to warrant immediate termination.

POLICY: It is the policy of Fresno EOC that all employees are required to comply with the Agency's standards of performance and conduct and that any noncompliance with these standards must be corrected. Fresno EOC has implemented a progressive corrective action system that supports uniformity, but does not preclude any form being used at any time and in any order deemed necessary under the circumstances. Nothing in this policy modifies Policy 1010 which provides that employment with Fresno EOC is at-will and can be terminated at any time with or without notice or cause.

PROCEDURES:

I. COACHING AND COUNSELING

Fresno EOC is committed to creating an environment where employees can do their best work. Supervisors are expected to regularly coach employees and correct performance issues while they are minor. The goal of coaching is to work with the employee to solve performance problems and to improve the work of the employee and the organization. Employees who fail to respond positively to informal coaching may receive corrective action and/or be placed on a Performance Improvement Plan (PIP).

II. CORRECTIVE ACTION

The level of corrective action used to maintain the standards of performance and conduct will be determined in light of the facts and circumstances of each individual case at the sole discretion of Fresno EOC. Each incident will be considered based on a variety of factors, including but not limited to: (1) the seriousness of the incident and the circumstances; (2) the employee's past conduct; (3) the nature of any previous incidents; and (4) the general practice as it relates to the incident. Depending on the circumstances and nature of the incident, Fresno EOC may place an employee on paid administrative leave pending the results of an investigation. Paid administrative leave must be approved by the program Officer or Chief Executive Officer or Chief Programs Officer and may not exceed a maximum of four weeks.

III. PROCESS

A. Verbal Reprimand: If an employee is not meeting Fresno EOC standards of performance or conduct, the employee's supervisor should take the following action:

1. Meet with the employee to discuss the matter;
2. Inform the employee of the nature of the problem and the action necessary to correct it;
3. Complete a Verbal Reprimand form signed by the employee and supervisor indicating that the meeting has taken place; and
4. Route for signatures and forward to the Human Resources Office. This information will be included in the employee's personnel file.

B. Written Reprimand and Warning: If there is a continued breach of performance or conduct standards, or if the situation warrants, the supervisor should hold a meeting with the employee and take the following action:

1. Issue a Written Reprimand and Warning to the employee;
2. Warn the employee that a continued breach of performance or conduct standards will result in more severe corrective action;

3. Require the employee to read and sign the written reprimand, and give the employee the opportunity to provide a written response; and

4. Forward the signed written reprimand to the Human Resources Office along with a summary of previous incidents which gave rise to the written warning and the action taken during the meeting with the employee. This information will be included in the employee’s personnel file.

C. Suspension: If there are additional occurrences, and/or depending on the severity of the conduct, the supervisor should take the following action:

1. Recommend suspension to the program manager/director and responsible Officer and obtain approval prior to any action being taken;

2. Issue a written suspension notice;

3. Suspend the employee without pay for up to five working days; or

4. Forward the suspension notice and signed warning form to the Human Resources Office along with any written report describing the occurrences and summarizing all actions taken and justifications.

All suspensions, including those which may lead to termination, must be reviewed by and approved by the program manager/director, and the responsible Officer.

D. Discharge (Involuntary Termination): An employee may be discharged for poor performance, misconduct, or other violations of Fresno EOC’s rules of conduct (see Policy 5020, Standards of Performance and Conduct). Discharges must be approved by the responsible Officer with approval by the Head Start Policy Council when applicable. Prior to discharging an employee under this policy, the Human Resources Officer will be consulted to assure proper documentation and procedures have been followed. As required by Federal Head Start rules, if the Head Start Policy Council disagrees as to the discharge of a Head Start employee, a committee shall be established with representatives of the Policy Council, Head Start staff and Fresno EOC. The committee shall meet and confer in an attempt to resolve the difficulty and clarify the termination criteria to be utilized.

IV. PERFORMANCE IMPROVEMENT PLAN

The Performance Improvement Plan (PIP) is a formal process wherein the supervisor meets with the employee to provide structured counseling and feedback regarding performance and conduct. If the employee fails to successfully complete the PIP, the supervisor will follow the corrective action procedures as outlined. An employee may be placed on a performance improvement plan in increments of thirty (30) days, up to a maximum of ninety (90) days. During the performance improvement period, the supervisor must evaluate the employee at the midpoint and at the end of the period. When an employee is placed on a performance improvement plan, a recommendation may be made by the employee’s supervisor to seek assistance through the Employee Assistance Program (see Policy 7030, Employee Assistance Program).

The supervisor will review the outcome of the performance improvement plan with the employee. The employee may be terminated at any point during the performance improvement period for failure to demonstrate improved job performance and/or other violation(s) of agency policies.
V. DEMOTION

The program manager, with the approval of the director, may demote an employee for corrective action reasons at any point during the process outlined above. A demotion is a change of any employee from a position of one pay grade to a position in a lower pay grade. The employee must meet the qualifications for the position in the lower grade. Demotions must be documented in writing and specify the cause for such action. Approval must be granted by the responsible Officer. Approval by the Head Start Policy Council, where applicable, is also required.

VI. CONTINUED BREACH OF CONDUCT

The corrective action procedures described above are not intended to apply solely to related problems and will be applied to an employee who is experiencing a series of unrelated problems involving job performance or conduct. Even though incidents may be unrelated, they represent a continuing pattern of policy violations that shall be addressed.

VII. SERIOUS MISCONDUCT

In cases involving serious misconduct, or any time the supervisor determines it is necessary, such as a breach of policy or violation of law, the procedures contained above may be accelerated.

The supervisor, with the concurrence of the program manager/director and responsible Officer, should suspend the employee pending review. An investigation of the incidents leading up to the suspension shall be conducted to determine what further action, if any, should be taken, including termination.

VIII. INVESTIGATORY INTERVIEW

An investigatory interview will be conducted for the purpose of determining the facts involved in any suspected violation of Fresno EOC rules and regulations. A typical investigation consists of interviewing the involved employee and any witnesses, finding and assessing any physical evidence, and evaluating the facts. The Human Resources Manager or Officer may be required to assist with the investigation. The interviewer should advise the employee witness as to the nature of the situation requiring investigation. Confidentiality shall be maintained during the investigations to the extent possible. Only those with a business need-to-know should be told about the allegations and investigation, and participants in the investigation should be requested not to discuss the situation with others in order to preserve the integrity of the investigation.

IX. TIME LAPSE BETWEEN PREVIOUS CORRECTIVE ACTION

If an employee completes twelve (12) months without further corrective action under this policy, any failure to meet performance or conduct may be treated as a first occurrence under this policy. However, Fresno EOC may still consider all past corrective actions in the continuation of employment and/or evaluating the performance of an employee (see Policy 7020, Performance Evaluations). Past corrective action(s) are relevant when making employment decisions and when evaluating an employee’s overall performance.
**POLICY 5030 ALCOHOL/DRUG FREE WORKPLACE**

**PURPOSE:** It is the intent of Fresno EOC to maintain a workplace that is free of drugs and alcohol.

**POLICY:** It is the policy of Fresno EOC that the Agency has a vital interest in maintaining safe and efficient working conditions for its employees. Substance abuse is incompatible with the health, safety, efficiency, and success of Fresno EOC. Employees who are under the influence of drug(s) or alcohol on the job compromise Fresno EOC's interests, endanger their own health and safety and the health and safety of others.

Fresno EOC has established this policy to further its interest in avoiding accidents, to promote and maintain safe and efficient working conditions for employees, and to protect property, equipment, and operations. Each employee must abide by this policy as a condition of continued employment with Fresno EOC.

**PROCEDURES:**

I. **PROHIBITED CONDUCT**

Employees are prohibited from using, selling, dispensing, distributing, possessing, or manufacturing illegal drugs, controlled substances, narcotics, legal drugs including marijuana or alcoholic beverages on Fresno EOC premises or work locations, and Agency vehicles. The exception to this policy is agency sponsored events with a special waiver by the Chief Executive Officer for alcoholic beverages.

Supervisors, as well as any other employees, should immediately report any action by an employee who demonstrates an unusual or affected behavior to their immediate supervisor and Human Resources Officer. Employees believed to be at work under the influence of illegal drugs, controlled substances, narcotics, legal drugs including marijuana or alcoholic beverages will be approached by the supervisor who will initiate the appropriate action. An employee in a designated safety-sensitive position as described in Section VIII will be subject to drug and/or alcohol testing as described in Section VII (B) of this policy.

II. **CORRECTIVE ACTION**

A. **Criminal Convictions:** Employees are required by this policy to notify Fresno EOC within five days of any conviction that may impact the employee’s: ability to perform his/her position duties, licensing under the program the employee works, insurability by the agency carrier; or as otherwise required by law to be disclosed. Failure to notify Fresno EOC of the above will result in corrective action up to and including termination. When required by federal law, Fresno EOC will notify any federal agency with which it has a contract of any employee who has been convicted under a criminal drug and/or alcohol statute.

B. **Discharge for Violation of Policy:** Employees will be subject to corrective action, up to and including termination, for violations of this policy. Violations include, but are not limited to: possessing illegal drugs, controlled substances, narcotics, legal drugs including marijuana or alcoholic beverages at work; being under the influence of those substances while working; using them while working; or dispensing, distributing, transporting, or manufacturing or selling them on Fresno EOC premises or work locations, and Agency vehicles.

C. **Discretion Not to Discharge:** Fresno EOC may choose not to discharge an employee for a violation of this policy if the employee satisfactorily completes participation in an approved drug or alcohol abuse assistance or rehabilitation program when recommended by Fresno EOC or the employee contacts an Employee Assistance
Program (EAP) and follows the recommendations made by the EAP, including satisfactory completion of or participation in an approved drug or alcohol abuse assistance or rehabilitation program.

D. Effect of Criminal Conviction: An employee who is convicted under a criminal drug/alcohol statute for a violation occurring on work duty will be deemed to have violated this policy.

III. USE OF OTC/PRESCRIBED MEDICATION

Fresno EOC recognizes that an employee may, from time to time, be prescribed medication that, when taken as prescribed or according to the manufacturer’s instructions, may result in his/her impairment. Employees must report his/her use of over-the-counter or prescribed medications to his/her supervisor if the use might impair his/her ability to perform his/her job safely and effectively. Employees may not work while impaired by the use of prescribed medication if the impairment might endanger the employee or someone else, pose a risk of significant damage to Fresno EOC property, or substantially interfere with the employee's job performance. To accommodate the absence, the employee may use accrued sick time or vacation benefits. The employee may also qualify for an unpaid leave of absence, such as family care or medical leave. Nothing in this policy is intended to sanction the use of accrued sick time or vacation benefits to accommodate absences due to the abuse of prescribed medication. Further, nothing in this policy is intended to diminish Fresno EOC’s commitment to employ or reasonably accommodate qualified disabled individuals. Fresno EOC will reasonably accommodate any qualified disabled employee who must take prescribed medication because of a disability if, with such reasonable accommodation, the employee can perform the essential functions of the position.

IV. UNREGULATED OR AUTHORIZED CONDUCT

A. Customary Use of Over-the-Counter Drugs: Nothing in this policy is intended to prohibit the customary and ordinary purchase, sale, use, possession, or dispensation of over-the-counter drugs, so long as that activity does not violate any law or result in an employee being impaired by the use of such drugs in violation of this policy.

B. Off-the-Job Conduct: This policy is not intended to regulate off-the-job conduct, so long as the employee's off-the-job use of alcohol or drugs does not result in the employee being under the influence of or impaired by the use of alcohol or drugs in violation of this policy while at work. An employee, while not consuming alcohol at work, may be under the influence from off-duty consumption or have a strong smell of alcohol which affects his/her ability to professionally perform job duties. An employee in a designated safety-sensitive position, as described in Section VIII, will be subject to drug and/or alcohol testing as described in Section VIII (B) of this policy.

V. CONFIDENTIALITY

To safeguard privacy rights, disclosures made by an employee to his/her supervisor concerning his/her use of legal drugs will be treated confidentially and will not be disclosed to any other person unless there is an important work-related reason to do so in order to determine whether it is advisable for the employee to continue working. For the same reason, disclosures made by an employee to his/her supervisors concerning his/her participation in a drug and/or alcohol rehabilitation program will be treated as confidentially as possible.

VI. COUNSELING/EMPLOYEE ASSISTANCE

Fresno EOC maintains an Employee Assistance Program which provides help to employees who seek assistance for drug and/or alcohol abuse as well as for other personal or emotional problems. An employee who suspects that he/she may have an alcohol and/or drug problem, even in the early stages, is encouraged to voluntarily seek diagnosis and to follow through with the treatment as prescribed by qualified professionals.
Participation in counseling, including Fresno EOC-sponsored or required counseling, is confidential and should not have any influence on performance evaluations. Job performance, not the fact that an employee seeks counseling, is to be the basis of all performance evaluations.

VII. DRUG AND ALCOHOL TESTING

A. Reasonable Suspicion Testing for Current Employees: An employee may be referred by a supervisor or other management to the Agency’s Occupational Health provider for evaluation when there is reason to believe that an employee is intoxicated or under the influence of drugs, including controlled substances, during work hours. Evidence of such behavior may include, but is not limited to: slurred speech, uneven gait, mood swings, violent temper, excessive absenteeism and tardiness, a reportable work related accident or injury, or an avoidable accident involving a vehicle or causing property damage.

B. Testing of Applicants for Designated Safety-Sensitive Positions: As part of Fresno EOC’s employment screening process, any applicant for a safety-sensitive position to whom an offer of employment is made must pass a test for controlled substances, under the procedures described below. The offer of employment is contingent on a negative test result. Applicants will be informed of Fresno EOC’s drug and alcohol testing policy in the employment application. Existing employees who transfer to a safety-sensitive position must comply with the testing requirement for that position.

A safety-sensitive position as referred to in this policy and defined by the Department of Transportation is a commercial driver position which requires the driving of vehicles: (1) with a gross combination weight rating of 26,001 or more pounds; or (2) with gross vehicle weight rating of 26,001 or more pounds; or (3) designed to transport sixteen (16) or more passengers, including the driver. Additionally, a safety-sensitive position includes any employee required to drive an agency vehicle in the course of employment and any position requiring the use of a California Class “A” or Class “B” commercial driver’s license.

C. Testing of Employees in Designated Safety-Sensitive Positions

1. Testing for reasonable suspicion: If an employee occupies a designated safety-sensitive position as defined above and the supervisor or manager has a reasonable suspicion that the employee is working in an impaired condition or otherwise in violation of this policy, the employee will be asked about any observed behavior and offered an opportunity to give a reasonable explanation. If the employee is unable to explain the behavior, a drug and alcohol test will be requested in accordance with the procedures outlined below. If the employee refuses to cooperate with the administration of the drug and alcohol test, the refusal will be handled in the same manner as a positive test result.

2. Random testing: Employees occupying designated safety-sensitive positions will be subject to random testing. The required selection rate is 10% of the average number of safety-sensitive positions annually for alcohol testing and 50% for drug testing. The selection process will be scientifically valid, that is, each affected employee will have an equal chance of being drawn each time a random selection is made. The testing will be unannounced and will be completed just before, just after, or while on duty.

3. Post-accident testing: Post-accident testing is required where a driver in a safety-sensitive position is involved in a vehicle accident whose performance could have contributed to the accident (as determined by a citation for a moving traffic violation) and for all accidents involving a loss of life, medical treatment, or vehicle damage, even if the driver is not cited for a moving traffic violation. The driver must be tested as soon as possible after the accident. If the test is not completed within two (2) hours, the department must document in writing why the test was not administered.

4. Return-to-duty and follow-up testing: Return-to-duty and follow-up testing is conducted when an individual who has violated the prohibited drug and alcohol conduct standards returns to
performing safety-sensitive duties, after successfully completing an approved professional substance abuse program. Follow-up tests are unannounced and at least six (6) tests must be conducted in the first twelve (12) months after a driver returns to duty. Follow-up testing may be extended for up to sixty (60) months following return to duty.

D. Procedures for Drug and Alcohol Testing: Fresno EOC will refer the applicant or employee to an independent, National Institute on Drug Abuse (NIDA)-certified medical clinic or laboratory, which will administer the test. Fresno EOC will pay the cost of the test. The employee will have the opportunity to alert the clinic or laboratory personnel to any prescription or nonprescription drugs that have been taken that may affect the outcome of the test. All drug testing will be performed by urinalysis. Initial screening will be done by EMIT II. All urine specimens will be analyzed for the following drugs: (1) marijuana (THC metabolite); (2) cocaine; (3) amphetamines; (4) opiates (including heroin); and (5) phencyclidine (PCP). Positive results will be confirmed by gas chromatography/mass spectrometry.

Alcohol testing will be conducted using a calibrated evidential breath testing device (EBT). If the test result is less than .02, the test is negative. If the test result is .02 or greater, a confirmation test will be performed. The clinic or laboratory will inform Fresno EOC as to whether the applicant passed or failed the drug or alcohol test. Failure of the test by the employee will be considered a violation of this policy and the employee will be subject to corrective action up to and including termination.

Employees who have engaged in alcohol or drug misuse as indicated by the above testing procedure will not be permitted to return to safety-sensitive duties until they have been evaluated by a substance abuse professional, have complied with recommended treatment and rehabilitation, and had a negative result on a return-to-duty test. Follow-up testing to monitor continued abstinence may be required.

E. Acknowledgment and Consent: Any employee subject to testing under this policy will be asked to sign a form acknowledging the procedures governing testing, and consenting to (1) the collection of a urine sample for the purpose of determining the presence of alcohol or drugs, and (2) the release to Fresno EOC of medical information regarding test results. Refusal to sign the agreement and consent form, or to submit to a drug and/or alcohol test, will result in the revocation of an applicant's job offer, or will subject an employee to corrective action up to and including termination. Applicants, as a condition of employment, must consent to Fresno EOC obtaining information on his/her drug and/or alcohol test results for the previous two years. The driver's previous employers will be requested to furnish reports on any positive tests and/or refusals to test.

F. Confidentiality: All drug and/or alcohol testing records will be treated as confidential.

G. Fitness for Duty: To protect the health and well-being of our employees, and to maintain a safe work environment for employees and clients, Fresno EOC reserves the right to request a Fitness for Duty evaluation when:

- There is reasonable cause for serious concern about an employee's ability to perform duties safely;
- An employee's behavior is grossly inappropriate for the workplace;
- There is reasonable concern for workplace safety; or
- Medical clarification is needed to support a reasonable accommodation request.

All matters will be treated as confidential.

The Agency will not tolerate retaliation against any employee for cooperating in an investigation or for making a complaint.
POLICY 5040 MANDATORY CHILD ABUSE REPORTING

PURPOSE: To inform employees of their responsibility to report known or suspected instances of child abuse.

POLICY: It is the policy of Fresno EOC that employees who work with children are required by law to report any known or suspected child abuse to the appropriate authorities.

REFERENCE: California Penal Code, §§ 11164-11174.4

PROCEDURE:

A mandated reporter is any employee that works with children as defined in Penal Code §11165.7. Any mandated reporter who fails to report an incident of known or reasonably suspected child abuse or neglect as required by law is guilty and punishable by law. All Head Start and Early Head Start employees are “mandated reporters.”

A mandated reporter shall make a report to the appropriate authorities whenever, within the employee's professional capacity or within the scope of employment, the employee has knowledge of, observes, or reasonably suspects a child has been the victim of child abuse or neglect. A mandated reporter must make a report if there is a substantial risk that abuse or neglect may occur, either in the care of a Fresno EOC Head Start/Early Head Start center or outside of the program. The mandated reporter shall make a report to the authorities immediately or as soon as is practically possible by telephone and shall prepare and send a written report thereof within 36 hours of receiving the information concerning the incident. The mandated reporter may include with the report any non-privileged documentary evidence relating to the incident. Agency programs and individuals must not attempt to investigate; to do so can jeopardize the accuracy of the official investigation conducted by child protective services. Any employee who is the subject of a reported case of abuse or neglect must be removed from contact with children during the state investigation and until the charge is fully resolved.
POLICY 5050 EMPLOYMENT OF RELATIVES (NEPOTISM) AND PERSONAL RELATIONSHIPS

PURPOSE: To avoid favoritism or the perception of favoritism by related employees and Commissioners or employees involved in a personal relationship with other employees.

POLICY: It is the policy of Fresno EOC to avoid the employment, assignment, transfer, promotion or compensation of relatives of employees or employees involved in a personal relationship into situations where the possibility of favoritism or the perception of conflicts of interest might exist.

REFERENCE: California Government Code § 12940(a) (3) (A).

PROCEDURES:

I. ASSIGNMENTS

Fresno EOC endeavors to avoid situations in which actual or an appearance of a conflict of interest may exist in the employment of relatives or employees involved in a personal relationship. To implement this objective, Fresno EOC will attempt to avoid assignments that involve actual or potential conflicts of interest, as well as working relationships involving relatives or individuals with close personal relationships that may potentially lead to complaints of favoritism, lack of objectivity, or employee morale and dissension problems that can result from such relationships.

In keeping with this policy, relatives of employees and the Board of Commissioners and individuals with whom employees reside will not be eligible for employment with Fresno EOC in any situation where potential problems of supervision, safety, security or morale exist or where personal relationships may create an actual or potential conflict of interest, cause disruption, or create a negative or unprofessional work environment. For example, Fresno EOC may refuse to place one relative under the direct supervision of the other relative for the reasons given above. For the same reasons, Fresno EOC may refuse to place relatives or employees involved in a personal relationship in the same program, component, department, division, or facility if the work involves potential conflicts of interest or hazards that are greater for relatives than for other individuals.

II. DEFINITION OF RELATIVE

For purposes of this policy, relatives include an employee's parent, grandparent, child (natural, foster, or adopted), spouse, domestic partner, brother or sister, stepparent, stepchild, stepbrother or stepsister. Relatives also include any parent, child, brother or sister of an employee's spouse. As noted above, the policy is not limited to relatives and applies to other covered situations involving actual and potential conflicts of interest.

If two employees become subject to the restrictions of this policy after they are hired, one or both of the employees must seek a transfer or reassignment that eliminates the actual or potential conflict of interest as specified in this policy. (For example, if two employees marry, become romantically involved, become related, or cohabitate as domestic partners, and the potential problems noted above exist, only one of the employees will be permitted to stay within the same program, component, department, division, or facility.) The decision as to which of the individuals will remain must be made by the two employees within thirty (30) calendar days from the beginning of the relationship or potential conflict. If no decision has been made by the employees involved during this time, management reserves the right to make an assignment.

III. DEFINITION OF PERSONAL RELATIONSHIP

For purposes of this policy, personal relationship is defined as a relationship between individuals who have or have had a continuing relationship of a romantic or intimate nature.
POLICY 5060 CODE OF ETHICS AND BUSINESS CONDUCT

Supervisors' safety responsibilities include: (1) being familiar with all safety and health procedures relevant to their operation; (2) inspecting their work areas periodically; (3) training their employees in safety matters; (4) identifying unsafe conditions; and (5) reporting accidents and injuries to the Safety Specialist immediately; and (6) ensuring that any injured employee is referred to appropriate medical care.

C. Safety Specialist: The Safety Specialist is located in the Human Resources Office and oversees Fresno EOC's safety policies and procedures. The Safety Specialist's responsibilities include, but are not limited to: (1) monitoring compliance with safety rules and regulations; (2) developing and implementing written safety plans or programs as needed; (3) investigating and ensuring that safety and health hazards are corrected; (4) conducting periodic safety and health inspections; (5) representing Fresno EOC during investigations conducted by Cal OSHA; (6) organizing safety training; (7) monitoring compliance with various requirements established by law or by the workers' compensation insurance carrier; (8) investigating accidents and hazardous incidents when necessary; (9) ensuring that all required notices are posted; and (10) evaluating the effectiveness of Fresno EOC's safety program.

II. REPORTING INJURIES AND UNSAFE CONDITIONS

Employees are required to immediately report all injuries to their supervisor. If an employee identifies an unsafe condition or an occupational safety and health risk, the matter should be immediately reported to the employee's
supervisor. If the supervisor is not readily available, the condition may be reported to the Safety Specialist. Fresno EOC strongly encourages employees to report any situations of this nature.

Fresno EOC will not retaliate, nor will it tolerate retaliation, against any employee who reports any safety issue.

In compliance with Proposition 65, the Agency will inform employees of any known exposure to a chemical known to cause cancer or reproductive toxicity.

III. THE INJURY AND ILLNESS PREVENTION PROGRAM (IIPP)

An Injury and Illness Prevention Program (IIPP) has been developed to comply with state rules and requires safety meetings, training programs, posting safety notices and safety tips, and providing periodic written communications to employees regarding safety matters.

IV. SMOKING

In keeping with the commitment to a philosophy of providing a work environment free of safety and health hazards, smoking is not permitted in the workplace. Accordingly, smoking including cigarettes, e-cigarettes, or other nicotine-delivery devices such as vaporizers, is prohibited inside all Fresno EOC buildings, rented, leased, or owned; transportation vehicles; restrooms; elevators; outside entrances to offices, or any other work areas. Employees who wish to smoke must limit smoking to break and meal periods and only in authorized areas. Employees are expected to exercise common courtesy and to respect the needs and sensitivities of co-workers and the public with regard to the smoking policy.

Employees who violate this policy will be subject to corrective action up to and including termination.

V. FIRST AID

For basic First Aid & Universal Precautions see the Medical Emergency First Aid program on the Safety Section of the Fresno EOC Intranet or contact the Safety Specialist.

VI. WORKER’S COMPENSATION

Worker’s Compensation is a system whereby an employer must provide insurance to pay the lost wages and medical expenses of an employee who is injured on the job.
POLICY 6020 WORKPLACE VIOLENCE

PURPOSE: To maintain a safe working environment where employees and nonemployees are free from the threat of workplace violence.

POLICY: It is the policy of Fresno EOC to be committed to providing a safe, violence-free workplace and strictly prohibits employees, Board of Commissioners, consultants, clients, visitors, or anyone else on Fresno EOC premises engaging in a Fresno EOC-related activity from behaving in a violent, intimidating, or threatening manner. As part of this policy, Fresno EOC seeks to prevent workplace violence before it begins and reserves the right to deal with behavior that suggests a propensity towards violence even prior to any violent behavior occurring.

PROCEDURES: Fresno EOC believes that prevention of workplace violence begins with recognition and awareness of potential early warning signs and has established procedures for responding to any situation that presents the possibility of violence.

I. WORKPLACE VIOLENCE DEFINED

Workplace violence includes:

- Threats of any kind;
- Threatening, physically aggressive, or violent behavior, such as intimidation of or attempts to instill fear in others;
- Other behavior that suggests a propensity toward violence, which can include belligerent speech, excessive arguing or swearing, sabotage, or threats of sabotage of Fresno EOC property, or a demonstrated pattern of refusal to follow Fresno EOC policies and procedures;
- Defacing Fresno EOC property or causing physical damage to the facilities; or
- With the exception of public safety personnel, bringing weapons or firearms of any kind on Fresno EOC premises, in Fresno EOC parking lots, or while conducting Fresno EOC business.

II. REPORTING

If any employee observes or becomes aware of any of the above-listed actions or behavior by an employee, commissioner, client, consultant, visitor, or anyone else, the employee's supervisor must be notified immediately. The supervisor will immediately notify the Director or designee, and Human Resources, who will take the necessary action steps to report a potential violence issue. The following contacts should be used to report critical situations.

- Imminent danger – dial 911
- Fresno EOC Operator – 263-1000
- Executive Plaza Site – Downtown Bike Patrol or Fresno Police Department Dispatch 621-7000

AND

- Human Resources – 263-1070

Employees are encouraged to notify their supervisor and the Human Resources Office if any restraining order is in effect, or if a potentially violent non-work-related situation exists that could result in violence in the workplace.
III. INVESTIGATION

All reports of workplace violence will be taken seriously and will be investigated promptly and thoroughly by the Director or designee. In the appropriate circumstances, Fresno EOC will inform the reporting individual of the results of the investigation. To the extent possible, Fresno EOC will maintain the confidentiality of the reporting employee and of the investigation but may need to disclose results in appropriate circumstances, for example, in order to protect individual safety. Fresno EOC will not tolerate retaliation against any employee who reports workplace violence. A report will be made to law enforcement if a violent act is suspected to be a criminal act or a violation of a restraining order.

IV. CORRECTIVE ACTION

If Fresno EOC determines that workplace violence has occurred, the employee will be subject to corrective action up to and including termination. Fresno EOC may request that the employee participate in counseling as a condition of continued employment. Any employee who may have a problem that could lead to violent behavior is encouraged to use the Employee Assistance Program.

If the violent behavior is that of a non-employee, Fresno EOC will take appropriate action in an attempt to ensure that such behavior is not repeated.
POLICY 6030 INFECTIOUS DISEASE CONTROL

PURPOSE: To establish guidelines and protocols during an infectious disease outbreak.

POLICY: Fresno EOC will take proactive steps to protect employees and the workplace in the event of an infectious disease outbreak in accordance with local, state and federal guidelines. It is the goal of Fresno EOC during any such time period to strive to operate effectively and ensure that all essential services are continuously provided and that employees are safe within the workplace.

REFERENCE: Center for Disease Control and Prevention, California Department of Public Health, Fresno County Department of Public Health, Occupational Safety and Health Administration

PROCEDURES:
Fresno EOC is committed to providing authoritative information about the nature and spread of infectious diseases, including symptoms and signs to watch for, as well as required steps to be taken in the event of an illness or outbreak. Violations of this policy may lead to corrective action up to and including termination.

I. PREVENTING THE SPREAD OF INFECTION IN THE WORKPLACE
Fresno EOC will ensure a clean workplace, including the regular cleaning of objects and areas that are frequently used, such as bathrooms, breakrooms, conference rooms, door handles and railings. A committee will be designated to monitor and coordinate events around an infectious disease outbreak, as well as to create work rules and guidelines that could be implemented to promote safety through infection control as outlined by local, state and federal agencies.

Fresno EOC asks all employees to cooperate in taking steps to reduce the transmission of infectious disease in the workplace. The best strategy remains frequent hand washing with warm, soapy water; covering your mouth whenever you sneeze or cough; and discarding used tissues in wastebaskets. Fresno EOC will also install alcohol-based hand sanitizers throughout the workplace and in common areas.

Unless Fresno EOC communicates otherwise, the normal attendance and leave policies will remain in place. Individuals who believe they may face particular challenges reporting to work during an infectious disease outbreak should take steps to develop any necessary contingency plans. For example, employees might want to arrange for alternative sources of childcare should schools close and/or speak with supervisors about the possibility to work from home temporarily or on an alternative work schedule. An employee may also be eligible for leave as described in Fresno EOC leave policies. (See Policy 4010: Family, Medical, Pregnancy and Other Disability Leaves of Absences; Policy 4020 Leaves of Absences.)

All employees working with clients or the public as part of an essential job function shall ensure to take all necessary precautions as outlined by local, state and federal agencies. Technology should be optimized to offer clients virtual, telephonic, or other electronic means to continue to seek and/or receive services.

II. PERSONAL PROTECTIVE EQUIPMENT (PPE)
When required, Fresno EOC shall provide personal protective equipment (PPE) to all employees working onsite. Employees are required to use PPE in accordance with established protocols and guidelines of Fresno EOC and local, state and federal agencies. All employees working with clients or the public as part of an essential job function shall take all necessary precautions.

III. LIMITING TRAVEL
All nonessential business travel shall be immediately suspended until further notice. Employees who travel as an essential part of their job should consult with management on appropriate actions.
Employees should avoid crowded public transportation when possible. Alternative scheduling options should be discussed with supervisor.

IV. TELECOMMUTING

Requests to work remotely will be handled on a case-by-case basis. While not all positions will be eligible, all requests for temporary telecommuting should be submitted to your supervisor for consideration. (See Policy 5100 Remote Work Access Guidelines)

V. STAYING HOME WHEN ILL

Many times, with the best of intentions, employees report to work even though they feel ill. Fresno EOC provides paid sick time to compensate employees who are unable to work due to illness (See Policy 3030 Sick Time and Policy 3035 Paid Sick Leave).

During an infectious disease outbreak, it is critical that employees do not report to work while they are ill and/or experiencing symptoms such as fever, cough, sore throat, runny or stuffy nose, body aches, headache, chills and fatigue. While subject to change, the Centers for Disease Control and Prevention (CDC) recommends that people with an infectious illness such as the flu remain at home until at least 24 hours after they are free of fever (100 degrees F or 37.8 degrees C) or signs of a fever without the use of fever-reducing medications. Employees who report to work ill will be sent home in accordance with current health guidelines as provided by the CDC, California Department of Public Health or other local health agencies.

VI. REQUESTS FOR MEDICAL INFORMATION AND/OR DOCUMENTATION

It may become necessary to request information from an employee and/or his/her health care provider if an employee is out sick or shows symptoms of being ill. In general, the supervisor or agency may request medical information to confirm the employee’s need to be absent, to show whether and how an absence relates to the infection, and to know that it is appropriate for the employee to return to work with or without accommodation. If a national or state of emergency is declared, Fresno EOC reserves the right to request alternative documentation, including if an employee is unable to see a health care provider.

VII. CONFIDENTIALITY OF MEDICAL INFORMATION

It is the policy of Fresno EOC to treat any medical information as a confidential medical record. In furtherance of this policy, any disclosure of medical information is in limited circumstances with supervisors, managers, first aid and safety personnel, and government officials as required by law.

VIII. SOCIAL DISTANCING GUIDELINES FOR WORKPLACE INFECTIOUS DISEASE OUTBREAKS

In the event of an infectious disease outbreak, Fresno EOC may implement social distancing guidelines to minimize the spread of the disease among the staff.

A. During the workday, employees are requested to:

1. Avoid meeting people face-to-face. Employees are encouraged to use the telephone, online conferencing, e-mail or instant messaging to conduct business as much as possible, even when participants are in the same building.

2. If a face-to-face meeting is unavoidable, limit size of meeting, minimize the meeting time, choose a large meeting room and sit at least six (6) feet from each other; avoid any person-to-person contact such as shaking hands.

3. Avoid any unnecessary travel and cancel or postpone nonessential meetings, gatherings, workshops and training sessions.
4. Do not congregate in break rooms, copier rooms or other areas where people socialize.
5. Consider taking your meal periods and rest breaks away from others (avoid lunchrooms and crowded restaurants).

IX. OUTSIDE ACTIVITIES

A. Employees might be encouraged to the extent possible to:

1. Avoid public transportation (by walking, cycling, or driving a car) to avoid rush-hour crowding on public transportation.

2. Avoid recreational or other leisure classes, meetings, activities, etc., where employees might come into contact with contagious people.
POLICY 7010 LEARNING AND DEVELOPMENT

PURPOSE: To establish Fresno EOC's commitment to learning and development of employees' career and advancement opportunities.

POLICY: It is the policy of Fresno EOC to encourage employees to use the process of learning and development to explore new opportunities in managing career progression. Training will commence with the initial orientation process and may include developmental steps towards a career path and increased responsibilities in a current position. Underrepresented communities will be given opportunities to improve their education and skills to help them compete on level playing grounds with other employees.

PROCEDURES:

The benefits to Fresno EOC of effective and timely employee training and development programs are numerous:

- Confident and satisfied employees who will treat clients and co-workers with care and efficient service,
- Cross-training in other positions,
- Increased competitive advantage and responsibilities in current position,
- Lower employee turnover,
- Employees who follow safe work procedures, and
- Competent, promotable employees.

Training and development opportunities at the Agency may include:

I. EMPLOYEE ORIENTATION

The Agency employee orientation training program provides new employees with information concerning Agency policies, procedures, safety and employee benefits. Supervisors will conduct an initial orientation and training to give an employee the information needed to conduct business in their new position.

II. STAFF AND MANAGEMENT DEVELOPMENT SEMINARS

Management and regular employees are provided periodic training opportunities on a variety of subjects, from personal and professional development topics (customer service, multi-cultural awareness, computer courses, etc.) to informational programs (group insurance, retirement plan updates, etc.).

III. SAFETY TRAINING

Fresno EOC offers training at both the Agency and program level on a variety of safety related topics.

IV. OUTSIDE SEMINARS AND CONFERENCES

The Agency supports employee attendance and participation in professional seminars and conferences offering general topics or specialized information in the employee's field. Each program establishes an annual budget for staff development seminars/conferences, within the program's financial resources.

V. MEMBERSHIP IN PROFESSIONAL ORGANIZATIONS

The Agency encourages employee membership in professional organizations. Networking provides a cost-effective opportunity to share knowledge, resources and experiences with professionals.
POLICY 7020 PERFORMANCE EVALUATIONS

PURPOSE: To motivate employees, assess job performance and progress, communicate expected standards of performance, and discuss future objectives and goals.

POLICY: It is the policy of Fresno EOC that the job performance of each employee should be evaluated regularly by his/her supervisor. Performance evaluations are a management tool and provide an objective and consistent process to measure each employee's performance. The evaluation process should inform employee of his/her employment standing and communicate expected standards of performance. It is also used to discuss work standards, areas where improvement is needed, corrective plans, development and growth opportunities.

PROCEDURES:

I. EVALUATION SCHEDULE

A. Introductory Period and Evaluation: The introductory period applies to all employees, commences on the employee's seniority date of hire, and lasts twelve (12) months. During this time, supervisors should carefully observe the performance of the employee. Where appropriate, weaknesses in performance and behavior are to be brought to the employee's attention for correction.

A formal evaluation will be conducted by the supervisor at the midpoint of the introductory period, and full written performance evaluation will be completed at the end of the twelve (12) month period. The employee will transition from introductory status when he/she has received a satisfactory evaluation and recommendation of status change from his/her supervisor and approval by the Program Manager/Director (see policy 1140, Introductory Period).

B. Annual Evaluation: Performance evaluations will occur on an annual (12 month) basis from the employee's seniority date of hire.

II. PERFORMANCE FACTORS TO BE CONSIDERED IN EVALUATIONS

When evaluating employees, supervisors should consider factors such as experience and training, commitment to continuing education, job duties and responsibilities, and attainment of previously set objectives and goals. Other factors to be considered include but are not limited to: knowledge of the job, quantity and quality of work, promptness in completing assignments, cooperation, initiative, reliability, attendance, judgment, conduct, and acceptance of responsibility.

III. PERFORMANCE EVALUATION PROCESS

A. Written Evaluation: In conjunction with established timelines, supervisors should prepare a written evaluation of each employee's job performance using the approved performance evaluation template. The evaluation should include the supervisor's comments and recommendations, an action plan for both the employee and supervisor, and performance goals for the next evaluation period.

B. Evaluation Review with Employee: The supervisor should review the evaluation with the next level of management prior to meeting with the employee to discuss the evaluation. During the meeting the employee and supervisor should assess the employee's strengths and weaknesses in a constructive manner, and set objectives and goals for the period ahead. The employee should be given the opportunity to review the evaluation and make written comments about any aspect of it. The evaluation is signed by the supervisor and employee. A copy of the evaluation will be provided to the employee. The evaluation is forwarded to the Human Resources Office for processing and inclusion in the employee's personnel file. An approved Employee Form should accompany the performance evaluation, if necessary.
An employee who contests the evaluation may file a written response to the performance evaluation within thirty (30) days of receiving the performance evaluation. The response will be attached to the performance evaluation and included in the personnel file.

C. Effects of Performance Evaluations: Information derived from the performance evaluation will be considered when making decisions affecting training, pay, promotion, transfer, or continued employment. An employee will not be eligible for a pay increase if the overall evaluation of an employee is unsatisfactory or improvement is needed. A Performance Improvement Plan (PIP) will be developed by the employee's supervisor, and the employee will be reviewed again within ninety (90) days. If no improvement is shown, the employee will be subject to corrective action up to and including termination in accordance with the corrective action procedure (see Policy 5025, Counseling and Corrective Action).
POLICY 7030 EMPLOYEE ASSISTANCE PROGRAM

PURPOSE: The Employee Assistance Program is a confidential resource that helps employees deal with life’s challenges and the demands that come with balancing home and work. The program provides professional counseling and referrals for a wide array of personal and work-related concerns.

POLICY: It is the policy of Fresno EOC to recognize that personal problems may have a negative impact on an employee's attendance, job performance, or behavior at work. Employees may occasionally benefit from professional assistance with personal problems. Accordingly, Fresno EOC provides an Employee Assistance Program (EAP) for all employees.

PROCEDURES:

I. EMPLOYEE ASSISTANCE PROGRAM

The Employee Assistance Program is administered by an outside employee assistance firm. The EAP provides confidential and professional counseling and when appropriate, referral to other services to address personal problems. The EAP is offered to enhance personal well-being.

Employees who need assistance with a personal life situation should contact the EAP. Although employees are encouraged to use the EAP, participation in the program does not relieve an employee of his/her obligation to perform his/her work in a satisfactory manner and to comply with other Fresno EOC rules and guidelines including Fresno EOC's Alcohol/Drug-Free Workplace policy.

If a violation of Fresno EOC's Alcohol/Drug-Free Workplace policy occurs, subsequently using the EAP will not necessarily lessen corrective action and may, in fact, have no bearing on the determination of appropriate corrective action (See Policy 5030, Alcohol/Drug-Free Workplace). The employee's decision to seek assistance from the EAP will not be used as a basis for corrective action and will not be used against the employee in any corrective action proceeding. On the other hand, using the EAP will not be a defense to the imposition of corrective action where facts proving a violation of the Alcohol/Drug-Free Workplace policy are obtained outside of the EAP. Accordingly, the purpose and practice of the Alcohol/Drug-Free Workplace policy and an employee's use of the EAP are not in conflict and are distinctly separate in their application.

II. ELIGIBILITY

The EAP is offered to all employees and all household members.

III. COUNSELING AND REFERRAL SERVICES

The EAP program provides for up to three (3) free visits per six (6) month period for problem assessment, professional consultation, counseling, information, and/or referral. EAP counseling is typically a three-stage process that includes (1) clarifying the problem, (2) identifying the possible solutions, and (3) developing an action plan. If the action plan calls for treatment by another resource, participating employees will be responsible for paying those fees or some of the costs may be covered under the group health plan. EAP brochures and information for online resources are available from the Human Resources Office.

IV. USE OF THE EAP

Employees should make every effort to schedule EAP appointments before or after working hours, or during meal periods. EAP appointments scheduled during working hours will be treated the same as medical appointments and may be charged against sick time unless it is employer-mandated.
V. SELF-REFERRAL

Any employee or dependent who desires confidential assistance for a personal problem should call the EAP directly. The EAP will arrange for a counselor to see the individual for confidential consultation.

VI. SUPERVISOR REFERRAL

In collaboration with the Human Resources Office, supervisors may refer an employee to the EAP when the supervisor has reason to believe that an attendance, behavior, or work-performance problem may be the result of a personal problem. Employees may be required to attend the EAP as a condition of employment when deemed necessary. Fresno EOC, however, may take such steps as it deems appropriate in response to the underlying attendance, behavior, or work-performance problem.

VII. CONFIDENTIALITY

All EAP records and services are treated confidentially. The EAP will not share information concerning an individual's involvement in the program without the individual's written permission unless life, safety, or national security is seriously threatened or disclosure is otherwise required by law.

If an employee is referred to the EAP by the employee's supervisor because of an attendance, behavior, or work performance problem, the EAP will confidentially inform Human Resources whether the employee attends the EAP session(s) and cooperates with the counseling plan. However, no further information will be shared by the EAP without the employee's written permission.

VIII. EMERGENCY RESPONSE TO CRITICAL INCIDENTS

In the event of a crisis or a critical incident (e.g. suicide or death of a co-worker, critical accident), the EAP's Critical Incident Response Team responds by debriefing the individuals involved in the traumatic event.

IX. QUESTIONS REGARDING EAP PROGRAM

Questions regarding EAP services should be directed to the Human Resources Office or the EAP.
POLICY 7040 SEPARATION OF EMPLOYMENT

PURPOSE: To define the types of separations of employment from Fresno EOC and the process.

POLICY: Employees separate from employment with Fresno EOC by resignation, discharge, a reduction in the work force, reorganization, or retirement. This policy is only a guideline and shall not be construed to act as or create any type of employment contract with any employee of Fresno EOC. Fresno EOC reserves the right to implement its policies and procedures in the best interest of the Agency.

REFERENCE: California Labor Code §§ 201 and 201; § 227.3; §§ 221, 224, and 225.5.

PROCEDURES:

I. DEFINITIONS

A. Voluntary Separation: Fresno EOC will consider an employee to have voluntarily ended his/her employment if:

1. Elects to resign or retire; or
2. Fails to return from an approved leave of absence on the date specified on the Request for Authorized Absence form and is not otherwise extended as a reasonable accommodation; or
3. Fails to provide the required certification or forms for approval of a leave of absence when such forms are required to be submitted; or
4. Fails to report for work without notice to Fresno EOC for three consecutive days.

B. Involuntary Termination: An employee may be terminated, at-will, with or without cause, with or without notice at any time (see Policy 1010, At-Will Employment).

Notice of termination should be handled carefully and discreetly, preferably in a private meeting including the employee to be terminated, the immediate supervisor, and representative of Human Resources.

C. Layoff Due to Reorganization, Job Elimination, or Lack of Work: From time to time, Fresno EOC may need to separate an employee as a result of reorganization, consolidation, job elimination, lack of work, or when funds are withdrawn or reduced (see Policy 7050, Layoffs).

II. VOLUNTARY SEPARATION PROCESS

Employees are encouraged to give two week’s written notice prior to resignation. The supervisor or manager will prepare a Personnel Termination Form as the first step in the separation process. The form should be accompanied by supporting documents, such as a letter of resignation and final timesheet. All documents will be forwarded to the Human Resources Office for processing.

III. INVOLUNTARY TERMINATION PROCESS

All involuntary terminations must be approved at the executive management level and by the responsible Officer or designee. The supervisor should contact the Human Resources Office to start the termination process.

The supervisor will be required to complete the Personnel Separation Termination Form accompanied with the timesheet, performance evaluation, corrective action or other supporting documentation. All documents will be forwarded to the Human Resources Office for processing. In addition, all terminations of Head Start/Early Head

134
Start employees must be accepted by the Head Start Policy Council. The Human Resources Officer or Manager should review the termination requests to ensure proper documentation and procedures have been followed and to ensure compliance with any state and/or federal laws.

IV. EXIT PROCESS

Employees must return all Fresno EOC-furnished property, such as uniforms, tools, equipment, I.D. cards, keys, key cards, credit cards, and other Fresno EOC documents. Arrangements for clearing any outstanding debts with Fresno EOC such as travel advances, or petty cash must be made prior to the date of termination.

V. BENEFITS

The Human Resources Office is responsible for notifying employees who are covered by Fresno EOC's group health plan of their right to continue coverage under that plan. Information regarding other benefits such as retirement life insurance conversion, etc. will also be provided.

VI. PAYMENT ON RESIGNATION OR TERMINATION

If an employee resigns, a final paycheck will be available on the final day of work, provided the employee has given at least seventy-two (72) hours' prior notice. If an employee resigns without giving seventy-two (72) hours' notice or fails to return to work, a final paycheck will be made available for the employee to pick up no later than seventy-two (72) hours after the date when an employee is considered to have resigned, unless the employee notifies Human Resources his/her final paycheck mailed.

If an employee is terminated involuntarily, the final paycheck will be available at the time of discharge.

The employee's final paycheck will include payment for all wages due and for unused vacation time, minus authorized deductions. Sick time is not compensable and will not be paid upon separation of employment.

VII. REQUESTS FOR REFERENCES

Requests for employment references or verifications of employment should be directed to the Human Resources Office.
POLICY 7050 LAYOFFS AND FURLOUGHS

PURPOSE: To establish a fair and consistent procedure for determining and notifying employees of pending layoffs or furloughs.

POLICY: It is the policy of Fresno EOC to recognize that layoffs or furloughs may become necessary due to (1) job elimination, (2) lack of work, (3) reorganization, (4) consolidation, or (5) when funds are withdrawn or reduced, resulting in the phasing out of positions or programs or (6) budget constraints.

PROCEDURES:

I. LAYOFFS

A. Factors Used to Determine Order of Layoffs: If a layoff is determined to be necessary, the Director shall consult the Human Resources Office to develop a layoff plan to be approved by the responsible Officer. This plan shall include the anticipated number and classifications of employees to be laid off and a plan for conducting an orderly layoff plan to minimize adverse effect on the employees to be laid off. Once the scope of the layoff is determined, employees will generally be laid off in the following order:

1. Temporary and on-call employees;
2. Introductory employees;
3. Regular Part-Time employees; and
4. Full-Time employees

Fresno EOC reserves the right to deviate from this order whenever it concludes that circumstances warrant such a deviation.

Within each of the classifications noted above, employees shall be selected for layoff based on a combination of factors, including, but not limited to: the ability to perform the work required, past performance, qualifications, attendance, punctuality, and length of service with the Agency and the program.

B. Interview Priority: An employee who has successfully completed his/her introductory period and who is selected for layoff may apply for any open position for which he/she is qualified. An application must be submitted no later than ninety (90) days after the date of layoff (see Policy 1090, Recruitment, Selection, and Employment). Affected employees who meet the qualifications for the open positions will be automatically considered a finalist, will be entitled to an interview and will be required to go through the selection process along with other candidates.

II. FURLOUGHS

A. Fresno EOC may initiate and approve furlough leaves of absence when financial conditions make it necessary for the Agency to do so.

A furlough is a temporary period of leave, that places affected employees on a reduced schedule or a leave of absence/non-paid status for a limited and specific period of time. Employee furloughs are subject to the following:

- The employee remains employed with the Agency and maintains his/her hire/rehire date (see Policy 1070 Employment Classifications).
- The employee may choose to use any accrued vacation or sick time available during this period. If an employee will be on a temporary furlough leave of absence that extends beyond the current payroll
period the furlough is scheduled to begin, the employee will be paid all accrued vacation along with the final paycheck on the date of the furlough. Further, the employee may be eligible for unemployment insurance benefits.

- The Agency shall continue to pay the full employee share of health premiums for those employees and dependents who are enrolled, during the furlough period and the employee shall continue to be eligible for such benefits, not to exceed four months. The employee can remit the monthly insurance premium amount while on furlough or upon returning to work, the premiums shall be reimbursed by payroll deductions. If the furlough leave extends beyond four months, employees will receive notification to elect to continue coverage through Consolidated Omnibus Budget Reconciliation Act (COBRA).

Furlough leave provisions do not apply to employees on worker’s compensation leave due to an industrial illness or injury.

POLICY 2040 – DISCRETIONARY BONUS INCENTIVE POLICY

PURPOSE: To provide an effective means to motivate and compensate eligible employees through discretionary monetary award bonuses for exceptional performance, significant contributions, and substantial accomplishments well beyond normal or regular work responsibilities. A discretionary bonus does not increase the base salary nor serve as a means to give larger annual increase. This bonus is given at the discretion of the Program Director with approval from the CEO. Fresno EOC believes that such discretionary compensation can be a highly effective means to enhance the employer-employee relationship. In addition, Fresno EOC hopes that by providing discretionary short-term bonus, the agency will motivate and increase the retention rate among its employees, which, in turn, will enhance Fresno EOC’s long-term value.

POLICY: It is the policy of Fresno EOC to provide, at the sole and total discretion of the Program Director and CEO, a discretionary bonus to employees for the exceptional performance, significant contribution, and substantial accomplishments of employees that go well beyond normal or regular work responsibilities. There is no guarantee or promise, whether express or implied, to pay employees a discretionary bonus. No oral promise to award a discretionary bonus by any officer, director, manager or supervisor is enforceable. Fresno EOC will only honor written bonuses that have been approved by the Program Director and CEO. This discretionary bonus is only applicable when funds are available and cannot be awarded more than once annually.

ELIGIBILITY:
Employees may be eligible for a discretionary bonus, at the sole discretion of the Program Director and CEO, provided the following performance standards are met:

1) Significant and outstanding contribution and effort well beyond normal expectations and day-to-day responsibilities.

2) Contribution is regarded as major, key or vital.

3) Extraordinary effort to meet quality and quantity requirements while meeting the essential requirements and performance standards of the regular job.

Employees may receive a discretionary bonus only if they are employed on the date the payment is processed and have not indicated an intent to resign.

Employees who terminate their employment before the end of the bonus period are not eligible for any portion of the bonus.

Employees may not be rewarded twice for the same performance standards described in 1-3, above. A discretionary bonus must not be used in place of additional job responsibilities that may be assigned or overtime payment in circumstances where the employee is entitled to such premium wage.

Employees should not receive more than one discretionary bonus within a 12-month period.

The establishment of a discretionary bonus does not constitute a contract for continued employment or alter the at-will relationship between the employee and Fresno EOC.

PROCEDURES:
Appropriate documentation for the discretionary bonus must be in writing and must include the following information:

- Brief and specific description of the bonus plan
- Date or timeframe of contribution or event
- Discretionary bonus amount
- Approval signatures from Program Director and Program Officer.

Programs must ensure that funds are available. If necessary, all formal programmatic recommendations and approvals must be obtained prior to awarding discretionary bonuses.
A discretionary bonus must be made as a one-time payment and must not be added to an employee’s base salary.

Fresno EOC will deduct any federal, state or local income tax withholding requirements or other tax requirements or withholdings applicable to the discretionary bonus, and all such determinations shall be final and conclusive.

A discretionary bonus will not be included in employee benefits-related calculations (i.e. retirement and pension benefits) or regular rate of pay. The discretionary bonus is not measured by or dependent upon hours worked, production or efficiency.

Programs must apply extreme care when awarding a discretionary bonus inasmuch as these awards may give rise to perceptions of favoritism and inequality. Programs must consistently and fairly apply the standards for awarding a discretionary bonus.

Fresno EOC reserves the right to dismiss any employee at-will (at any time, with or without prior notice, with or without cause), or otherwise implement other personnel or corrective actions to the employee to the same extent as though the discretionary bonus had not been adopted.

Fresno EOC (CEO) may terminate or revoke any discretionary bonus, at its sole discretion, at any time and amend, from time to time the discretionary bonus without the approval of any employee.
POLICY 3070 – VACCINATION POLICY

PURPOSE: In accordance with Fresno EOC’s duty to provide and maintain a workplace that is free of known hazards, the Agency strongly encourages employees to receive vaccines that safeguard the health of employees and their families; clients and guests, and community at large from infectious diseases, such as COVID-19 or other illnesses. This policy will comply with all applicable laws and is based on guidance from the Centers for Disease Control and Prevention, Department of Fair Employment and Housing, and local health authorities, as applicable.

POLICY: All employees are strongly encouraged to receive vaccinations as determined by Fresno EOC. Employees may request reasonable accommodations.

PROCEDURES:

I. VACCINATION ACCESS AND APPOINTMENTS

Fresno EOC will provide onsite access to the vaccine(s) or a list of locations to assist employees in receiving the vaccine on their own.

Employees will be paid for time taken to receive vaccinations. For offsite vaccinations, employees are expected to plan appointment(s) in a manner that minimizes a disruption of the workflow. Employees are required to notify their supervisor of a vaccination appointment as soon as they are aware to ensure proper staffing coverage and to ensure such time spent attending and receiving the vaccination is recorded as time worked on the time keeping system. Such compensable time shall not result in non-exempt employees working more than eight hours in a day or more than 40 hours in a week. Employees must also make sure meal period and rest breaks are taken in accordance with policies.

Employees may be required to provide either proof of vaccination or an approved reasonable accommodation based on the needs of the program in serving clients.

II. REASONABLE ACCOMMODATION

Employees in need of an exemption from this policy due to a medical reason, or because of a sincerely held religious belief must submit a completed Request for Accommodation form to the Human Resources Office to begin the interactive accommodation process as soon as possible. Accommodations will be granted where they do not cause Fresno EOC undue hardship or pose a direct threat to the health and safety of others.

Questions regarding this policy can be directed to the Human Resources Office.
POLICY 5045 – CHILD SUPPORT REFERRAL

PURPOSE: To provide guidance on Fresno EOC’s responsibility to clients regarding Child Support Services in the state of California.

POLICY: It is the policy of Fresno EOC to comply with the Community Services Block Grant Act Child Support Services regulations regarding referrals to Child Support Services for custodial parents in single-parent families.

REFERENCE: 42 U.S. Code § 9919

PROCEDURES:

If a client is a single parent, who has custody of a child under the age of 18, the client may be eligible for help from CA Child Support Services with obtaining child support from the other parent of the child.

I. Eligibility Determination Process for Staff

If the client indicates that they have custody of their child/children on an intake form and:

• The client does not live with the other parent

AND

• The client did NOT indicate that they are receiving child support as a source of income on the Income Verification Form, the procedure below is to be followed:

1. Provide the client with the following information about services provided by CA Child Support Services:
   • Locating a parent
   • Arranging for paternity testing
   • Establishing a support order
   • Enforcing a support order

2. Offer the client additional information such as a copy of the application for such services to be submitted to CA Child Support Services, an informational brochure and/or where someone could obtain additional information.

Enter any applicable tracking codes for the services rendered into Fresno EOC’s intake software.
PURPOSE: The purpose of this policy is to outline discretionary severance pay benefits that may be implemented at the discretion of Fresno EOC.

POLICY: This policy, when implemented at the discretion of Fresno EOC, applies to all exempt and nonexempt, full-time and part-time employees. Part-time employees may receive severance pay on a pro-rated basis in accordance with their scheduled hours. Severance pay benefits are also subject to program restrictions and funding.

PROCEDURES:

In the event of an involuntary termination due to a reduction in force/downsizing, change in program or agency direction, job elimination, or as otherwise deemed appropriate by Fresno EOC, the Agency may provide a severance benefit for the affected employees. This does not apply to terminations for cause, refusal to be reassigned, or refusal to be relocated.

An issuance of severance pay by Fresno EOC for a specific event does not guarantee future severance pay or the rate paid for previous or future similar events.

Criteria for the rate of severance pay will be determined and agreed upon prior by the CEO, and program management as applicable, prior to issuance of any payments.

Recommended Action
The Program Planning and Evaluation Committee recommends approval for full Board consideration to amend current subcontractor agreements for a two (2) year period for Energy Services weatherization program to December 31, 2023.

Background

The formal RFP process resulted in three subcontractors selected and approved by Fresno EOC Board for a three-year contract term including: 1.) Energy Efficiency, Inc. (dba-Synergy), 2.) Sundowner Insulation, Inc. and 3.) CWES, Inc. Due to COVID-19, Fresno EOC had to suspend contract services with all three (3) subcontractors.

A contract extension is being recommended for the following reasons:

1) Due to the pandemic, subcontractors had to halt weatherization services for approximately sixteen months. This amendment would restore the previously planned work in accordance with the original subcontractor agreements.

2) The ability to add new subcontractors at this time would not be possible as required State of California weatherization training is still suspended until further notice.

3) Initiating an RFP process to solicit subcontractors, which takes over three months to complete, would negatively impact program services and may result in not fully expending the contract funding allocation. The weatherization contracts with our funding source have deadlines requiring the work to be completed prior to the expiration dates. The Energy Services program must prioritize focusing on providing services to clients that have been deferred for many months.
Subcontractors provide a fee-based performance to install measures required for weatherization and energy efficiency upgrades. The maximum amount for average billing is $4,055 per dwelling unit weatherized. Annually, Energy Services provides nearly 500 households with weatherization and energy efficiency upgrades.

**Fiscal Impact**

Extension will allow subcontractors to continue providing services and agency to fully expend funding allocations.

**Conclusion**

If approved, Energy Services will be able to aid Fresno County low-income households in meeting their home energy cost by providing free energy efficiency upgrades to lower their monthly utility bills while also improving the health and safety of the household's occupants. If not approved, the agency may not be able to expend the contract funding allocation.
Recommended Action

The Program Planning and Evaluation Committee recommends approval for full Board consideration of the Head Start 0 to 5 May and June Monthly Program Update Reports.

Background

As per mandate, Head Start agencies provide monthly updates to the Board and Policy Council, written as required by the Head Start Act of December 12, 2007, Section 642 Powers and Functions of Head Start Agencies (d) Program Governance Administration, (2) Conduct of Responsibilities, (A) through (I).

Below is a reference to the requirement.

(2) Conduct of Responsibilities – Each Head Start agency shall ensure the sharing of accurate and regular information for use by the governing body and policy council, about program planning, policies, and Head Start agency operations. . .

The report includes all areas mandated by the Head Start Act, not reported elsewhere: (B) monthly program activity summaries; (C) program enrollment reports; (D) monthly reports of meals and snacks provided through the U.S. Department of Agriculture; (H) communication and guidance from the Secretary of Health and Human Services.

The excluded information reported separately includes: (A) monthly financial reports including credit cards, (E) financial audit report, (F) annual Self-Assessment (G) community-wide strategic planning (Community Assessment) and the (I) Annual Program Information Report (PIR).

The May and June Program Update Reports are attached for review.
Fiscal Impact

The County-Wide Policy Council and the Fresno EOC Board of Commissioners must have timely and accurate information in order to ensure programmatic and fiduciary accountability of Fresno EOC Head Start 0 to 5. The staff have implemented this report to provide information monthly for these purposes.

Conclusion

If approved by the full board, Head Start 0 to 5 will continue share accurate and current information to the governing body and policy council in order to provide optimal services to children and families in Fresno County.

Recommended Action

The Program Planning and Evaluation Committee recommends ratification for full Board consideration of American Rescue Plan Grant proposal in the amount of $1,407,000 submitted to the City of Fresno on July 26, 2021.

Background

Advance Peace is a community building strategy that focuses on those trapped at the heart of cyclical and retaliatory gun violence. Advance Peace aims to provide mentorship, social services, pathways for healing and reconciliation, employment opportunities, safe spaces and resources and support necessary to uplift those from poverty to prosperity.

Short-term goals are to identify top twenty individuals who are considered the most lethal in our city and enroll them as fellows in the program, create relationships built on trust and credibility, provide pathways for healing by offering safe spaces, therapy, any social services needed. Engagement with these community members will lead to a reduction in retaliatory gun homicides in the City of Fresno.

Fiscal Impact

The proposed funding amount of $1,407,000 will allow Advance Peace to hire four additional Peacekeepers and four additional Neighborhood Change Agents and increase salaries for existing Neighborhood Change Agents. The proposal also includes funding to assist with fellows' basic needs such as housing costs.

Conclusion

Advance Peace serves those who reside in historically disinvested communities. The program aims to assist in building healthier, self-sufficient individuals and fostering a sense of value and self-worth. If not approved, other funding opportunities need to be explored to expand services.
Recommended Action

The Program Planning and Evaluation Committee recommends ratification for full Board consideration of the Oral Health Program Mini-Grants in the amount of $180,000 submitted to Fresno County Department of Public Health (DPH) for a 10-month period beginning September 1, 2021.

Background

Fresno County DPH has made two $90,000 grants available for promoting oral health literacy. One grant is to provide oral health education to pregnant women in Fresno County, and the second is for educating Fresno County residents more generally on the importance of oral health.

Fiscal Impact

Proposed funding for the 10-month period is in the amount of up to $180,000 for both service areas. Fresno EOC could be awarded in only one category and would therefore receive $90,000.

Conclusion

This award would allow Health Services Division to expand its work of addressing oral health disparities for both pregnant women and Fresno County residents more broadly. There is no direct impact if not awarded; this is a complementary funding.
Recommended Action

The Program Planning and Evaluation Committee recommends ratification for full Board consideration to approve multiple Fiscal Year (FY) 2021-22 Food Service agreements for approximately $4,060,796.

Background

BOAARD OF COMMISSIONERS MEETING

Date: September 22, 2021  Program: Sanctuary and Support Services
Agenda Item #: 10B7  Director: Misty Gattie-Blanco
Subject: Homeless Youth Services Contract  Officer: Michelle L. Tutunjian

Recommended Action

The Program Planning and Evaluation Committee recommends acceptance of the Second Amendment of the Homeless Youth Services contract agreement with the City of Fresno for full board consideration to extend the contract term to June 30, 2023 in the amount of $484,305. The extended 24-month grant term period begins on July 1, 2021.

Background

The City of Fresno received funding specific for Homeless Youth Services Funding from the State of California Business, Consumer Services and Housing Agency’s Homeless Emergency Aid Program (HEAP). HEAP is a $500 million block grant program authorized by Senate Bill 850, designed to provide direct assistance to cities and counties to address the homelessness crisis throughout California.

HEAP funds were allocated to the City of Fresno, who collaboratively with other institutions and organizations in Fresno’s homeless service provider system, aim to make homelessness infrequent, brief, and non-recurring. The Mayor’s and City Manager’s Office shall provide administration and oversight of these funds through contractual relationships between selected vendors and the City.

In 2021, the City of Fresno received funding under the Homeless Housing, Assistance and Prevention (HHAP) program to fund the project for 24-months.

Fiscal Impact

The contract agreement for $484,305 starts on July 1, 2021. The HHAP funding does not require matching funds.
Conclusion

Fresno EOC can continue providing Youth Bridge Housing and Navigation services to homeless youth in Fresno for an additional 24-month with this funding.
Recommended Action

The Program Planning and Evaluation Committee recommends ratification for full Board consideration of the Recover Up grant in the amount of $1.9 million submitted to the Families & Workers Fund for a proposed three year term.

Background

The Families and Workers Fund is a collaborative philanthropy effort launched in April 2020 designed to support and empower workers, families, and communities devastated by the health and economic crisis caused by COVID-19. The Families & Workers Fund plans to help workers and families move back into economic security and support unemployed or underemployed communities by connecting them to quality jobs and establish career pathways that result in better financial wellness for all workers and families.

Fresno EOC’s proposal includes incorporating a Guaranteed Income component into the existing Central Valley Forestry Corps (CVCF) program over a period of three years, which will allow the CVFC to connect members of Fresno County’s marginalized communities with quality jobs with greater potential for upward mobility. Guaranteed income will consist of twelve-monthly supplemental income payments of $1,000 issued to four cohorts of up to twenty Forestry Corps members each. The Central Valley Forestry Corp Guaranteed Income Project will help to provide financial security for those who may not be financially secure enough to engage in workforce training programs.

Fiscal Impact

If funded, Fresno EOC will be awarded $1.9 million to launch the three-year project; $969,600 directly to participants in the form of the monthly guaranteed income payments and survey incentive gift cards. The grant will also allow the Local Conservation Corps to purchase two new vehicles, a chipper, chainsaws, and other needed small equipment.
Conclusion

These funds will allow Fresno EOC to provide Central Valley Forestry Corps members with financial support during training to bridge the gap between skill development and employment. If not approved, the Central Valley Forestry Corps will continue operating with existing program funding. However, we would not be able to launch the Guaranteed Income component which would make program slots available to those community members most in need of the support of supplemental income as they work toward a higher paying job.
**Recommended Action**

The Program Planning and Evaluation Committee recommends ratification for full Board consideration of the Proud Parenting Program grant application in the amount of $300,000 submitted to the Board of State and Community Corrections for a 3-year period beginning January 1, 2022.

**Background**

The intent of the Proud Parenting Program is to support young parents who are or were involved in the juvenile systems and/or considered crossover youth within the child welfare system. Participants must be 25 years old or younger at time of enrollment. This grant program assists participants and their children by supporting approaches to increase parenting knowledge to create positive parent-child interactions, and improves co-parenting relationships. In addition, the grant helps to provide community linkages and encourages family-centered activities to strengthen generational bonding.

This proposal is in alignment with the agency’s goals of assisting a low-income, diverse workforce, and provides training in the effort to assist them in becoming self-sufficient.

**Fiscal Impact**

Fresno EOC applied for $100,000 (for the first year of a three [3] year grant cycle). Each subsequent year, up to two (2) additional years, will be funded at the amount requested in the original application for funding. Total amount of funding for the three-year grant period is $300,000. Subject to a continued annual appropriation, this new grant cycle will begin on January 1, 2022.
Conclusion

Potential award of funding will augment existing Fresno County Unwed Fathers Program administered by the Local Conservation Corps, increasing the total number of fathers served.
Board of Commissioners Meeting

Date: September 22, 2021
Program: Employment and Training Services: Local Conservation Corps

Agenda Item #: 10B10
Director: Jeff Davis/Shawn Riggings

Subject: YouthBuild AmeriCorps Education Award
Officer: Michelle L. Tutunjian

Recommended Action

The Program Planning and Evaluation Committee recommends acceptance for full Board consideration of a YouthBuild AmeriCorps grant in the amount of $155,000 from YouthBuild USA over a 12-month period beginning July 1, 2021.

Background

AmeriCorps is a national service program engaging more than 75,000 Americans each year in service opportunities that address critical needs in education, healthy futures, clean energy/environment, veteran affairs, economic opportunity, disaster relief and other unmet human needs. YouthBuild USA receives funding from the Corporation of National Service to administer YouthBuild AmeriCorps grants to member agencies affiliated with YouthBuild USA network. YouthBuild AmeriCorps grants provide YouthBuild programs with AmeriCorps education awards for their YouthBuild students, including an operating grant to cover program expenses needed to ensure compliance with grant requirements.

The Local Conservation Corps (LCC) administers YouthBuild. Fresno. YouthBuild programs are designed to serve communities, develop leaders, and provide educational opportunities for young adults. Since 1995, LCC has managed the YouthBuild AmeriCorps grant program.

In July 2021, Fresno EOC was awarded a grant in the amount of $155,500 for AmeriCorps operating funds, and $93,966.34 for 35 AmeriCorps education awards. The education awards will provide for the following:

- Two (2) Full-Time members (1,700 hours)
- Two (2) Half-Time members (900 hours)
- 31 Reduced Half-time members (675 hours)
Fiscal Impact

The grant total award is for $155,500 over a 12-month period beginning July 1, 2021. Grantees are responsible for providing funds and other resources to match the federal funds receive through their AmeriCorps grant. Currently, the match requirements have been waived due to COVID-19.

Conclusion

This request aligns with the agency’s goals of assisting a low-income, diverse workforce, and provide training in the effort to assist them in becoming self-sufficient.
Background

The information presented below is intended to keep the Board appraised on the 2021 Urban South Youth Services monitoring review.

The primary objective of the monitoring review is to ensure compliance with the Workforce Innovation and Opportunity Act (WIOA) federal regulations, state and local policies and procedures, including Section 188 of the Americans with Disabilities Act and Equal Opportunity policies, and the WIOA agreement. The secondary goal of the review is to provide valuable information relative to the effective management of the program. WIOA eligibility and all program activities were reviewed.

Fresno EOC’s monitoring visit was conducted on February 17, 2021. Due to COVID-19, FRWDB conducted the monitoring visit over Zoom to fulfill the monitoring requirements.

Attached is a copy of the final determination letter. FRWDB identified 15 issues or concerns as a result of the monitoring review, which were all closed with the exception of one area closed conditionally based on additional reviews that will be conducted by FRWDB, as noted.

Agreement Number 310-301
Urban South Youth Services

Dear Mr. Davis:

This letter is to inform you of the results of the Fresno Regional Workforce Development Board’s (FRWDB’s) review of Fresno Economic Opportunities Commission (FEOC’s) agreement for the program period of July 1, 2020, to the present.

Our determination is based on the information provided in your agency’s response dated May 28, 2021.

MINOR FINDINGS:

1. Non-adherence to Operational Directive (OD) #04-17, Job Ready Preparation Process

Six (6) or 12% of the 51 files job ready checklist was missing signatures and incomplete.

Agency Response/Corrective Action Plan:

Fresno EOC concurs with this minor finding and will ensure Quality Assurance staff, Business Account Specialist and Management are re-trained to pay closer attention to detail. Staff will continue to submit required information into the CalJOBS system to ensure all boxes are checked, signed and all pages are present at the time of the initial upload. The Quality Assurance staff is responsible to periodically audit the records uploaded and report any discrepancies to management. The Program Manager will be responsible re-directing staff to complete necessary corrections under the supervision of the Director.

FRWDB Final Determination:

FRWDB staff has reviewed your response and corrective action plan and find this acceptable to close this finding.
2. **Non-adherence to OD #03-16, Revision N, Young Adult Service Codes**

Agency Response/Corrective Action Plan:

Fresno EOC concurs with this minor finding and management and program support staff responsible have been re-trained. In past trainings conducted by FRWDB during the period of conversion to CalJOBS, Fresno EOC staff understood follow-ups had to occur during the quarter. Following the exit conference in regard to the minor finding, Fresno EOC Program Manager and Administrative and Operations Manager met with the FRWDB Youth Coordinator for additional instruction. A new strategy for running follow-up reports in CalJOBS has been established and internal procedures have been implemented. The Quality Assurance staff will ensure any additional identified discrepancies in this area are reported to management. The Administrative and Operations Manager will be responsible for re-directing staff to complete necessary corrections under the supervision of the Director.

FRWDB Final Determination:

Fresno EOC concurs with this minor finding. Eligibility staff and the Administrative and Operations Manager will ensure the forms are complete, signed and all boxes checked. Through the already established internal monitoring procedures, the Quality Assurance staff will routinely monitor the records and report any discrepancies to management. The Administrative and Operations Manager will be responsible for the oversight of this function under the supervision of the Director.

**FRWDB Final Determination:**

FRWDB staff has reviewed your response and corrective action plan and find this acceptable to close this finding.

**FINDINGS:**

1. **Non-adherence to OD #03-15, Revision C, Fresno County Title I Eligibility Technical Assistance Guide**

Twenty (20) or 39% of the 51 files had various issues with the eligibility process and documentation.

**Agency Response/Corrective Action Plan:**

Fresno EOC concurs with this finding. Eligibility staff was referencing to an outdated 2018 Census report generated by American Factfinder. Following the exit conference, management staff met with FRWDB Youth Program Coordinator to discuss further since the 2000 Census does not list poverty rates (via the AFF or ACF) for zip codes in the following Fresno urban areas: 93701, 93702, 93705, 93706, and 93728. FRWDB directed staff to utilize Census TIGER maps as an alternate solution to address this issue. On May 28, 2021, the Director held a training for staff on how to access the most current poverty data.

The various additional issues related to the eligibility process and documentation have been addressed with staff. All staff have received the FRWDB approved applicant statement and re-trained on the importance of documenting case notes into the client files. The Quality Assurance staff will ensure any additional identified discrepancies in this area are reported and addressed by management for compliance.
FRWDB Final Determination:

FRWDB staff has reviewed your response and corrective action plan and find this acceptable to close this finding.

2. **Non-adherence to OD #17-20 Standalone Service Codes**

Fourteen (14) or 27% of the 51 files had opened service code 435 and was used as a standalone code while no other services were being provided to the participant.

**Agency Response/Corrective Action Plan:**

Fresno EOC concurs with this finding and the Program Manager has retrained the ACA staff on proper usage of activity codes or documentation of a correct code to substantiate its usage. The Quality Assurance Staff have been trained to review, recognize and report and "Stand Alone Codes" discrepancies directly to the Program Manager who is tasked with ensuring that all necessary corrections are made by responsible staff.

FRWDB Final Determination:

FRWDB staff has reviewed your response and corrective action plan and find this acceptable to close this finding.

3. **Non-adherence to OD #08-20, Revision B, COVID -19 Process Changes**

Twenty-nine (29) or 57% of the 51 files did not follow the process for documenting approval for WIOA eligibility, the process of obtaining electronic signatures and documenting in case notes.

**Agency Response/Corrective Action Plan:**

Fresno EOC concurs with this finding and all staff responsible for case note documentation will be held accountable to correct this finding. The Director will schedule a training in June 2021 to address the OD 08-20 with staff and invite the FRWDB Program Monitor to attend. Fresno EOC management will ensure staff are properly following the operational directive and will document the staff attendance in the training to be provided.

FRWDB Final Determination:

FRWDB staff has reviewed your response and corrective action plan and find this acceptable to close this finding.
4. **Non-adherence to OD #20-18, Revision E1, Youth Work Based Learning Process**

Twenty-one (21) or 41% of the 51 had missing work experience vouchers, timesheets and payment vouchers in the CalJOBS system. In some cases, the files were missing evaluations and employers were not entered into CalJOBS.

**Agency Response/Corrective Action Plan:**

Fresno EOC concurs with this finding and reoccurring challenge. The Director has addressed with management staff and has documented corrective action following Fresno EOC Policy and Procedures related to violation of job performance requirements. Any future violations may result in a disciplinary action, up to and including termination.

**FRWDB Final Determination:**

FRWDB staff has reviewed your response and corrective action plan and will conditionally close this finding, and implement quarterly reviews to ensure progress is being made towards FEOC implementing an effective corrective and preventative action plan to address this issue.

5. **Non-adherence to OD #05-17, Revision F, Job Readiness Workshop**

Thirty-one (31) or 61% of the 51 files did not follow the process to document the duration of the workshop in the case notes. In some cases, the service code was opened and closed on a daily basis.

**Agency Response/Corrective Action Plan:**

Fresno EOC concurs with this finding. The majority of discrepancies in this area were attributed to the poor job performance of the Employment Readiness Assistant who no longer is an employee of Fresno EOC. The Director has since reassigned the job duties of the Employment Readiness Assistant to the Program Assistant II who has been trained to ensure adherence of the requirements. The Director has implemented a continuous quality improvement strategy to address the finding.

**FRWDB Final Determination:**

FRWDB staff has reviewed your response and corrective action plan and find this acceptable to close this finding.
In addition, we would like to request a copy of the quality improvement strategy your agency has implemented.

6. **Non-adherence to OD #16-18, Revision E, Youth Program Assessment Requirements**

Twenty-five (25) or 49% of the 51 files had missing CASAS scores in CalJOBS, the ONET results were missing the participants name and date and in some cases the case notes were not correct.

**Agency Response/Corrective Action Plan:**

Fresno EOC concurs with this finding. The majority of discrepancies in this area were attributed to the poor job performance of the Employment Readiness Assistant who no longer is an employee of Fresno EOC. The Director has since reassigned the job duties of the Employment Readiness Assistant to the Program Assistant II who has been trained to ensure adherence of the requirements. The Director has implemented a continuous quality improvement strategy to address the finding.

**FRWDB Final Determination:**

FRWDB staff has reviewed your response and corrective action plan and find this acceptable to close this finding.

In addition, we would like to request a copy of the quality improvement strategy your agency has implemented.

7. **Non-adherence to OD #09-17, Revision D, Measurable Skills Gain**

Thirteen (13) or 25% of the 51 files had the incorrect documentation to show a participant is making progress. In some cases, the measurable skills gain was recorded the same day the participant was enrolled into an educational component.

**Agency Response/Corrective Action Plan:**

Fresno EOC concurs with this finding, Fresno EOC management (Program Manager and Administrative and Operations Manager) has been working closely with FRWDB (Contract Administrator, Youth Program Coordinator, and Deputy Director of Information Systems) to address the corrective action needed. As a result, Fresno EOC has assigned the Quality Assurance staff to obtain current measurable skills gains information and upload the detail into CalJOBS by May 28, 2021. FRWDB will be rerunning reports for Fresno EOC to assist in ensuring compliance.
In order to ensure future compliance in this area, the ACA staff will receive re-training from management to properly receive and document measurable skills gain of assigned students along with properly recording results in CalJOBS system timely. The Quality Assurance staff will be required to monitor and report any discrepancies to management under supervision of the Director.

**FRWDB Final Determination:**

FRWDB staff has reviewed your response and corrective action plan and find this acceptable to close this finding.

Please extend our appreciation to your staff for their cooperation and assistance during our review. If you have any questions pertaining to this matter, please contact Rebecca Moncivais at (559) 490-7178.

Background

The information presented below is intended to keep the Board appraised on the Fiscal Year (FY) 2021 -2022 Fresno Regional Workforce Development Board (FRWDB) funding award.

On June 2, 2021, FRWDB Board approved the award of the Workforce Innovation and Opportunity Act (WIOA) contract funds to the Workforce Connection Young Adult Urban South Program operated by Fresno EOC’s Training and Employment Services Division for the 12-month program year beginning July 1, 2021. Funding awarded is as follows:

- Workforce Connection Young Adult Urban South (Out of School) - $816,051; and
- Workforce Connection Young Adult Urban South (In School) - $204,013

Combined funding received totals $1,020,64, representing a decrease of $139,100 (-12%) from the previous year’s original Workforce Connection Young Adult Urban South Youth Services Program level of $1,159,164.

The FY 2021-2022 contract reduction of 12% will not adversely affect the staffing or service levels. This award represents the fourth year of funding for the five (5) year funding cycle.
Background

The information presented is intended to keep the Board apprised of the state approved age range increase of 18-26 for Corps that counts toward annual certification.

COVID-19 has impacted many aspects of daily local corps programming, including access to work sites, education programs, and recruitment. The California Conservation Corps (CCC), a state agency that oversees the certification of Local Conservation Corps (LCC), has recently experienced recruitment difficulties as well.

Through coordinated advocacy efforts, CCC worked with California Senator John Laird’s Office to increase the age range of young adults that can be counted in a Corps annual certification from ages 18-25 to ages 18-26.

The Bill, which takes place immediately as an urgency statue, now requires a community conservation corps to consist of corpsmembers who are between 18 and 26 years of age in order to be certified. In addition, the Bill makes technical, non-substantive changes to these provisions to use gender-neutral language.

Increasing the age range to 26 allows corps to recruit from a wider demographic, allowing corps to be in a better position to serve project sites and clients. LCC has modified the age range for eligibility requirements and is reviewing all written polices to amend, as needed, to include gender-neutral language.

**Recommended Action**

The Program Planning and Evaluation Committee recommends ratification for full Board consideration of the Hybrid and Zero-Emission Truck and Bus Voucher Incentive Project, a multiple voucher request totaling $3,788,250, submitted to the California Air Resources Board.

**Background**

The Hybrid and Zero-Emission Truck and Bus Voucher Incentive Project (HVIP) administered by the California Air Resources Board, has made available $130 Million for zero-emission transit, school, and shuttle buses.

The HVIP accelerates the deployment of zero-emission and other eligible trucks and buses. HVIP benefits the residents of California by stimulating deployment of advanced clean commercial vehicles, improving community health with immediate air pollution emission reductions, as well as reducing greenhouse gas emissions to help meet State climate goals, and yielding substantial economic benefits. It is implemented through a partnership between the California Air Resources Board (CARB) and a Grantee, selected via a competitive CARB grant solicitation. HVIP provides vouchers on a first-come, first-served basis. In addition, HVIP provides increased incentives for fleets domiciled in disadvantaged communities.

The Vouchers must be distributed through an approved electric vehicle distributor. In this case, the approved distributor is A-Z Bus who Fresno EOC Transit Systems has worked with in the past. These electric buses will replace 21 existing diesel school buses and nine gasoline 16-passenger buses, most of which have exceeded their normal useful life, cost more to maintain, and require parts that are hard to find.

**Fiscal Impact**

The total cost estimated for this project is $11,382,145, of which $3,788,250 will be paid for from this funding source. The balance of $7,593,895 will be covered by additional
alternative fuel grants currently in process and other program funds. If sufficient matching funds are not obtained, Vouchers will not be claimed and buses will not be ordered.

**Conclusion**

This project will help the agency with its goal to expand health and wellness access to urban and rural communities by improving air quality and increasing reliability of transportation services to low-income communities. If not approved, agency needs to explore other alternatives for bus replacement.

**Recommended Action**

The Program Planning and Evaluation Committee recommends ratification for full Board consideration of CSBG CARES Act Rapid Cycle Impact Project grant in the amount of $250,000 submitted to the Administration of Children and Families, Office of Community Services on July 26, 2021. The 15-month grant period starts on October 1, 2021.

**Background**

The Office of Community Services released the CSBG CARES Act Rapid Cycle Impact Project funding opportunity with the goal to adapt current service models to effectively respond to immediate community needs while also testing innovative community approaches and strategies developed to prevent, prepare for, and respond to the effects of COVID-19.

Fresno EOC’s proposal titled “Guaranteed Income for Head Start 0 to 5 Families” will provide 30 families with children enrolled in the Head Start 0 to 5 program in Huron, with a monthly supplemental income of $500 for 12 months as they face increased economic burden resulting from the COVID-19 pandemic and are struggling to meet basic needs such as rent, utilities, health care, and transportation. The program will also hire a Family Liaison who will engage with the families and assist them in navigating any existing social service benefits and encourage them to participate in the program’s evaluation component.

Fresno EOC will partner with Faith in the Valley and the Center for Community Voices to evaluate the success of the program by gathering survey data on the wellbeing of families. These surveys will demonstrate how the families spend the supplemental income and show whether they report an increased sense of financial security and improved overall health and wellbeing. The program will also evaluate the impact that supplemental income has on parental involvement in their children’s education and
development. The project findings will inform the scaling of this project and other Guaranteed Income projects in California and across the country.

**Fiscal Impact**

If funded, Fresno EOC will receive up to $250,000 to launch the 15-month project on October 1, 2021. The majority of funding (over $190,000) will go directly to the families in the form of monthly guaranteed income payments and survey incentive gift cards.

**Conclusion**

The funds will allow Fresno EOC to build on the success of Guaranteed Income programs like the one in Stockton, CA, and help 30 Huron families to meet their basic needs during this time of economic burden.
Background

The information presented below is intended to keep the Board apprised on the 2021 Community Services Block Grant (CSBG) Monitoring Report.

Per requirements of the CSBG Act of 1998, the California Department of Community Services & Development (CSD) conducts onsite monitoring of all Community Action Agencies in the state every three years. The purpose of the review is to monitor statutory and contractual requirements under CSBG for financial accountability and programmatic compliance in accordance with Federal and State laws and CSD policy.

Due to COVID-19, the State of California halted all non-essential travel. Consequently, CSD did not conduct on-site monitoring visits during the pandemic and elected conduct the monitoring visit over Zoom to fulfill CSD’s monitoring requirements.

Fresno EOC’s monitoring visit was conducted July 14-15, 2021. Attached is a copy of the monitoring report summarizing administrative, fiscal, and programmatic reviews conducted. No findings were identified.

Programmatic Review

Program Reports

A review of the most recent CSBG Annual Report Modules 2 – 4 indicates the report have been submitted timely by the agency in accordance with the annual CSBG Contract Agreement Article 7.3.4.

Program Performance

A review of the agency’s most recent CSBG Annual Report Modules 2 – 4 shows that the agency did not achieve its targets for FNPI 1b because COVID-19 led to temporary program closures for Fresno EOC’s various employment programs. Also, the target for FNPI 4b was not achieved because a number of clients dropped out of the program before they achieved the outcome. The agency exceeded its target for FNPI 3e.

Recommended Action

The Pension Committee recommend approval for full Board consideration of the following amendments to the Agency’s 403(b) retirement plan.

Background

Certain provisions of the Bipartisan Budget Act of 2018 and Section 1.401(k)-1(d) of the Treasury Regulations affected the regulations with respect to Hardship Withdrawals. These initiatives sought to allow employees greater access to their retirement funds during times of need. These amendments will change our 403(b) plan by removing these two limitations:

1. The Plan will no longer require participants requesting Hardship Withdrawals to take all loans available to them beforehand. Prior rules required that participants first apply for a loan against their account balance, then if the hardship need was greater than the loan amount available, a Hardship Withdrawal would be requested.

2. The Plan will no longer prohibit participants from making contributions (pre-tax or Roth) after receipt of a Hardship Withdrawal. Prior rules imposed a 6-month period from the date of the Hardship Withdrawal during which participant’s eligibility to make contributions was suspended.

We have discussed adding an Auto Enrollment feature to the plan effective January 1, 2021. Doing so, will further increase the participation of our employees. A formal amendment for the change will be in the November 18, 2021 Pension Committee Meeting.

Fiscal Impact

There is no direct fiscal impact to the agency as these recommendations to the plan only impact the participant.
Conclusion

If not approved, the 403(b) plan will not be in compliance with the Bipartisan Budget Act of 2018 and Section 1.401(k)-1(d) of the Treasury Regulations.

Recommended Action

The Pension Committee recommend approval for full Board consideration of the periodic restatement of the Agency's 401(a) retirement plan document.

Background

IRS pre-approved 401(a) plan documents must be updated every six years. Transamerica has already submitted the updates to the Basic Plan Document to the IRS and received approval. We are required to update our Adoption Agreement and Summary Plan Description documents as the last step in the process.

The updates to the plan documents include legislative changes that have occurred in recent years. Many of the changes may not affect our plan but the restatement process ensures that all plans administered under Transamerica’s Basic Plan Document remain compliant with all regulations.

One change we have requested to be made for our plan is in the Plan Name. Replacing the word “Pension” with “Retirement” will remove the confusion that sometimes exists that EOC has provided a traditional defined-benefit pension plan.

Fiscal Impact

Transamerica will charge their standard restatement fee of $3,500 for this service. The fee will be deducted from the employee account balances, as are other fees.

Conclusion

We must submit approval to Transamerica by December 31, 2021 to update these documents.

Re: Cycle 3 Restatement for the Fresno County Economic Opportunities Commission
Pension Plan ("Plan")/Account Number TA080554

Dear Ms. Brown:

Transamerica Retirement Solutions, LLC ("Transamerica") is pleased to provide you with your amended and restated Plan document, which has been updated to comply with various changes in tax laws and certain other regulatory requirements. Your Plan has been restated onto Transamerica's new Pre-approved Plan document, which has been approved in advance by the Internal Revenue Service ("IRS") and which includes an Opinion Letter issued by the IRS upon which you can rely in lieu of requesting an individual favorable determination letter affirming the Plan's tax-qualified status. This restatement also includes a Basic Plan Document interim amendment reflecting the hardship withdrawal changes required by the Bipartisan Budget Act of 2018 and Section 1.401(k)-1(d) of the Treasury Regulations.

This restatement does not reflect any plan design changes made by the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act) and Coronavirus Aid, Relief and Economic Security Act (CARES Act); an interim amendment for SECURE Act and CARES Act provisions will be forthcoming in mid-2021.

Enclosed with your restatement package are the following documents: applicable Adoption Agreement and Opinion letter; Basic Plan Document with Basic Plan Document Hardship Amendment and Summary Plan Description.

We have generally transferred the provisions in your prior Plan adoption agreement to the restated Plan adoption agreement with the following modifications:

- In order to continue to be considered a pre-approved plan document, the IRS required additional conditions be added for plans electing a discretionary matching
contribution formula. Discretionary matching contributions, if any, must be allocated on a pro-rata basis based on the contribution types being matched, unless the plan sponsor specifies a different allocation formula in writing prior to the first day of the plan year that the matching contribution will be made.

- The restated Plan adoption agreement was modified to more clearly reflect that elective deferrals contributed by participants will not be matched prior to the date the participant satisfies the eligibility requirements to receive a matching contribution. Please contact me if you want elective deferrals contributed prior to the date the participant is eligible for matching contributions to receive a matching contribution. This provision is generally applicable for plans that have different service requirements for elective deferrals and matching contributions. Please carefully review the matching contribution provisions in Sections VII.A. and VIII.A.1.d. or VIII.B.10., as applicable.

We strongly suggest that you implement a best practice approach and thoroughly review your restated Plan documents to ensure that the provisions of the restated Plan reflect your understanding of the Plan’s provisions and that the Plan document accurately reflects your current operational practices and procedures, including carefully reviewing your matching contribution formula and allocation provisions, if applicable, as indicated above. If you need assistance with this due diligence process, please do not hesitate to contact me.

We also strongly recommend that you consult with an attorney and/or tax advisor prior to signing any documents. If you determine that no changes to the restated plan documents are required following your review of the Plan documents, please return a signed and dated copy of the Adoption Agreement (and, if applicable, the Loan Policy Document and Hardship Amendment(s) to the Adoption Agreement) to Transamerica as soon as administratively feasible. If, upon review of the Plan documents, you determine that additional changes to the restated document are required, please notify me at your earliest convenience so that the appropriate changes can be made and finalized in a timely manner.

By signing the Adoption Agreement, you are representing and warranting that you have reviewed the Transamerica Plan document and certifying that the terms of the restated Plan document reflect your understanding of the benefits and features currently provided by the Plan and reflected in the Adoption Agreement.

Regulatory Deadline for Adopting the Plan

Remedial Amendment Cycle Adoption Deadline: On June 30, 2020, the IRS issued opinion letters for pre-approved defined contribution plans that were filed with the IRS for its third six-year remedial amendment cycle (Cycle 3). Pursuant to IRS Announcement 2020-07, employers using these pre-approved defined contribution plans to amend and restate a plan for Cycle 3 must adopt the pre-approved plan document by July 31, 2022. This deadline is strictly for purposes of the remedial amendment cycle and is unrelated to the separate deadline (discussed as follows) for adopting an amended and restated plan following its effective date.

Remedial Amendment Period Adoption Deadline: The remedial amendment period for an amended and restated plan depends on the effective date of the amendment and restatement. Generally, an amended and restated plan document must be adopted by the end of the plan year in which the amended and restated plan is effective. There are exceptions where a plan amendment or restatement must be adopted before the beginning of the plan year in which the amendment and restatement is effective and be maintained
throughout a full 12-month plan year. Where such an exception applies to your plan, this will be taken into account in determining the applicable deadline for adopting the plan document.

Note that your Plan was amended and restated as of August 1, 2021. Therefore, your Adoption Agreement must be legally executed (signed and dated) on or before December 31, 2021, which is the last day of your Plan Year. For administrative reasons, if the foregoing date is more than two (2) months from the date of this letter, we are requesting that you review and adopt your plan document by an earlier date set forth on the first page of the Adoption Agreement.

**Reliance on Transamerica's Opinion Letter**
As an adopter of Transamerica's Pre-approved Plan document, you are not allowed to make any changes to the Adoption Agreement, other than your plan design elections. You are required to rely upon Transamerica's Opinion Letter. As such, you have the same level of reliance and protection from the Opinion Letter that has been issued with your Plan document as you did with the Volume Submitter's Advisory Letter, as well as the same general reliance and protection you would have from an individual determination letter.

Thank you for your immediate and careful attention to this regulatory requirement as we strive to ensure that you are taking the steps necessary to keep your Plan in regulatory compliance as well as maintain your Plan's tax-qualified status. Please note that Transamerica will apply a $3,500 restatement fee for this service. If you have any questions about the information addressed in this letter, please contact me at 303-383-5187 or e-mail me at Ryan.Pate@transamerica.com.

Update on IRS Pre-Approved Section 401(a) Defined Contribution Plan Documents
Third Cycle Restatement

As communicated in our plan sponsor newsletter released in the fall of 2019, IRS pre-approved 401(a) plan documents must be updated every six years. The current six-year restatement cycle for pre-approved 401(a) plans, including 401(k), profit sharing and money purchase plan documents, began in 2017 and the current six-year cycle will end January 31, 2023. All 401(a) volume submitter plan documents offered by Transamerica are pre-approved plan documents.

Three tasks are completed during each pre-approved 401(a) plan document restatement cycle, broken out into the following general timeframes.

1) **Years one to two**: Pre-approved 401(a) plan document providers, such as Transamerica, update their plan documents for certain law changes and regulations issued since their last restatement and submit the updated documents to the IRS for approval. Transamerica timely completed this step when we submitted our updated pre-approved 401(a) plan documents to the IRS for review and approval on December 31, 2018.

2) **Years three to four**: The IRS reviews and approves the restated pre-approved plan documents and issues Opinion Letters confirming the plan’s qualified status. This step is underway.

3) **Years five to six**: Plan sponsors restate their plans by adopting the Transamerica restated pre-approved 401(a) plan documents. This step will begin upon receipt of Transamerica’s Opinion Letters from the IRS.

Following is an update on the IRS' review of the Transamerica plans.

- Transamerica has responded to two sets of comments from the IRS and is awaiting confirmation of the IRS' pre-approval of the following plan documents:
  - Mid-Market Practice Multiple Employer 401(k)/Profit Sharing Plan Document
  - Large/Mega Market Practice 401(k)/Profit Sharing Plan Document
  - Large/Mega Market Practice Profit Sharing Only Plan Document
  - Large/Mega Market Practice Money Purchase Plan Document

- Transamerica is preparing to submit modifications to the plan documents to the IRS for their review of the following plan document:
  - Mid-Market Practice Single Employer combined 401(k)/Profit Sharing/Money Purchase Plan Document

It is anticipated that the IRS will complete their review of all timely submitted pre-approved 401(a) plan documents by June 30, 2020 and will issue favorable Opinion Letters for all of these documents at the same time. A plan sponsor adopting a newly pre-approved plan will be required to adopt the plan document by July 31, 2022.

Once Transamerica receives its Opinion Letters from the IRS, we will officially begin the amendment and restatement of your qualified plan(s). Further information on the restatement process and timeline will be provided at that time.

**Transamerica's 403(b) Volume Submitter Plan**
The IRS recently extended the date that pre-approved 403(b) plan documents must be adopted from March 31, 2020 to June 30, 2020.

Please contact your Transamerica representative if you have any questions about this topic.

Credit Card Expenses: Credit card statement dated 6/1/21 - 6/30/21

June 2021 expenses

- Program Supplies - Classroom $447.96 Target - Enfamil infant formula powder
- Contract Services - Facility repair $22.99 Azuga Fleet - vehicle tracking maintenance

$471
Recommended Action

The Finance Committee recommends approval for full Board consideration of an Agreement with Enterprise Fleet Leasing to lease 10 vans for an amount not to exceed $81,000 per year.

Background

Transit Systems currently has a mixed fleet of aging vehicles with no significant source of capital funds for fleet replacement. Currently, Fresno EOC is utilizing vehicles that are far beyond the life expectancy for each vehicle type. Even though these vehicles can still complete our service each day, the cost for maintenance, fuel and parts is very high. Staff completed an analysis comparing the cost of three options: purchasing new vehicles, leasing new vehicles or continuing to maintain old vehicles. The analysis concluded that leasing new vehicles through a partnership with Enterprise Fleet Leasing was the most cost-effective solution and came with several other benefits itemized below.

1. Enterprise offers a lease management system that analyses each vehicle’s mileage, age and value annually and determines the point when a vehicle should be replaced in order to maximize residual value and minimize maintenance expense. The result is a residual value that can then be used toward the replacement vehicle.

2. Replacing vehicles on a regular basis will maximize the vehicle warrantee period, also reducing out-of-pocket costs for maintenance expenses.

3. By replacing vehicles at the maximum value point we are also increasing safety by introducing modern safety features faster into our fleet. This will also reduce the number of breakdowns.
4. Many of the vehicles we have in our fleet currently are old enough that parts are more expensive and harder to find. This creates longer downtime and reduces reliability.

5. As vehicles become more efficient and safer, we will be able to obtain vehicles that meet our needs and can be adapted to the changes in the transportation environment.

With this lease agreement, we will be able to provide a clean, safe and reliable transportation program that is consistent with agency and program goals.

**Fiscal Impact**

The funding source for the Transit Program comes from various grants and operating contracts. While ideally the capital purchases are covered by specific grants, these have become more difficult to find. It is now required to cover the capital expense with the operating budgets. The following chart shows the maintenance cost per vehicle for the last two years totaling approximately $250,000:
In addition, below is a breakdown of the different maintenance expenses due to the age of the fleet.

![Pie chart showing maintenance expenses]

**Conclusion**

If this is approved, we will enter into an agreement with Enterprise Fleet Leasing to replace the oldest 10 vans and prepare a schedule for fleet replacement moving forward. If this is not approved, we will continue to look for capital grants and keep maintaining our aging fleets at increasing costs.

**Recommended Action**

The Finance Committee recommends approval for full Board consideration of two-lease agreements with LED Green Light.

a. Seven-year equipment lease for an amount not to exceed $495,205 for 84 months to complete a LED lighting retrofit.

b. Five-year equipment lease for an amount not to exceed $123,173 for the installation of ten EV level two charging stations and two level three charging stations in five of our facilities.

**Background**

The installation of new advanced indoor and outdoor LED lighting products installed in five of Fresno EOC locations will create an annual positive cash flow back to the Fresno EOC operations budget. The LED lighting products includes a ten-year non-prorated warranty.

This lighting retrofit will provide Advanced LED lighting, integrated Bluetooth network lighting controls, certified automated demand response, professional installation, and a true turnkey solution. This endeavor will also support the emotional stability of our staff in providing a 97% CRI lighting level promoting a true natural light environment. A higher CRI level offers many health benefits, including increasing occupant productivity and comfort while providing the stimulation needed to regulate human circadian rhythms. Our long-term outcome will put dollars back into Fresno EOC, and elevate all buildings to a true load level lighting balance for a future installation of solar power provision.

The EV Chargers are being provided also at five Fresno EOC locations. The total costs of the EV Chargers will be offset with available rebates. There are 12 proposed EV stations, 10 Level II stations and 2 Level III stations. Rebates do take approximately 8-10 months to be issued.
Fiscal Impact

For the LED lighting project, the financing solution for the equipment will be used to secure the upfront costs of $495,205 including installation. This project will result in immediate positive cash flow with savings of $27,348 in each of the first seven years and a savings $82,500 in year eight and beyond. The lease terms for the equipment is 84 months with a rate of 5.2%.

For the Electric Vehicle charging stations, the financing solution for the equipment lease to will be used to secure the upfront costs of the EV chargers in the amount of $123,173 including installation. We are pleased to share there are utility rebates available to offset the costs of the charging stations making this a no out-of-pocket costs project while providing a clean air vehicle charging stations for staff and guests. The lease terms for the equipment is 60 months with a rate of 5.2%.

Conclusion

If not approved, the agency will not realize savings in our energy costs from the LED lighting, nor take advantage of a no-cost installation of 12 EV charging stations.
Background

The information presented below is intended to keep the Committee apprised on any procurements made through a non-competitive procurement process.

In accordance with the Accounting Policies and Procedures Manual, Noncompetitive Procurements are “special purchasing circumstances, in which competitive bids are not obtained. Noncompetitive procurement (purchases and contracts) are only permissible in the following circumstances (2 CFR 200.320 [f]):

- An emergency exists that does not permit delay,
- Only one source of supply is available,
- If the awarding agency expressly authorizes noncompetitive proposals in response to a written request from the Agency,
- Or after solicitation of a number of sources, competition is determined to be inadequate.

The key requirement for the use of noncompetitive procurement is that the other methods of procurement are not feasible and one of the above circumstances exists.” A report on the non-competitive procurement awards is to be made to the Board of Commissioners.

Recommended Action

The Program Planning and Evaluation Committee recommends approval for full Board consideration the Homeless Youth Emergency Services and Housing (YE) Program application of the California Governor’s Office of Emergency Services (Cal OES), Victim Services (VS) Branch, in the amount of $2,250,000 over a five-year period, starting on January 1, 2022. The application deadline is October 18, 2021.

Background

The purpose of the YE Program is to establish or expand access to a range of housing options that meet the needs of youth experiencing homelessness, and to provide crisis intervention and stabilization services so the immediate crises these youth face can be resolved, and they can focus on their futures.

There is approximately $38,000,000 available for the YE Program. Four (4) counties (Los Angeles, San Diego, San Francisco, and Santa Clara) are mandated to receive funding to continue services in those counties. An additional eight counties (one agency per county) will be selected to expand services.

Fiscal Impact

Funding in the amount of $2,250,000 over a five-year period, starting on January 1, 2022, will support personnel, operational and direct rental assistance costs. This funding does not require matching funds.

Conclusion

Fresno EOC is a current recipient of similar funding that supports Sanctuary’s Transitional Shelter, providing emergency shelter for young adults, ages 18-24 years old. This funding will expand services to include rapid rehousing assistance to young adults that do not qualify for Continuum of Care funds providing by other sources.
Recommended Action

The Program Planning and Evaluation Committee recommends approval for full Board consideration the Elementary and Secondary School Emergency Relief (ESSER) III Expenditure Plan in the amount of $428,603 for the 2021-2022, 2022-2023, and 2023-2024 school years.

Background

School districts, county offices of education, or charter schools, collectively known as Local Educational Agencies (LEA), receiving ESSER funds under the American Rescue Plan Act, referred to as ESSER III funds, are required to develop a plan for how they will use the ESSER III funds. In the plan, a LEA must explain how it intends to use its ESSER III funds to address students’ academic, social, emotional, and mental health needs, as well as any opportunity gaps that existed before, and were worsened by the COVID-19 pandemic.

Fiscal Impact

ESSER III grant funding for the 2021-2022, 2022-2023, and 2023-2024 school years total $428,603. Fresno EOC will have until September 30, 2024 to expend ESSER III funds.

Conclusion

The draft plan will be presented to the SOUL Governing Council on September 14, 2021. The ESSER III plan must be submitted to Fresno Unified School District and Fresno County Office of Education by October 29, 2021. Approval of the ESSER III Expenditure Plan will allow SOUL to address students’ academic, social, emotional, and mental health needs that may have been worsened by the COVID-19 pandemic.

School districts, county offices of education, or charter schools, collectively known as LEAs, that receive Elementary and Secondary School Emergency Relief (ESSER) funds under the American Rescue Plan Act, referred to as ESSER III funds, are required to develop a plan for how they will use their ESSER III funds. In the plan, an LEA must explain how it intends to use its ESSER III funds to address students’ academic, social, emotional, and mental health needs, as well as any opportunity gaps that existed before, and were worsened by, the COVID-19 pandemic. An LEA may also use its ESSER III funds in other ways, as detailed in the Fiscal Requirements section of the Instructions. In developing the plan, the LEA has flexibility to include community input and/or actions included in other planning documents, such as the Local Control and Accountability Plan (LCAP), provided that the input and actions are relevant to the LEA’s Plan to support students.

Summary of Planned ESSER III Expenditures

Below is a summary of the ESSER III funds received by the LEA and how the LEA intends to expend these funds in support of students.
Community Engagement

An LEA’s decisions about how to use its ESSER III funds will directly impact the students, families, and the local community. The following is a description of how the LEA meaningfully consulted with its community members in determining the prevention and mitigation strategies, strategies to address the academic impact of lost instructional time, and any other strategies or activities to be implemented by the LEA. In developing the plan, the LEA has flexibility to include input received from community members during the development of other LEA Plans, such as the LCAP, provided that the input is relevant to the development of the LEA’s ESSER III Expenditure Plan.

For specific requirements, including a list of the community members that an LEA is required to consult with, please see the Community Engagement section of the Instructions.

A description of the efforts made by the LEA to meaningfully consult with its required community members and the opportunities provided by the LEA for public input in the development of the plan.

Throughout the 2020-2021 school year, SOUL maintained frequent communication with all stakeholders, especially students, staff, and parents. In March 2021, all stakeholders were surveyed to help identify current program strengths, gaps, and needs. Data from student, parent, staff, and community partner surveys was collected and shared with all stakeholder groups at staff meetings, parent meetings, and the March 2021 Governing Council meeting. Stakeholder feedback was very positive from all stakeholder groups. Students and parents were extremely satisfied with the efforts that SOUL has made during the pandemic by providing individualized instruction, maintaining ongoing communication with students and parents, providing resources such as academic, personal, and mental health counseling, and maintaining a safe and orderly environment with strict COVID protocols in place. Recommendations from students, parents, and staff focused on program flexibility in providing a hybrid program. Over 80% of parents and student
preferred individualized instruction versus whole classroom instruction, especially with respect to language arts and math. Subsequently, a parent meeting was held and a parent survey was submitted in August 2021 to review the content of the ESSERIII Expenditure Plan. In addition, the Plan was reviewed at a school staff meeting in August 2021 and scheduled to be submitted for review and approval to the SOUL Governing Council in September 2021 and ultimately for Board approval in October 2021.

A description of how the development of the plan was influenced by community input.

Data and recommendations from staff and community meetings as well as staff, student, parent and community surveys administered in Spring and Fall 2021 have been incorporated into this expenditure plan. In addition to the high level of participation in the surveys, all stakeholder groups have had ample opportunity to provide input through personal phone calls, parent, staff, and community partner meetings, and student meetings with their teachers, case managers and counselors. Resources for addressing student learning loss due to COVID, and student social and emotional wellbeing have been incorporated into the ESSER III Expenditure Plan. The following components of the Expenditure Plan are the direct results of stakeholder input:

1. All students scoring below the standard to be assigned an additional class designed to help them increase their reading and/or math proficiency.
2. Additional staff to provide small group/individualized instruction or personalized tutoring for identified students.
3. Additional tutoring to assist 12th grade students who need additional assistance to pass their classes to graduate.
4. A social/emotional intervention specialist will be available to coach students struggling with lack of motivation, depression, anxiety, and resocialization skills due to COVID.

Actions and Expenditures to Address Student Needs

The following is the LEA’s plan for using its ESSER III funds to meet students’ academic, social, emotional, and mental health needs, as well as how the LEA will address the opportunity gaps that existed before, and were exacerbated by, the COVID-19 pandemic. In developing the plan, the LEA has the flexibility to include actions described in existing plans, including the LCAP and/or Expanded Learning Opportunity (ELO) Grant Plan, to the extent that the action(s) address the requirements of the ESSER III Expenditure Plan. For specific requirements, please refer to the Actions and Expenditures to Address Student Needs section of the Instructions.

Strategies for Continuous and Safe In-Person Learning

Recommended Action

The Program Planning and Evaluation Committee recommends approval for full Board consideration of the appointment of Rosa M. Pineda from Early Care and Education Director to Head Start Director.

Background

In alignment with the Head Start Program Performance Standards and Fresno EOC Human Resource policy and procedures, the position was posted internally on the Fresno EOC website. One employee candidate applied and was selected for an interview. The candidate, Rosa M. Pineda, was interviewed by a panel consisting of representatives from Fresno EOC’s Executive Leadership staff, the County Wide PC Personnel Committee, and our Head Start Partner from Fresno County Office of Education. With 30 years of experience in meeting and exceeding the position qualifications/requirements, Rosa M. Pineda was interviewed and selected to be appointed the title of Head Start Director. Pineda was appointed Early Care and Education Director. Now that the Head Start (0-5) program is finalized, Fresno EOC is obligated by the Office of Head Start to appoint one employee to be designated as Head Start Director.

Fiscal Impact

This appointment is budget neutral.
Conclusion

If approved by the full board, Rosa M. Pineda will assume the role of Head Start Director for Fresno EOC Head Start 0 to 5. If no approval is received, the search for a Head Start Director will commence.
Recommended Action

The Program Planning and Evaluation Committee recommends ratification for full Board consideration modifications to the Head Start 0 to 5 FY 2020/2021 budget by $4,175,036 and reallocate the unspent program funds to other expenditures in FY 2020/2021. Early Head Start will reallocate $150,633 and Head Start will reallocate approximately $4,024,403 for projects outlined in the attached budget documents.

Background

During the FY 2020/2021, numerous Head Start 0 to 5 staff have been granted medical leaves due to health concerns, pregnancy complications, and/or baby bonding. In these instances, the state of California provides compensation and/or the agency’s Worker’s Compensation carrier pays staff approximately 65% of their usual wages, effectively saving the program 2/3 of the cost of each staff’s salary. Unpaid personal leaves have also been authorized for some staff.

The COVID-19 pandemic, the shelter in place order and the flexibility for some staff to continue to work from home have increased the savings for reasons such as smaller utility bills, minimal mileage reimbursement, and little use of classroom consumables. Some annual functions such as the Parent Volunteer Luncheon and the End of the Year Staff In-service were canceled due to the pandemic. Parent meetings have become virtual, so parent mileage, meal costs and babysitting funds also remain unspent.

All of these changes have resulted in program savings. Head Start 0 to 5 requests permission to redirect funds from personnel, fringe benefit and operations line items to the uses outlined in the attached revised budgets. Fiscal Impact with these budget revisions Head Start 0 to 5 would utilize FY 2020/2021 funds to accomplish previously
unfunded, and needed projects. Early Head Start seeks to reallocate $150,633 Head Start $4,024,403 for a total for Head Start 0 to 5 of $4,175,036.

Due to timeline constraints, Head Start 0 to 5 management submitted a request for a budget modification for FY 2020/2021 budget of $4,175,036 to the Head Start 0 to 5 County-Wide Policy Council on July 6, 2021 and Fresno EOC Board of Commissioners Chairperson on August 3, 2021, to which they both approved respectively. As a result, Fresno EOC Head Start 0 to 5 submitted their request for a budget modification to Office of Head Start on September 2, 2021.

**Fiscal Impact**

For Head Start 0 to 5 to continue to provide a quality program for the community’s families/children by replacing/repairing equipment/materials needed for the centers to continue to operate in accordance with Community Care Licensing and Head Start Program Performance Standards.

**Conclusion**

If approved by the full board, Head Start 0 to 5 will submit the Budget Modification to Region IX requesting authorization to allocate unspent program funds to other expenditures in the FY 2020/2021. If no approval is received, the unused funds will be returned to Office of Head Start when our budgets are closed out.
FY 2020/2021 PROPOSED BUDGET MODIFICATION
JANUARY 1, 2020 THROUGH JUNE 30, 2021
PROJECT NARRATIVE/JUSTIFICATION

Project Narrative

Fresno County Economic Opportunities Commission (dba Fresno EOC), Grantee #09CH010290, is applying for permission to revise the budget for Fiscal Year 2020/2021 to authorize expenditure of underspent funds. During the 2020/2021 Fiscal Year (FY), Years Five and Six, 18-months, our agency has experienced savings in the salaries, fringe benefits, and various program operations line items, such as: travel, and supplies in the Head Start 0 to 5 budget. These savings equal more than $250,000, thus mandating a formal budget revision in order to repurpose these fund for other needed, but unfunded items. It is projected that these savings will equal $4,175,036 (EHS $150,633 and HS $4,024,403); therefore, we are requesting a budget revision for our Basic Grant (G094122) to move these line item savings, to expenditures in other areas of the operations budget, as outlined in the attached budget justification. These changes will assist in the full implementation of our Program and School Readiness Goals by providing additional resources for children’s learning and needed maintenance and repair for program sites to improve the environments for children, families and staff. Some additional items, such as air filters and air conditioning upgrades, needed to enhance safety during the COVID-19 pandemic are included in this request.

Fresno EOC Head Start 0 to 5 serves 2590 slots that include prenatal women, infants, toddlers and preschoolers. Early Head Start (EHS) provides services to 478 of these slots throughout our Fresno County service area. The EHS center based option operates 82 child care slots for infants and toddlers and our home visitation program serves 50 prenatal women and 294 infants and toddlers. Fresno EOC Head Start (HS) provides services to 2,112 three and four
year olds and their families throughout the service area, currently 120 in Home Base and 1992 in Center Base.

Fresno EOC EHS and HS have together experienced savings in the Basic 2020 Budgets that equal more than $250,000, thus, mandating a formal budget revision to be requested from Region IX staff prior to expenditure of these funds for new purposes. These savings are due in large part to numerous personnel taking Leaves of Absence (LOA’s) in 2020. When an employee takes some types of LOA’s, such as Family Medical Leave (FMLA) or Workers’ Compensation, approximately 65% of that staff’s salary is paid by the State of California and not with Early Head Start funds. The numerous staff on FMLA this year has generated these program these savings. Staff absences have not affected the services delivered to the children and families. We have been able to use, for the most part, sub on call employees (SOC) and staff on temporary assignments to do the work of these absent employees.

The COVID-19 pandemic, the shelter in place order and the flexibility for some staff to continue to work from home have increased the savings for reasons such as smaller utility bills, minimal mileage reimbursement, and lesser use of classroom consumables. Some annual functions such as the Parent Volunteer Luncheon and the End of the Year Staff In-service were canceled due to the pandemic. Parent meetings have become virtual, so parent mileage, meal costs and babysitting funds also remain unspent. All of these changes have resulted in program savings. Head Start 0 to 5 requests permission to redirect funds from personnel, fringe benefits and operations line items to the uses outlined in the Budget Justification Narrative below under the budgetary object class categories of Equipment ($1,252,900), Supplies ($1,494,987), Contractual ($1,445,153).
BUDGET JUSTIFICATION NARRATIVE

In accordance with Fresno EOC Head Start (HS) /Early Head Start (EHS) funding guidance letter in regards to grant #09CH010290 for year 05: 01/01/2020 – 12/31/2020 and year 06, 01/01/2021 – 06/30/2021, this budget narrative is submitted to support this application requesting a budget modification for Head 0 to 5 for a grand total of $4,175,036 (Head Start: $4,024,403 and Early Head Start $150,633). Projected cost revisions are related to program goals, as well as, to program design and approach to service delivery and are based on the Grantee’s years of HS/EHS program administration and operation in delivering required quality comprehensive services in the most cost-effective manner, knowledge of service availability, and understanding of current costs for purchasing equipment, materials and services. A budget revision for the grant period has been entered into HSES. The Budget Justification narrative for the revision for both HS and EHS are included herein.

Equipment $86,900 /EHS $0.00; HS $86,900

These costs apply only to Head Start as identified in the following narrative; since, Early Head Start has significantly fewer dollars to apply to the budget revision due to being 18% the size of the Head Start program and staff are not requesting any of their funds to be used to purchase equipment.

Head Start’s equipment portion of the funds is requested as below and a competitive process will be followed to determine the vendor for each service:

- Network Switches – Current network switches have been in place for over 5 years. New network switches (6) will allow various devices to connect and communicate on the network. With new
devices come additional security measures. The current network switches do not have all security management features needed to route multiple computing devices. New network switches would increase network speed, provide additional security measures, and allow management of all devices.

Additional manipulatives and general classrooms materials are needed in quantities that permit loaning of supplies to children/families to be used for curriculum activities to enhance school readiness during distance learning and also, due to social distancing and sanitation requirements. During a

The indirect charges have been based on 7.5% of total Direct Costs to cover the Agency’s indirect costs. A copy of the Grantee’s current Indirect Cost Rate Agreement has been uploaded into the HSES. Since these funds are repurposed from Head Start 0 to 5 Basic Budgets, Indirect charges have already been applied.

NON-FEDERAL SHARE

Efforts are on-going to overcome the challenges in maintaining the volunteer hour requirements due to the stringent California regulations in regards to immunization requirements for parents to participate in the classroom, as well as no classroom volunteers during the COVID-19 pandemic. Volunteer time contributed within the classroom is valued at the Teacher Assistant I hourly rate plus the average fringe benefit rate derived from the actual fringe rate of employees in the program. Donated services are also received from community partnerships/individuals who serve as speakers and/or provide training at no or reduced cost. Valuation of such services are determined using the fair market rate of similar services within the region, if specialized skills are required. Otherwise, the same valuation method used for the classroom volunteer is utilized. City of Fresno and various lessors donate $8,172 by not charging utilities and yard maintenance services. Volunteer time is estimated at $21.07 including fringe benefits x 59.94 hours x 7,600 volunteers = $9,598,255. Space in-kind is
valued as the difference between actual rent paid to landlords for the utilization of the space and the fair market value of that space determined by appraisals (HS $818,625 annually).

Non-Federal Match:

Generally, numerous sources of non-federal match are utilized within our program to comply with this requirement for involvement of local resources. The usual sources are described in greater detail within the below table.

Donated hours from the parents are valued at the Teacher Assistant I (HS) or Assistant Teacher/Caregiver (EHS) hourly rate plus the fringe benefit derived from the actual rate of the employees in this program. Volunteer time is also received when various guest speakers present relevant topics to either the parents or to the children. A valuation rate for the donated time is provided by the donor on the contribution form. If specialized knowledge is required for the presentation topic, then a valuation rate appropriate to that position is permitted. However, unusual rates are reviewed for reasonableness using internet searches for average pay rates of positions within the Fresno County area. Non-federal Share Match Waiver

Head Start and Early Head Start propose a waiver of the non-federal share match for this budget modification and for all funds awarded for 2020/2021 (Carryover from Basic Budget 2019, Basic Budget 2020 - 2021, COLA 2020, Quality Improvement 2020, and Head Start and Early Head Start T&TA). Due to the COVID-19 pandemic, volunteer time, as defined and calculated above has been significantly reduced compared to other years. Due to reduction in class size to ten children per classroom, many children receiving distance learning and the inability to have volunteers enter our classrooms during the COVID-19 pandemic, we are unable to recover the needed in-kind for FY 2020 and for FY 2021 (January 1 through June 30, 2021). Additionally, due to the pandemic many businesses are operating at reduced capacity or have closed altogether and are, therefore, unable to contribute non-federal share match to our program.

Conclusion

Davis Bacon regulations will be observed for all contractual obligations of $2,000 dollars or more, where required by federal law and bids will be obtained for any individual costs over $25,000 (as allowed during the COVID-19 pandemic. Quotes will be obtained when required for expenditures to facilitate a competitive process prior to the determination of the appropriate vendor to complete the project. The purchase of the two modular classrooms for Huron (1) and Sanger (1) sites will necessitate the submission of a 1303. The needed documentation will follow, if the funds are authorized to be spent as requested.

Because of the short timeline between this request to modify our budget and the end of the 2020/2021 fiscal Year (12/30/21), we anticipate that the funds for expenditures outlined above will be spent between approval (if granted) and December 30, 2021.

These Budget Modifications require approval by the County-Wide Policy Council and the
Fresno EOC Board of Commissioners. Please see the corresponding documentation of approvals by these bodies, uploaded into the documents tab in HSES.
Recommended Action

The Program Planning and Evaluation Committee recommends ratification for full Board consideration to approve a Cost of Living Adjustment (COLA) increase for Early Head Start ($45,413) and Head Start ($205,925) for a total of $251,338 fiscal year 2021.

Background

On March 25, 2021 the Administration for Children and Families released the opportunity for programs under the Head Start Act to apply for COLA funding for the fiscal year 2021. The cost of living adjustment is an increase in income that keeps staff salaries on par with increases in living expenses. However, due to being under DRS and re-competing for our grant, we were not allowed to apply until after we were awarded the grant in June 2021.

All HS 0 to 5 employees will receive at minimum a 1.22% COLA increase with the exception of all Education Teaching Staff positions as they received an increase in wages under the new grant. This also includes those positions who were within the salary range of the wage-comparison survey completed February 2021 regarding other Early Care and Education entities in our community. The COLA will also be applied to support staff fringe benefits.

Head Start 0 to 5 management submitted a request for authorization to apply for funds, to the Head Start 0 to 5 County-Wide Policy Council and Fresno EOC Board of Commissioners Chairperson, to which they both authorized to apply August 3, 2021, respectively.

On August 21, 2021, we received notification from Office of Head Start that we were awarded the COLA.
Fiscal Impact

For Head Start 0 to 5 to continue to provide a quality program for the community’s families/children by offering competitive salaries to qualified staff.

Conclusion

If approved by the full board, these funds will be used to increase salaries and fringe benefits and offset higher operating costs. If no approval is received, the unspent monies will be returned to the Office of Head Start.

Early Head Start COLA Narrative

Fresno County Economic Opportunities Commission (dba Fresno EOC) Early Head Start, per the Consolidated Appropriations Act, of 2021, released by the the Administration for Children and Families (ACF) on March 25, 2021 enabled Fresno EOC to apply for a cost of living increase (COLA) of $45,413 for the Early Head Start Program. The cost of living adjustments is an increase in income that keeps staff salaries on par with increases in living expenses. We propose these dollars to be applied to wages, salaries, and benefits. Fresno EOC Early Head Start management submitted a request for authorization to apply for the funds, to the Head Start 0 to 5 County-Wide Policy Council and Fresno EOC Board of Commissioners. The County-Wide Policy Council and the Fresno EOC Board of Commissioners have authorized Early Head Start to apply for a COLA, on August 3, 2021, respectively. Corresponding documentation has been uploaded under the documents tab in the COLA section of the Head Start Enterprise System.

Fresno EOC Early Head Start provides services to 478 prenatal women, infant, toddlers and their families throughout Fresno County, 344 in Home Base, 52 in Family Child Care homes and 82 in Center Base. The request for an increase in funding is consistent with the provisions of Section 653 of the Head Start Act and the instruction received regarding the Consolidated Appropriations Act, of 2021. Management is aware that the funding will only become effective when a Notice of Award is received. All Early Head Start employees will receive at minimum a 1.22% COLA increase with the exception of all Education Staff positions as they received an increase in wages under the new grant. The Fresno EOC Early Head Start salary table will be adjusted correspondingly, so that the increase will be included in all future wages.

During the winter of 2021, Fresno EOC Early Head Start completed the Head Start 0 to 5 Special wage-comparison survey. The comparison documents that Fresno EOC Early Head Start pays salaries comparable to or slightly above some Early Head Start programs in California’s Central Valley; however, we experience considerable competition in the surrounding area for hire of the highly qualified workforce, needed to operate our Early Head Start programs. In order to recruit and retain our workforce, the wage that we pay must be competitive in the local economy.

Much of our turnover can be attributed to the extensive need for a quality workforce in our vicinity. Fresno EOC has a reputation for hiring qualified staff and providing extensive training
that assists them to become more highly qualified. Historically, Early Head Start had few competitors for hire of a qualified workforce. In recent years, Child Development and Early Childhood Education programs operated by colleges, universities, unified school districts, the Office of the Superintendent of Schools, etc. have competed with us for hires and because of their higher pay scales, numerous applicants and former staff have chosen to work for them instead. Early Head Start frequently loses staff to these communities partners.

Today with employment opportunities in accreditation, Quality Rating Improvement Scale, special needs Part C services, coaching, and quality child care, in our service area, the Central Valley has become a highly competitive early care and education environment and there are numerous, other opportunities for employment, in some cases paying a higher hourly wage than Early Head Start.

Salaries for kindergarten teachers were also included within the wage comparability tables researched for Fresno EOC Early Head Start during winter of 2021. The Unified School Districts’ salaries are considerably higher than the salary that an Early Head Start employee can earn. In Early Head Start, we emphasize obtaining Associate’s and Bachelor’s degrees and we support staff’s efforts to do so. When the degree is earned, staff frequently leave Early Head Start employment for higher paying positions elsewhere. We have seen a trend to earn a kindergarten to 12th grade credential and for staff to leave for employment in the Unified School Districts.

Additionally, research has shown that continuity of care supports optimal school readiness for children. Salaries that are competitive with other Early Head Start Programs, preschools, and child care centers throughout the central valley, will help us to retain staff who can support Early Head Start children. Subsequently, minimal staff turnover will optimize school readiness and lifelong outcomes for Early Head Start children who are part of the most vulnerable population in our Fresno County Service Area.

We are aware that frequently, families and children in our programs are victims of trauma. Increases in staff compensation are intended to enhance program quality and the resultant improvement in our ability to attract and retain qualified program staff, will provide optimal support to children and families struggling with difficult life circumstances.

Early Head Start employs 89 staff to provide services to the enrolled children and families. The COLA of 1.55% to 1.75% provides staff with an increment in wages that remains below the average rise in the consumer price index (CPI) in major cities in California. Increases range from 3.1% to 4.0%, with Fresno ranking as the fifth largest city in the state.

The COLA will also be applied to supporting benefits for staff. Among these benefits, the award of funds will support enhanced access for Early Head Start staff to Fresno EOC’s employee assistance program. Because of the educational encouragement that Early Head Start provides to support enrolled families, numerous former clients are inspired to gain an education that qualifies them to apply for openings in Early Head Start. At times there are unresolved traumas in the lives of staff and the mental health supports of the employee assistance system are instrumental in helping staff to resolve personal issues which support
them, in turn, to be much more effective in assisting children and parents through a trauma informed approach. The additional indirect dollars supporting Fresno EOC will ensure that the agency’s Employee Assistance Program (EAP) remains available to staff. A stable workforce promotes continuity of care which is a positive development for children in Early Head Start.

Budget Justification

COLA: $33,981

Fresno EOC Early Head Start proposes to use $33,981 in the personnel budget line item, the dollars requested represent a range of 1.55% to 1.75% COLA, for #57 positions on Fresno EOC Early Head Start’s salary table. Staff, children, families and the community will receive advantage as the increases in salaries translate into increased staff retention, increased staff productivity, and increased staff mental health supports through Fresno EOC’s EAP. Supported staff will consequently be better able to support the children and families enrolled in the program, many of whom have suffered trauma in their lives.

Benefits: $7,680

With the increase in wages there is a corresponding increase in funding applied to benefits. Early Head Start’s costs for provision of benefits include:

Federal Insurance Contributions Act (FICA) funds for Social Security: $2,107

Medicare: $510.00

State Unemployment Insurance: $2,107

Workers’ Compensation: $1,257

Health Insurance: $0

Life Insurance: $0

Pension: $1,699

Non-Federal Share $0

Per the COVID-19 Funding Guidance: ACF-PI-HS-21-01 FY 2021, Supplemental Funds in Response to Coronavirus Disease 2019 (COVID-19) received February 19, 2021. A waiver of non-federal match has been submitted with this application.

Indirect Cost: $3,749

Fresno EOC has negotiated a 9.0% Indirect Cost Rate with Health and Human Services (HHS) Division of Cost Allocation. A copy of the letter approving this rate is uploaded into the documents tab in HSES.

Conclusion

This information regarding the 2021 COLA application requires approval by both the County-Wide Policy Council and the Fresno EOC Board of Commissioners. Please see the
corresponding attached documentation uploaded into the Head Start Enterprise System (HSES).

Fresno EOC Head Start provides services to 2,590 three and four year olds and their families throughout Fresno County, 120 in Home Base and 2,112 in Center base. The request for an increase in funding is consistent with the provisions of Section 653 of the Head Start Act and the instruction received regarding the Consolidated Appropriations Act, of 2021. Management is aware that the funding will only become effective when a Notice of Award is received. We propose Head Start use of the 2021 Cost of Living Adjustments Funds for wage equitability to compensate higher levels of education for key positions that merit a more competitive starting wage, per 2021 wage comparability study. All Head Start employees will receive at minimum a 1.22% COLA increase with the exception of all Education Staff positions as they received an increase in wages under the new grant.

This aligns with the directive from ACF that the agency is encouraged to provide staff with a minimum salary increase of at least 1.22%. The Fresno EOC Head Start salary table will be adjusted correspondingly, so that the increase will be included in all future wages.

**Recommended Action**

The Program Planning and Evaluation Committee recommends approval for full Board consideration of the 2022 Low Income Home Energy Assistance Program (LIHEAP) contract #22B-4008 with the State of California, Department of Community Services and Development (CSD) in the amount of $10,426,205 for a 20-month period, beginning November 1, 2021.

**Background**

LIHEAP is funded by the U.S. Department of Health and Human Services, Administration for Children and Families, Office of Community Services. The program aims to assist low-income households that pay a high portion of their income to meet their energy needs.

There are several portions of the program that help accomplish this goal, such as:

- The Home Energy Assistance Program (HEAP) providing one-time financial assistance to help balance an eligible household's utility bill;
- The Energy Crisis Intervention Program (ECIP) providing assistance to low-income households that are in a crisis situation;
- LIHEAP Weatherization providing free energy efficiency upgrades to low-income households to lower their monthly utility bills, while also improving the health and safety of the household's occupants;
- Education on basic energy efficiency practices and instruction on the proper use and maintenance of installed weatherization measures; and
- Energy budget counseling.

With the funding allocation, Energy Services will serve an estimated 250 households with weatherization services and 100 households for emergency heating and cooling services. In addition, an estimated 7,000 households will receive utility assistance, including fuel assistance.
In response to additional information requested by the Program Planning and Evaluation Committee at the meeting held on September 14, 2021, attached is the Program Year (PY) 2020 LIHEAP report by households served in Fresno County by zip code, including a summary total by rural and urban area.

Fiscal Impact

CSD’s allocation to Fresno EOC totals $10,426,205 over a 20-month project period, beginning November 1, 2021. The 2022 LIHEAP Contract funding for Fresno EOC is based on 100% of the prior 3-year grant award average, as referenced in the Planning Allocation Spreadsheet.

Conclusion

If approved by the Board, Fresno EOC will enter into a contract with CSD for the 2022 LIHEAP funding to continue to help Fresno County low-income families with weatherization services and utility expenses.

**Recommended Action**

The Program Planning and Evaluation Committee recommends ratification for full Board consideration of the American Rescue Plan Act (ARPA) Low-Income Home Energy Assistance Program (LIHEAP) Program Year 2021 contract #21V-5557 with the State of California, Department of Community Services and Development (CSD) in the amount of $10,826,169 for a 20-month period, beginning August 1, 2021.

**Background**

The State of California, Department of Community Services and Development (CSD) received the ARPA LIHEAP grant award from the U.S. Department of Health and Human Services to help low-income families meet their utility expenses in the wake of the COVID-19 pandemic. California Government Code Section 16367.51 stipulates that ARPA LIHEAP dollars are to be maximized to reduce energy arrearages for eligible households and prohibits the ARPA LIHEAP contract from providing any funding the weatherization component. Based on this requirement, services under ARPA LIHEAP contract will be limited to utility assistance (including Fast Track), emergency heating and cooling, and fuel assistance (for wood, propane, and oil). Key changes to the ARPA LIHEAP contract include capping Energy Crisis Intervention Program Emergency Heating and Cooling funding at 15 percent of the ARPA LIHEAP contract allocation; increasing the maximum Fast Track benefit amount of $1,000 to $3,000; and suspending service prioritization requirements for all services fund the ARPA LIHEAP contract.

Fresno EOC operates LIHEAP under the Energy Services program. The contract will serve an estimated 3,333 households with utility assistance, including fuel assistance. In addition, an estimated 200 households will receive emergency heating and cooling assistance.
Fiscal Impact

The 2021 LIHEAP ARPA allocation for Fresno EOC totals $10,826,169 over a 20-month project period beginning August 1, 2021. The Planning Allocation Spreadsheet is included to reference.

Conclusion
If approved by the Board, Fresno EOC will enter into a contract with CSD for the 2021 LIHEAP ARPA to help Fresno County low-income families with utility expenses during the COVID-19 pandemic.

IV. INTRODUCTION OF NEW MEMBERS
Shawn Riggins, LCC Director, introduced two new members to the Board, Ed Avila and Itzi Robles, Fresno EOC Commissioners.

V. PRESENTATION: Mattress Recycling Council (MRC)
Jennifer Duran, Central California Program Coordinator, provided an overview on mattress recycling. Jennifer stated that MRC operates programs in Connecticut and California. CalRecycle oversees operations in California. MRC was created in response to SB 254 in 2016. The goal of SB 254 is to increase recycling and reduce illegal dumping of mattresses. A recycling fee collected at the time consumers purchase a mattress or box spring funds the program. Jennifer stated that 95% of Californians live within 15 miles of a collection site and there are ten dedicated mattress recyclers in California that work with in MRC’s network. In 2019, MRC recycled over 5 million mattresses, resulting in 168 million pounds of material being diverted from land fields. Over 75% of mattress materials are recyclable.

Staff:
Shawn Riggins, LCC Director
Michelle L. Tutunjian, Chief Operating Officer
Elisa Sgambellone, Senior Services Manager
Caroline Garcia, YouthBuild Program Manager
Julio Lopez, Recycling Program Manager
Daniel Palomera, Solar Program Manager
Alicia Garcia, Administrative & Operations Manager
Lee Xiong, CalCRG Specialist
Veronica Moreno, Lead Transitional Support Adviser

Corpsmembers: Benito Cortez
Jennifer stated that MRC is currently working with LCC on the upcoming Community Clean-up Day in Riverdale, at the Lenare Community Center on Saturday, February 20.

MRC collaborated with Central California Environmental Justice Network (CCEJN) and LCC on the Fresno YES! Community Clean Up Day, Saturday, February 27, at Hidalgo Elementary School in Fresno. MRC provided media support and Council Member Esparza’s office provided a proclamation for this event. Social distancing is observed during these events.

MRC is also working with three other Corps on a pilot project, which includes mattress collection while on regular recycling routes, collecting data to pin point zip codes where mattresses are found and where MRC needs to concentrate efforts to mitigate illegal dumping. The City of Fresno is interested in collaborating with LCC on this project. The nine-month project is scheduled to begin March 1. LCC will be able to receive $15 per unit collected thru this project.

Jennifer stated that LCC operates two mattress drop off sites, Friant Buyback Center and the LCC base. LCC is compensated $2.25 per unit, in addition to receiving compensation for transporting mattresses to the recycling center, and providing labor at community events. LCC will also pick up mattresses at resident’s home, charging a fee of $25 per mattress, $40 for mattress and box spring.

Another fee for service opportunity is thru AB 187. As of January 1, 2021, retailers are required to provide consumers free pick of an old mattress when a new one is purchased. MRC is compiling a list to help support retailers meet this obligation, LCC is on this list, and has been contacted from online retailers to enter into an MOU to provide collection services for customers living in Fresno and Madera counties.

Jennifer stated that MRC currently partners with eight out of the fourteen Corps in California and is working to partner with all fourteen.

VI. LCC UPDATES
a. Work Training Projects
A detailed list of work training projects was distributed at the meeting along with the Advisory Board agenda packet. Several projects were highlighted. Shawn Riggins provided a brief update on LCC’s activities/events since the last Advisory Committee meeting, as follows:

- In December, 2020, LCC became part of the Training and Employment division within EOC, which includes LCC, Employment & Training, Valley Apprenticeship Connection (VAC) and Foster Grandparents. Jeff Davis is the Director of the Employment & Training Davison. Jeff Davis explained that the division came about due to continued efforts to better partner with programs internally, share resources and increase services offered to youth that are jointly served.

- Shawn stated that in November LCC submitted the third phase of Prop 68 grant application for the development of the second story of the Paul McLain vocational building. Two Prop 68 grants have been awarded and are under contract, the third phase will finish the development of the second story. The RPF has been released for phase 1 and 2.
• In January LCC submitted the SB1 Active Transportation Program (ATP) grant application to the state, in partnership with the County of Fresno. The application proposes the clean up of the oleanders along Kearney Boulevard.

• In partnership with the West Fresno Family Resource Center, LCC also submitted a Fatherhood grant application to the County of Fresno.

• An update on the Fresno County Forestry Corps project was provided. This project is in partnership with the Fresno Regional Workforce Development Board (FRWDB) and Reedley College. In December 2020, LCC started implementation on the work phase portion of the project. Participants begin with four weeks at LCC (Phase 1) going thru an orientation, First Aid/CPR, OSHA 10 certifications, and physical activities, and then transition to Reedley College (Phase 2) for eight weeks in a classroom setting and S212 Chain Saw Certification. After completion of the 8-week session participants return to LCC for hands on project work training (Phase 3). In December project work began at Dunlap and Miramonte, completing the training for cohort 1 and 2. Cohort 3 training started this week.

• LCC has also received grant funding from FRWDB to provide similar training targeting residents of the Creek Fire.

• Elisa Sgambellone, LCC Assistant Director, stated individuals can now apply on line for school and LCC, applications can be found on EOC’s web site, LCC’s page and that Mental Toughness Orientation (MTO) has been re-designed, due to COVID-19, and will be a three day process.

• Elisa also provided an update on the YouthBuild Charter School (YCSC), LCC’s education partner. YCSC continues with distance learning, distribution of hot spots, to those students who need them, and Chromebooks continue. The decision for Trimester 3 on whether or not the school will continue with distance learning will take place at the upcoming YCSC board meeting at the end of February.

• Julio Lopez, Recycling Program Manager, provided an update on LCC’s recycling program. Julio stated that the mattress recycling program is going well, in past three months 120 mattresses have been collected and delivered to the local recycler. There has been an increase in calls for e-waste and mattress pick ups. CRV collection at the Friant Buyback Center is averaging approximately 3-4 truckloads of material per month. LCC assisted MRC at the Madera County event at Miranets High School; this was a student led event, “Senor Legacy Experience”.

EOC/LCC applied for this funding and were informed, in April, that our application was recommended to receive the grant, and this recommendation will be going to the Board of Supervisors at the next meeting. The grant amount is $852,000 for three years, and possibly a one-year extension. The goal is to serve 100 fathers annually in partnership with the Department of Public Health, Perinatal Equity Initiative (PEI), and Babies First Program. The program goal is to improve Black maternal and infant health outcomes for the community. Services will target expectant, new, and non-custodial fathers/partners of Black mothers in Fresno County and other fathers/partners referred by the Babies First program. The Local Conservation Corps program, in coordination with internal partnerships from Health Services, Women, Infant, and Children and Workforce Connection Young Adult Programs, will lead the administration to meet the service delivery along with the West Fresno Family Resource Center and Department of Child Support Services. This grant provides funding for three positions; Coordinator, Transitional Support Advisor, and a Program Assistant. The target implementation date is July 1, 2021, with a three-month startup period, and delivery of services in late September.
Shawn stated that he just attended a Fatherhood Conference in Los Angeles, the first in person conference in LA County since COVID-19, which provided an opportunity to re-connect with individuals he met previously while working on the previous fatherhood program.

Rosa M. Pineda, Early Care & Education Director, informed Representatives of the Fresno EOC Head Start 0 to 5 Budget Modification. This information was displayed onto the screen at tonight's meeting.

Staff recommends approval for full Board consideration modifications to the Head Start 0 to 5 FY 2020 budget by $4,175,066 and reallocate the unspent program funds to other expenditures in FY 2020. Early Head Start will reallocate $150,663 and Head Start will reallocate approximately $4,024,403 for projects outlined in the attached budget documents.

During the FY 2020, numerous Head Start 0 to 5 staff have been granted medical leaves due to health concerns, pregnancy complications, and/or baby bonding. In these instances, the state of California provides compensation and/or the agency's Worker's Compensation carrier pays staff approximately 65% of their usual wages, effectively saving the program 2/3 of the cost of each staff's salary. Unpaid personal leaves have also been authorized for some staff. The COVID-19 pandemic, the shelter in place order and the flexibility for some staff to continue to work from home have increased the savings for reasons such as smaller utility bills, minimal mileage reimbursement, and little use of classroom consumables. Some annual functions such as the Parent Volunteer Luncheon and the End of the Year Staff In-service were canceled due to the pandemic. Parent meetings have become virtual, so parent mileage, meal costs and babysitting funds also remain unspent. All of these changes have resulted in program savings.

Head Start 0 to 5 requests permission to redirect funds from personnel, fringe benefit and operations line items to the uses outlined in the attached revised budgets. Fiscal Impact with these budget revisions Head Start 0 to 5 would utilize FY 2020 funds to accomplish previously unfunded, and needed projects. Early Head Start seeks to reallocate $150,663 Head Start $4,024,403 for a total for Head Start 0 to 5 of $4,175,066.

For Head Start 0 to 5 to continue to provide a quality program for the community's families/children by replacing/repairing equipment/materials needed for the centers to continue to operate in accordance with Community Care Licensing and Head Start Program Performance Standards.

If approved by the CWPC, Head Start 0 to 5 will submit an application to Region IX requesting authorization to revise our FY 2020 expenditures. If no approval is received, the unused funds would be returned to the federal government when our budgets are closed out.

Ms. Pineda reviewed some of the line items in the 2020 Head Start 0 to 5 Budget Modification.

**HEAD START: $4,024,403**

Supplies: Preschool Backpacks, Laptops, Children's Books, Replace Classroom Furniture, etc.

Contractual: A/C Units at 10 centers, 2 Modular Buildings (Sanger Head Start and Huron Head Start), etc.
EARLY HEAD START: $150,633

Supplies: Classroom Consumables, Classroom Furniture Replacement, Children’s Books

Contractual: Playground at Mt. Carmel (Franklin Head Start), etc.

After a question and answer period, motion to approve the Fresno EOC Head Start O to 5 Budget Modification was made by Fawnda Cole and seconded by Emilia Juarez. Motion carried.

NO COST EXTENSION

Rosa M. Pineda, Early Care & Education Director and Nidia Davis, Program Support Director, informed Representatives of the No Cost Extension. This information was displayed onto the screen at tonight’s meeting.

Staff recommends approval for full Board consideration of a No Cost Extension to our grant funding for the period ending June 30, 2021 for Grant # 09CHO10290. By extending these grant funds, it will allow us continuous access to the funds in order to carry out the work from the Basic grant funds, Facilities project funds and COVID-19 funds. We are requesting access to the remaining funds available after June 30, 2021. The plan is to fully obligate these funds by December 30, 2021, therefore requesting an extension until this date.

During the FY 2020, numerous Head Start O to 5 staff have been granted medical leaves due to health concerns, pregnancy complications, and/or baby bonding. In these instances, the state of California provides compensation and/or the agency’s Worker’s Compensation carrier pays staff approximately 65% of their usual wages, effectively saving the program 2/3 of the cost of each staff’s salary. Unpaid personal leaves have also been authorized for some staff. The COVID-19 pandemic, the shelter in place order and the flexibility for some staff to continue to work from home have increased the savings for reasons such as smaller utility bills, minimal mileage reimbursement, and little use of classroom consumables. Some annual functions such as the Parent Volunteer Luncheon and the End of the Year Staff In-service were canceled due to the pandemic. Parent meetings have become virtual, so parent mileage, meal costs and babysitting funds also remain unspent. All of these changes have resulted in program savings.

Head Start O to 5 requests permission to redirect funds from personnel, fringe benefit and operations line items to the uses outlined in the attached revised budgets. Fiscal Impact with these budget revisions Head Start O to 5 would utilize FY 2020 funds to accomplish previously unfunded, and needed projects. Early Head Start seeks to reallocate $150,663 Head Start $4,024,403 for a total for Head Start O to 5 of $4,175,066.

For Head Start O to 5 to continue to provide a quality program for the community’s families/children by replacing/repairing equipment/materials needed for the centers to continue to operate in accordance with Community Care Licensing and Head Start Program Performance Standards.

If approved by the CWPC, Head Start O to 5 will submit an application to Region IX requesting authorization to revise our FY 2020 expenditures. If no approval is received, the unused funds would be returned to the federal government when our budgets are closed out.

Ms. Pineda informed Representative that the No Cost Extension goes hand in hand with the Head Start O to 5 Budget Modification. As of July 1, 2021 a new Grant number has been issued for the next 5 years. We are requesting to carry over funds from FY 2020 to go into Year 1 of the new Grant. The deadline to request carryover obligated funds is December 30, 2021.

Motion to approve the No Cost Extension was made by Fawnda Cole and seconded by Yessenia Magallon. Motion carried.

Marie Sani, Health Services Director and Guadalupe Zuniga, Home Base Manager, informed Representatives of the Head Start Center Base/Home Base Health Services Compliance Report August 2020 to April 2021. This information was sent to Representatives prior to tonight’s meeting.

Ms. Sani and Ms. Zuniga, informed Representatives that the Head Start Center Base/Home Base Health Services Compliance Report August 2020 to April 2021 included a comparison of Physical and Dental exams as well as immunizations percentages. During the comparison of previous year’s health numbers, it was noted that, this year’s percentage numbers were lower this program year by 5-20%. This is due to increased challenges to obtain the health and dental information. Some providers were not able to see clients during the COVID-19 Pandemic. In addition, many of our parents in Center Base and Home Base were also only remote learning.

Our staff used various techniques ZOOM calls, texting and phone calls. Other staff performed screenings for vision and hearing outside of centers using extra protective equipment and additional cleaning precautions. We also conducted fluoride drive through events for fluoride varnish applications after visual dental exams.

| Core classes will be provided in small class groups. Core classes will be provided through one-on-one Independent Study instruction. Due to student request, new electives offered at SOUL will include Health and Business career courses. A new English Teacher, Nicholas Rodriguez, has been hired along with a new Social/Emotional Intervention Specialist, Michael Allen. Michelle Tutunjian shared with the Governing Council how Fresno EOC administration and SOUL leadership has worked diligently to address a smooth transition for the students and staff while the changes are implemented. She expressed her gratitude to Dr. Wilson for his dedicated service to community actions at Fresno EOC.
The Council members thanked Dr. Wilson and shared their thoughts and gratitude for all he has accomplished over his 15 years at SOUL.

**IV. Charter Renewal Extension (AB 130)**

SOUL’s current charter, which was originally up for renewal by or before June 30, 2023 will be extended to June 30, 2025. This extension is a result of the learning loss during the COVID Pandemic. The State of California passed Assembly Bill 130 which provides charter schools with a two-year renewal extension. This Bill, notwithstanding the renewal process and criteria effective July 1, 2021, would require all charter schools whose term expires on or between January 1, 2022, and June 30, 2025, inclusive, to have their term extended by two years.

**V. Other Business**

Dr. Wilson announced that he recently accepted Michael Allen’s formal resignation as a Community Representative on the SOUL Governing Council. Mr. Allen has accepted a staff position at Fresno EOC as the SOUL Social/Emotional Intervention Specialist.

Rena Failla has referred N. Durrell James, a Fresno County Juvenile Hall correctional officer to the Governing Council as a new representative for the Juvenile Law Enforcement Justice System.

The next Governing Council meeting will be held Tuesday, September 14, 2021.

Head Start Program Performance Standard 1302.32(a)(1) states, center-based and family childcare program must implement developmentally appropriate research-based early childhood curricula, including additional curricular enhancements, as appropriate that:

(i) Are based on scientifically valid research and have standardized training procedures and curriculum materials to support implementation.
(iii) Have an organized developmental scope and sequence that include plans and materials for learning experience based on developmental progressions and how children learn.

Early Head Start utilizes two research based curriculum used to support children’s development:
• Center Base – Creative Curriculum for Infants, Toddlers and Twos
• Home Base – Partners for a Healthy Baby

Recommended Action

Adopt resolution authorizing the agency to allow for the Board of Commissioners and standing committees to participate via teleconference so long as such actions comply with newly adopted AB 361.

Background

Governor Newsom’s Executive Order No. N-29-20, which allows some or all Commissioners/Committee Members to participate in a public meeting via teleconference (phone or video) is set to expire as of September 30, 2021.

On September 15, 2021 AB 361 was passed which includes the following:

Through December 31, 2023, AB 361 allows local agencies to continue to use COVID-19-era teleconferencing notice and meeting procedures as long as one of the following specific types of emergency exists:

A. The legislative body holds a meeting during a proclaimed state of emergency, and state or local officials have imposed or recommended measures to promote social distancing.

B. The legislative body holds a meeting during a proclaimed state of emergency for the purpose of determining, by majority vote, whether as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

C. The legislative body holds a meeting during a proclaimed state of emergency and has determined, by majority vote, pursuant to subparagraph (B), that, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

The local agency board must make specific findings every 30 days during the emergency when telephonic or virtual meetings are required. The state of emergency in California still exists at least until the end of the year, so these findings must be made every 30 days after September 30, 2021 when the Executive Order expires:
A. The legislative body has reconsidered the circumstances of the state of emergency.

B. Any of the following circumstances exist:
   (i) The state of emergency continues to directly impact the ability of the members to meet safely in person.
   (ii) State or local officials continue to impose or recommend measures to promote social distancing.

The new law also prohibits local agencies from requiring public comments to be submitted prior to the meeting without also allowing real-time comment opportunities during the meeting. In addition, the new law allows third-party internet websites to collect names and other information from the public in order to participate in the meeting, but local agencies themselves are still prohibited from requiring the same information to participate. Finally, if there is an internet or telephonic service disruption that prevents the agency from broadcasting the meeting, the agency may take no action until the broadcast is restored. Normal posting timelines for agendas still apply, as well as the roll-call vote requirement.

Fiscal Impact

There are no financial implications to this decision.

Conclusion

If the Board adopts the resolution, the Board will continue to meet via teleconference. This item will also be included in every consent Regular Commission Meeting Agenda for approval moving forward until the end of 2021.

WHEREAS, under AB 361, a local agency may hold a teleconferenced meeting during a proclaimed state of emergency upon a determination, by majority vote, that as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees; and

WHEREAS, such findings must be made no later than 30 days after the first teleconferenced meeting pursuant to AB 361, and every 30 days thereafter, in order to continue to meet by teleconference under such abbreviated teleconferencing procedures.
