Ashleigh Rocker Greene, CWPC Chairperson, informed Representatives of the Average Daily Attendance (ADA) Report for the month of December 2021 for Early Head Start and Head Start. This information was sent to Representatives prior to tonight’s meeting.

Per Head Start Program Performance Standard 1302.16, a program must track attendance for each child and implement a process to ensure children are safe when they do not arrive at school. In addition, a program must implement strategies to promote attendance by providing information about the benefits of regular attendance; support families to promote the child’s regular attendance; conduct a home visit or make other direct contact with a child’s parent if a child has multiple unexplained absences and thereafter, use individual child attendance data to identify children with patterns of absences that put them at risk of missing ten percent of program days per year and develop appropriate strategies to improve individual attendance among identified children.

The Early Head Start monthly ADA for December 2021 is 65.72% for Center Base and 94.76% for Home Base. Total Early Head Start enrollment for December is 240.

The Head Start monthly ADA for December 2021 is 73.91% for Center Base and 88.90% for Home Base. Total Head Start enrollment for December 2021 is 1416.

To be in accordance with Head Start Program Performance Standards, Section 1301.3, an agency must (a) establish policy council and policy committees. Each agency must establish and maintain a policy council responsible for the direction of the Head Start program at the agency level, and a policy committee at the delegate level.

During the month of October, elections are held to fill the positions of the CWPC Executive Board, which shall be comprised of six (6) elected officers, standing committee chairpersons, and one (1) appointed Early Head Start Representative. In an effort to include equal representation for all Early Head Start/Head Start centers and all Home Base areas, the CWPC body will be assigned to a six (6) Cluster System. Once an Executive Board officer position has been filled from a specific cluster, no other Representative from that particular cluster may run or be nominated.

The term of office for Head Start 0 to 5 CWPC Representatives consists of one (1) year commitment from October 2021 to October 2022. Annually, the Head Start 0 to 5 Recruitment and Enrollment Policy is reviewed and updated with the CWPC ERSEA Committee. This process affords us the opportunity to ensure that we are recruiting and accepting children most in need of Head Start 0 to 5 services. Per the Head Start Program Performance Standards 1302.13, a program must develop and implement a recruitment process designed to reach those most in need of services. In addition, a program must include specific efforts to actively recruit children with disabilities and other vulnerable children such as homeless children and children in foster care.

Per Head Start Program Performance Standards 1302.15, a program must maintain its funded enrollment level and fill any vacancy with 30 days.

Revisions to the draft Head Start 0 to 5 Recruitment and Enrollment Policy were:

- Change language throughout Policy to reflect Head Start 0 to 5
- F. VOLUNTEERS 2. Include more language regarding the COVID-19 proof of full vaccination as stated in the Head Start Program Performance Standards 1302.94.

Annually, the Head Start 0 to 5 Selection Criteria is reviewed and updated with the CWPC ERSEA Committee. This process affords us the opportunity to ensure that we are recruiting and selecting children most in need of Head Start 0 to 5 services. Per Head Start Program Performance Standards 1302.14, a program must annually establish selection criteria that weigh the prioritization of selections of participants based on community needs identified the needs assessment. This includes family income, whether the child is homeless or in foster care, the child’s age, whether the child is eligible for special education and related services, or early intervention services, as appropriate, as determined under the Individuals with Disabilities Education Act (IDEA) (20.U.S.C. 1400 et seq.) and other relevant family or child risk factors.

Currently the Head Start 0 to 5 program has two (2) Selection Criteria (Early Head Start and Head Start) by merging both documents together as one we now have the Head Start 0 to 5 Selection Criteria.
