FINANCE COMMITTEE MEETING

Date: July 13, 2022	Program: Finance
Agenda Item #: 5	Director: N/A
Subject: Non-Competitive Procurements	Officer: Jim Rodriguez

Background

The information presented below is intended to keep the Committee apprised on any procurements made through a non-competitive procurement process.

In accordance with the Accounting Policies and Procedures Manual, Noncompetitive Procurements are "special purchasing circumstances, in which competitive bids are not obtained. Noncompetitive procurement (purchases and contracts) are only permissible in the following circumstances (2 CFR 200.320 [f]):

- An emergency exists that does not permit delay,
- Only one source of supply is available,
- If the awarding agency expressly authorizes noncompetitive proposals in response to a written request from the Agency,
- Or after solicitation of a number of sources, competition is determined to be inadequate.

The key requirement for the use of noncompetitive procurement is that the other methods of procurement are not feasible and one of the above circumstances exists." A report on the non-competitive procurement awards is to be made to the Board of Commissioners.

The agency also follows the following guidelines:

- Purchases from \$10,000 to \$150,000 require three written quotes and may be approved by the CEO.
- Purchases greater than \$150,000 require formal bid procedures and require approval from the Board.
- Purchases greater than \$10,000 without the required quotes or bids must be disclosed to the Board.

Vendor	Purpose	Amount	Justification
Focus Packaging and Supply	HS Nutrition – Annual contract for the delivery of disposable utensil and paper goods. Deliveries to be made to each HS center monthly. Centers do not have the space to store more than one month's supply.	Not to exceed \$150,000/yr	FOCUS Packaging and Supply Company was the only vendor to respond to the request for bids for disposable utensil and paper goods. The site delivery mandate, volatility of the market, fuel cost and supply chain issues appear to have discouraged vendors from consideration of a yearlong contract
