A. FGP currently maintains 55 volunteers and two staff for FGP and one staff for Next 50 computer training. We are actively recruiting for volunteers.

B. The Foster Grandparent volunteer stipend has officially been raised to $3.15 an hour as of April 1, 2022. That is an increase of $.15 cents.

C. We received the Next 50 initiative grant for $100,000 to provide computer training classes for seniors. This is open to Foster Grandparents and to the public. The classes are being held here at LCC for a small group as a pilot class. The next quarter starting July 2022 we will be holding classes at the Fowler Senior Center and we are contacting the Kerman Senior Center to provide classes as well as another class at LCC.

D. The program was awarded the American Rescue Plan Senior Demonstration Program grant application that had been applied for. This will be $375,000 over two years to expand into Madera, the eastern foothill community Auberry, Huron, and Cantua Creek.

E. An opportunity to apply for an augmentation to this current funding through American Rescue Plan funding became available. The purpose would be to address student learning loss due to COVID. The proposal is to add 10 Volunteer Service Years which would be approximately eight volunteers. FGP applied for $65,000 and it was awarded. The proposal is to expand further into Madera County. We have contacted Madera Head Start director; she is interested but not accepting volunteers yet. We will continue to do outreach to other programs.

F. Another grant opportunity has opened through the American Rescue Plan funding Senior Demonstration Program. FGP will be applying with the proposal to expand even further into Madera County and contact the tribal communities and outreach to the Hmong community for recruitment of volunteer grandparents. If awarded this would start July 1, 2022.

G. Grandparent Day Luncheon was held September 10, 2021 at Fresno EOC Neilson Conference Center. This was the first in person gathering since the shutdown. The event was well attended with 50% of volunteers in attendance.

H. November 2021 a turkey luncheon was held at the Fresno EOC Nielsen Center with a turkey and trimmings meal from Fresno EOC Café catering. A food distribution specifically for the FGP volunteers was also conducted. Each of the FGP volunteers in attendance received a frozen turkey alone with other bags of food items.
I. December 2021 the annual Recognition Banquet was held at Pardini’s Banquet Center. FGP volunteers were honored for their years of service with certificates, pins, and a gift. Those who have served for 20 years or over received a special award and recognition.

J. “Story time with Grandma” video was recorded to use in classrooms and posted to YouTube. One of the Grandma was able to read two stories and was recorded by Fresno EOC communications staff member.

K. Project Linus, a nonprofit that gathers handmade blankets from the community to distribute to children in need, contacted the FGP Program. FGP was able to assist with the distribution of 150 blankets to children in Head Start, WIC mothers, and youth in the Central Valley Against Human Trafficking Program.

L. The Kiwanis Club of Fresno County donated $1000 for FGP to purchase books for children in the program and use for grandparent volunteers to read to the children on Zoom. Working through the Scholastic book club system, 461 books were purchased. This provided three books to every one of the 140 students at Franklin, plus some books to keep in the FGP library for our other Grandparent volunteers that will be reading stories to their classes at other Head Starts.

**Background**

The information presented in the Program Updates is intended to keep the Community Advisory Group appraised of program activity for Foster Grandparent Program.
1. FGP currently has 45 active Senior Corps volunteers serving the community.

2. With carryover funding and new funding awarded from the Senior Demonstration Program, hired a second Volunteer Specialist and a Program Assistant. FGP now has five staff with one dedicated staff for Next 50 computer classes.

3. Senator Anna Caballero honored each FGP volunteers that completed the original Tech Training in June 2022 with a Certificate of Recognition. She had learned about the program from the news coverage of the April 2021 graduation. In September 2022, the Senator honored all of the FGP volunteers for Grandparents Day with certificates to recognize the sharing of their selves, love and wisdom with the children and youth in the community who need them the most.

4. Orientations and enrollment: Two orientations were held and 12 new grandparent volunteers were enrolled. Six interviews with interested persons in the Madera area were conducted.

5. Placements: The MOU created with Madera County Superintendent of Schools Early Childhood Learning Centers has made nine classrooms available in Madera and one in Chowchilla. An existing volunteer and a new grandpa living in Madera were placed there and an existing grandma placed in Chowchilla. Many grandparents went back to their original placements. Newly enrolled volunteers began at Dakota Circle Head Start and Reading and Beyond preschool. Two will be starting Boys and Girls Clubs.

6. MOUs: An agreement with Big Sandy Rancheria and Pine Ridge Elementary, along with the existing Foothill Elementary school will be available when volunteers are recruited from the foothill Auberry area. A new MOU was created with Reading and Beyond program with two sites in Fresno.
7. Generations Serving Together program: Awarded $25,000 from Encore.org to begin a program to create a co-generational model of service. Encore and AmeriCorps Seniors teamed up to present this grant opportunity. FGP was one of eight recipients in the country.

8. Senior Demonstration Program: The funding for $375,000 for two years began July 1, 2022 to provide for the expansion of the Foster Grandparent Program model. Madera, San Joaquin, Cantua Creek, Kerman, Auberry area and tribal communities in the foothills, and other areas we have not had a presence in before have been and will be contacted to gain volunteers sites and grandparent volunteers.

9. Next 50/Senior Planet Tech Training: Five classes of Seniors learning computer basics have been completed. The first graduation of the Fresno class of six people was held in June. This quarter, four classes in Kerman, Fowler, Fresno completed with 40 graduates. Classes in Kerman, Fresno and Fowler will begin again in mid-October. This Next50 funding ends in December.

10. Plant Sale fundraiser: The fundraiser was held during ArtHop at Fresno EOC Plaza in July and raised $1,100. Plants were donated by grandparent volunteers and staff. A donation from a local florist/plant shop was added for a chance for a name to be drawn to receive a plant with a pot and hanger. Proceeds from the donations will help support a charter bus trip to the coast in the spring.

11. Eligible FGP volunteers and Next 50 / Senior Planet students received grocery gift cards from CSBG CARES funding. Fifty-nine clients each received a $250 gift card to address food insecurity. The recipients were very appreciative and stated how much of a difference the grocery card will make for their budget.
