VI. SPECIAL PRESENTATION

Fresno Madera Continuum of Care (FMCoC) Coordinated Entry System (CES).

Gattie-Blanco introduced Sara Rios, Director of Client Services CES Administrator, from Poverello House provided a power-point presentation on Coordinated Entry System, an overview of access, assessment, prioritization and referral. The committee was provided informational handout with FMCoC Access Sites including map of Coordinated Entry system and will receive via email power point.

Cervantes inquired if Poverello is partnering with Anthem Blue Cross, Gattie-Blanco informed committee that Anthem Blue Cross along with CalViva HealthNet are providing funds to multiple agencies including Fresno EOC with "HHIP" monies to enhance Street Outreach in coordinated efforts.

Pacheco shared she's working with groups of landlords' trying to create more housing opportunities, who should they reach out to? Rios shared they're encouraging to the community the "shared housing" concept, Rios was interrupted by technical issues. Gattie-Blanco suggested to connect with another board member who does landlord engagement and will connect Pacheco and Rios via email.

Pacheco inquired if HOPE clients go through coordinated entry, Gattie-Blanco stated clients are considered housed through HOPE program. At the time of program exit plan if client is determined they have nowhere to go, then they will be connected.

VII. PROGRAM UPDATES

- Accomplishments and Challenges

Gattie-Blanco provided a brief overview of Accomplishments and Challenges, handouts were previously provided to the committee.

Homeless Services remains at capacity with all facilities. We've had large families in Bridge Housing, 4-5 people in family unit and Permanent Housing remains full at all times (rarely changes).

Safe Place conducted required annual training with existing organizations and an orientation with Amor Wellness Center in Mendota who is interested in creating a Safe Place in the community.

Central Valley Against Human Trafficking continues to operate our emergency shelter because sometimes other shelters are not safe for our HT clients. Additionally, we acquired three (3) apartments that are used as transitional housing and have three (3) families currently occupying (total of 13 individuals).

Cruz reviewed and highlighted items for LGBTQ+ Resource Center including Q-Prom and collaboration with All 4 Youth operated between Fresno County Superintendent of Schools and Fresno County Department of Behavioral Health.

Pacheco inquired who to contact, there's some individuals who got evicted that are living in a camper and car. Gattie-Blanco stated to call City of Fresno, Code Enforcement has an Outreach Team to connect with them to assist.

- Activity Reports

Gattie-Blanco and Reyna reviewed the reports prior to meeting and one question was "how does the committee know if the Homeless Services program is full or if all the beds are being utilized during the period of time?" Gattie-Blanco shared the numbers are generated from HMIS system, and can acquire the percentage of beds being utilized during a specific time period which will be added to info graphic report in the blue sections. Gattie-Blanco informed the committee that all Homeless Services programs are at capacity.

Central Valley Against Human Trafficking is missing 2-3 client data because of the way data is entered. From January to May 30 new victims were identified, not including current clients and trauma responses. Gattie-Blanco informed the committee report will

include how many clients case managers still work with consistently to reflect case management is at capacity.

An overview of LGBTQ+ Resource Center's Report was provided by Gattie-Blanco and shared the number of total attendees for competency trainings jumped significantly due to some large trainings.

Reyna inquired how many Navigators we have? Gattie-Blanco stated we currently have six (6) and increasing by two (2) for a total of eight (8). As a continuum Gattie-Blanco does not have the information available, but for example Poverello will increase by 10 with the CalViva and Anthem Blue Cross funding. Gattie-Blanco informed the committee there's a difference in job duties of navigators dependent on organization. Some navigators are street based and some are tied to a desk creating a barrier in client services. The additional funding from CalViva and Anthem Blue Cross will assist in creating additional street-based navigators for those organizations.

- **Funding Activities**

Gattie-Blanco provided a brief overview of Funding Activities and noted with City of Fresno and County of Fresno we submitted two amendments to extend Bridge Housing. CVAHT awarded Slave 2 Nothing Foundation for an additional year. There are a few pending projects, we know we are awarded HUD but we are waiting for contracts. We are currently working on additional grants for LGBTQ and CVAHT which will be reflected at our next meeting.

Gattie-Blanco clarified Fresno EOC Sanctuary and Support Services received funding from CalViva Health Net, the Continuum of Care was awarded through several pods after Cervantes inquired.

Reyna inquired on Map Point funding, Gattie-Blanco confirmed funding was not renewed.

VIII. PROGRAM ANNOUNCEMENTS

LGBTQ's Resource Centers' Illuminate Our Pride is at the end of the month and focusing on Mental Health, Cruz shared some items that will be taking place at the event. Additionally, we will have our Fireworks fundraiser starting June 28th.

CVAHT will hold their next Caseworker Training the week of July 24th.
